

Alfred Andersch

William John Niven, James Jordan

Alfred Andersch:

Alfred Andersch (1914-1980) and the Reception of French Thought in the Federal Republic of Germany Margaret Littler, 1991 This work is a reassessment of the long term effects of the writing of Alfred Andersch a prominent figure in the literary life of the post war Federal Republic Besides his novels and short stories he is remembered as a talented journalist broadcaster and played a crucial role as a mediator of unknown foreign literature in the cultural vacuum left by the defeat of Socialism in Germany Contemporary German Stories: Peter Handke, Friederike Mayröcker, Uwe Timm, and Others A. Leslie Willson, 1998-11-01 Expertly introduced and edited by A Leslie Willson the present volume is a collection to read and cherish and to reread to pass along and talk about Its broad themes of tragedy satire and carefully observed daily living make it a cross section of German life and liveliness over the second half of the 20th century Alfred Andersch h. l Arnold, 1979

Kitsch & Kunst Maggie Sargeant, 2005 This book examines the presentation of and attitudes to the Second World War in post war West German prose fiction The fierce public reactions which some of these works provoked at the time of their publication are taken into account in this study since their reception provides a picture of the psychological relationship West Germany had with its wartime past in the immediate post war period and beyond Writers of Unterhaltungsliteratur and Trivalliteratur are often studied within their own genre but this book sets such writers alongside their canonical colleagues This approach opens up the possibility of considering whether the strategies adopted to influence contemporary society to reflect that society and to come to terms with the Second World War are determined by the classification of these works as Kitsch or Kunst The authors included are Alfred Andersch Heinrich Böll Hans Hellmut Kirst Heinz G. Konsalik Theodor Plievier and Erich Maria Remarque The selected works deal specifically with the German soldier and officer the fighting fronts the home front and the connections between the German army and the National Socialist regime **Flight of Fantasy** Neil H. Donahue, Doris Kirchner, 2005-12-01 During the Nazi era many German writers chose or were forced into exile Many others stayed and after the end of this period claimed to have retreated into Inner Emigration The nature of this kind of emigration and the underlying motives of these writers have been hotly debated to this day Though the reception of Inner Emigration has often been confounded by disputes over the term itself the issue is ultimately not a matter of nomenclature but of more far reaching issues of literary evaluation moral discernment and the writing of history This volume presents for the first time to an English speaking readership the complexity of Inner Emigration through the analysis of problematic individual cases of writers who under constant pressure from a watchful dictatorship to conform and to collaborate were caught between conscience and compromise The Gruppe 47 Fifty Years on A Re-Appraisal of Its Literary and Political Significance, 2023-12-21 German Monitor founded in 1979 is a series of themed edited volumes on literature culture and politics in the German speaking world since 1945 Our approach is inclusive some volumes focus on single authors political figures or genres other volumes explore themes such as narratives of trauma German left wing terrorism local global narratives and the

roles that Germany Austria and Switzerland play in Europe today We welcome proposals for interdisciplinary volumes as well as those with a specifically literary cultural or political focus Many of our contributors are based in German Studies others in disciplines such as Comparative Literature Film Studies Musicology History Museum Studies and Political Science The book series has a system of double peer reviewing We publish volumes in German or English Authors are cordially invited to submit proposals to the publisher at BRILL Christa Stevens Questions about your manuscript and proposals can also be directed to the Editor in Chief Laura Bradley *Encyclopedia of the Essay* Tracy Chevalier,2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies

Kierkegaard's Influence on Literature, Criticism, and Art: The Germanophone world Jon Bartley Stewart,2013 Vol 2 is dedicated to the use of Kierkegaard by later Danish writers Almost from the beginning Kierkegaard s works were standard reading for these authors Danish novelists and critics from the Modern Breakthrough movement in the 1870s were among the first to make extensive use of his writings These included the theoretical leader of the movement the critic Georg Brandes who wrote an entire book on Kierkegaard and the novelists Jens Peter Jacobsen and Henrik Pontoppidan

Seelenarbeit an Deutschland ,2016-08-09 The last decade has undoubtedly been the most controversial in the long literary career of Martin Walser This volume presents a review of this career going far beyond short lived arguments to present an insightful overview of much of his work It considers not only major aspects of his writing covering both his literary beginnings and the most recent works but also different previously neglected features of his persona and his writing namely his activity as a university teacher and his art criticism In addition fruitful comparisons are made with other writers such as Proust Grass and Uwe Johnson At the same time recent controversies are also considered with major attention being paid to Walser s public speeches and those works of fiction which have been seen by some as demanding the end of German self recriminations over the Nazi past This volume is unique in that much space is devoted to both sides of the argument It will provide stimulating reading to all those interested in Germany and German literature **Pieces of Sound** Daniel

Gilfillan,2009 A cultural history of German radio broadcasting from the 1930s until the present day Politics and Culture in Twentieth-century Germany William John Niven,James Jordan,2003 This is the first book to examine this crucial relationship between politics and culture in Germany not only during the Nazi and Cold War eras but in periods when the effects are less obvious

Heroes and Heroism in German Culture ,2021-10-18 As Brecht s Galileo observed a country which needs heroes is unfortunate indeed words which suggest that a society s need for heroes is always a function of its shortcomings By

examining the role that heroes and heroism have played in German literature and culture over the past two centuries the essays in this volume illuminate and contour both a flawed German society in need of heroes and the flawed but essential heroes brought forth by that society Beginning in the era of the anti Napoleonic Wars of Liberation advancing to the challenging situation Germany faced at the end of World War II and concluding with the current reemergence of a unified Germany after almost half a century of division this volume broadens our understanding of the inadequacies and breakdowns of German society In addition to analyses of heroism in German culture during the last two centuries this volume contains the first major essays in English on cultural representations of disability in German culture and on AIDS in German literature as well as two essays on the scholarly accomplishments of Jost Hermand to whom all of the essays in the volume are dedicated

Medievalism in Europe Leslie J. Workman, 1994 Concentrating on Europe this volume's sixteen essays discuss different forms of medievalism in Germany France Italy Spain and Serbia Medievalism the whole spectrum of post medieval response to the middle ages is now accepted as a vital key to the understanding of Western culture and society from 1500 to the present pervading every aspect of our time from the popular and artistic to the scholarly *Studies in Medievalism* now published annually is the one series to provide a regular forum for discussion of medievalism This volume is devoted to medievalism in Europe excluding England the subject of Volume IV 1992 Contributors from Europe and America consider medievalism in Germany Italy France Spain and Serbia over a wide range of topics from eighteenth century French politics and nineteenth century German nationalism to contemporary Italian film

Encyclopedia of Contemporary German Culture John Sandford, 2013-04-03 Pre and post unification culture Includes Austria and Switzerland Annotated suggestions for further reading English and German language works

Hitler's Deserters Douglas Carl Peifer, 2025 The Wehrmacht executed thousands of its own in World War II for desertion and undermining the military spirit This study examines who these Wehrmacht deserters were why they deserted what punishment they could expect and how German military justice operated It argues that after the First World War the German military embraced the Dolchstoß legend and determined that if it ever went to war again the military would punish deserters ruthlessly This view arrived at independently accorded fully with that of Adolf Hitler The study analyses the challenges associated with hiding in the Third Reich surrendering to the enemy or crossing over into neutral Switzerland or Sweden After the Second World War Germans began a debate about how these deserters should be remembered Vergangenheitsbewältigung and whether they should be rehabilitated The study analyzes the contested meaning attached to the Wehrmacht deserter in Germany from 1945 to the twenty first century

Germany and 'The West' Riccardo Bavaj, Martina Steber, 2017-06 The West is a central idea in German public discourse yet historians know surprisingly little about the evolution of the concept Contrary to common assumptions this volume argues that the German concept of the West was not born in the twentieth century but can be traced from a much earlier time In the nineteenth century the West became associated with notions of progress liberty civilization and modernity It signified the

future through the opposition to antonyms such as Russia and the East and was deployed as a tool for forging German identities Examining the shifting meanings political uses and transnational circulations of the idea of the West sheds new light on German intellectual history from the post Napoleonic era to the Cold War *German Writers and the Cold War 1945-61* Rhys W. Williams, Stephen Parker, Colin Riordan, 1992 **Conceptions of Postwar German Masculinity** Roy Jerome, 2001-05-16 Examines masculinity in German culture society and literature from 1945 to the present

Encyclopedia of German Literature Matthias Konzett, 2015-05-11 Designed to provide English readers of German literature the opportunity to familiarize themselves with both the established canon and newly emerging literatures that reflect the concerns of women and ethnic minorities the Encyclopedia of German Literature includes more than 500 entries on writers individual work and topics essential to an understanding of this rich literary tradition Drawing on the expertise of an international group of experts the essays in the encyclopedia reflect developments of the latest scholarship in German literature culture and history and society In addition to the essays author entries include biographies and works lists and works entries provide information about first editions selected critical editions and English language translations All entries conclude with a list of further readings **Thomas Mann's War** Tobias Boes, 2019-11-15 In *Thomas Mann's War* Tobias Boes traces how the acclaimed and bestselling author became one of America's most prominent anti fascists and the spokesperson for a German cultural ideal that Nazism had perverted Thomas Mann winner of the 1929 Nobel Prize in literature and author of such world renowned novels as *Buddenbrooks* and *The Magic Mountain* began his self imposed exile in the United States in 1938 having fled his native Germany in the wake of Nazi persecution and public burnings of his books Mann embraced his role as a public intellectual deftly using his literary reputation and his connections in an increasingly global publishing industry to refute Nazi propaganda As Boes shows Mann undertook successful lecture tours of the country and penned widely read articles that alerted US audiences and readers to the dangers of complacency in the face of Nazism's existential threat Spanning four decades from the eve of World War I when Mann was first translated into English to 1952 the year in which he left an America increasingly disfigured by McCarthyism Boes establishes Mann as a significant figure in the wartime global republic of letters Open access edition funded by the National Endowment for the Humanities

Adopting the Track of Term: An Emotional Symphony within **Alfred Andersch**

In a global consumed by screens and the ceaseless chatter of immediate communication, the melodic splendor and psychological symphony created by the prepared word often fade into the backdrop, eclipsed by the persistent noise and distractions that permeate our lives. Nevertheless, nestled within the pages of **Alfred Andersch** a marvelous literary value filled with organic feelings, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, this fascinating masterpiece conducts viewers on an emotional trip, well unraveling the hidden tunes and profound influence resonating within each carefully crafted phrase. Within the depths of the poignant examination, we will explore the book is central harmonies, analyze its enthralling writing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
