## **Alfred Cheter Beatty Ireland 19501968 A Study In Cultural Politics:**

The Chester Beatty Biblical Papyri at Ninety Garrick Vernon Allen, Usama Ali Mohamed Gad, Kelsie Gayle Rodenbiker, Anthony Philip Royle, Jill Unkel, 2023-05-08 Despite the significant work carried out on the text transmission materiality and scribal habits preserved in the Chester Beatty Biblical Papyri since their acquisition by Beatty ninety years ago in 1931 these early copies of Jewish scripture and the New Testament have for the most part belonged primarily to textual critics The goal of this book is to resituate this important collection of manuscripts in broader contexts examining their significance in conversation with papyrology as a discipline in the context of other ancient literary traditions preserved on papyri and in discussion with the intellectual and cultural history of collecting colonialism and scholarly rhetoric The Chester Beatty Biblical Papyri and other papyrological collection with which they are inextricably bound remind us of the critical value of examining old manuscripts afresh in their historical scholarly and intellectual contexts These studies are relevant for all scholars who work with manuscripts and ancient texts of any variety     The Story of the Bodmer Papyri James M Robinson, 2013-02-28 The United Nations Educational and Cultural Organization UNESCO entrusted author James Robinson with tracking down the place where the Nag Hammadi Codices had been discovered Priests whom the author interviewed in the region told Robinson that the codices had once been in the possession of a priest in the town of Dishna a bit further upstream than Nag Hammadi itself Robinson found that this priest had not had the Nag Hammadi Codices but rather the Bodmer Papyri For Dishna is where the monastery headquarters of the first monastic order was located The Bodmer Papyri discovery consisted of all that was left of the library of the Pachomian monastic order Coptic letters of Pachomius and very early Greek copies of Luke and John perhaps donated when Athanasius was in hiding at the monastery These treasures were preserved in a jar hidden in the mountain where monks were buried This book traces the story of the Bodmer Papyri from beginning to end     **A New History of Ireland Volume VII** J. Anderson,Jonathan Kearney,2019-10-31 Drawing on the work of leading figures in biblical religious historical and cultural studies in Ireland and beyond this volume explores the reception of the Bible in

Ireland focusing on the social and cultural dimensions of such use of the Bible This includes the transmission of the Bible the Bible and identity formation engagement beyond Ireland and cultural and artistic appropriation of the Bible The chapters collected here are particularly useful and insightful for those researching the use and reception of the Bible as well as those with broader interests in social and cultural dimensions of Irish history and Irish studies The chapters challenge the perception in the minds of many that the Bible is a static book with a fixed place in the world that can be relegated to ecclesial contexts and perhaps academic study Rather as this book shows the role of the Bible in the world is much more complex Nowhere is this clearer than in Ireland with its rich and complex religious cultural and social history This volume examines these very issues highlighting the varied ways in which the Bible has impacted Irish life and society as well as the ways in which the cultural specificity of Ireland has impacted the use and development of the Bible both in Ireland and further afield **Writings on Irish History**, 1994 **Twentieth-century British Book Collectors and Bibliographers**
