Hughes, David Punter, Andrew Smith, 2015-12-21 THE ENCYCLOPEDIA OF THE GOTHIC Well written and interesting it is a testament to the breadth and depth of knowledge about its central subject among the more than 130 contributing writers and also among the three editors each of whom is a significant figure in the field of gothic studies A reference work that's firmly rooted in and actively devoted to expressing the current state of academic scholarship about its area New York Journal of Books A substantial achievement Reference Reviews Comprehensive and wide ranging The Encyclopedia of the Gothic brings together over 200 newly commissioned essays by leading scholars writing on all aspects of the Gothic as it is currently taught and researched along with challenging insights into the development of the genre and its impact on contemporary culture The A Z entries provide comprehensive coverage of relevant authors national traditions critical developments and notable texts that continue to define shape and inform the genre The volume's approach is truly interdisciplinary with essays by specialist international contributors whose expertise extends beyond Gothic literature to film music drama art and architecture From Angels and American Gothic to Wilde and Witchcraft The Encyclopedia of the Gothic is the definitive reference guide to all aspects of this strange and wondrous genre The Wiley Blackwell Encyclopedia of Literature is a comprehensive scholarly authoritative and critical overview of literature and theory comprising individual titles covering key literary genres periods and sub disciplines Available both in print and online this groundbreaking resource provides students teachers and researchers with cutting edge scholarship in literature and literary studies *British Short-fiction Writers*,

1880-1914 William F. Naufftus, 1996 Information on the lives and works of some of the outstanding British writers who published short fiction in the romantic tradition during the years 1880-1914 **Journeys into Darkness** James Goho, 2014-03-06 The tradition of supernatural horror fiction runs deep in Anglo American literature From the Gothic novels of the eighteenth century to such contemporary authors as Stephen King and Anne Rice writers have employed horror fiction to unearth many disquieting truths about the human condition ranging from mistreatment of women and minorities to the ever present dangers of modern city life In *Journeys into Darkness: Critical Essays on Gothic Horror* James Goho analyzes many significant writers and trends in American and British horror fiction Beginning with Charles Brockden Brown's disturbing novels of terror and madness Goho proceeds to discuss the influence of Edgar Allan Poe's *The Fall of the House of Usher* on H P Lovecraft who is treated in several penetrating essays Lovecraft was a uniquely philosophical writer and Goho approaches his work through the lens of existentialist philosopher Søren Kierkegaard while also probing Lovecraft's racism as exhibited in several tales about Native Americans Goho also discusses the Welsh writer Arthur Machen's tortured tales of suffering and evil and Algernon Blackwood's numerous stories set in the wilds of the Canadian backwoods The book concludes with a centuries spanning essay on the witchcraft theme in the American Gothic tradition and a comprehensive essay on Fritz Leiber's invention of the urban Gothic In this wide ranging study James Goho examines the varied ways in which supernatural fiction can address the deepest moral social and political concerns of the human experience *Journeys into Darkness* will be of interest to readers and scholars of horror fiction and to students of literary history and culture in general

Egyptian Gothic Jay Sullivan, 2025-07-13 The Egyptian Gothic consists of novels and short stories about ancient Egyptian mummies returning to life to seek retribution or romance as well as cursed object tales Now mostly forgotten from the 1880s through to the 1920s it was more popular than the vampire genre This book is the first to examine the genre by using the frequent sensory descriptions within these texts to interrogate attitudes towards Empire Its aims are twofold Firstly it demonstrates that despite their status as disposable popular fiction these texts are rich in sensory discourses that have thus far been unexamined Secondly reading these discourses of touch sight smell sound and taste reveals new and intriguing ways in which Egypt is allowed to strike back against the British Empire The book argues that the Egyptian Gothic does not support the domination of Empire but instead presents a power dynamic in flux with the mummy fighting back against Western occupation Egypt and its artefacts evoke simultaneous feelings of fear and desire where those who meddle by invading tombs or stealing mummies are destroyed by Egyptian revenants [The Complete John Silence Stories](#) Algernon Blackwood, S. T. Joshi, 1997-01-01 Six tales of horror from a master craftsman *A Psychological Invasion Ancient Sorceries Secret Worship The Nemesis of Fire The Camp of God and A Victim of Higher Space* **Magill's Literary Annual 2003** Salem Press, 2003-06 Magill's Literary Annual 2003 is the fiftieth publication in a series that began in 1954 The philosophy behind the annual has been to evaluate critically 200 major examples of serious literature published during the previous year Our

focus is to provide coverage for works that are likely to be of particular interest to the general reader that reflect the publishing trends of a given year that add to careers of authors being taught and researched in literature programs and that will stand the test of time By filtering the thousands of books published each year down to two hundred notable titles the editors have provided the busy librarian with an excellent reader's advisory tool and patrons with fodder for book discussion groups and a guide for selection The essay reviews in the Annual also provide a more academic reference review of a work than is typically found in newspapers and other periodical sources This year's works are drawn from such categories as anthropology autobiography biography current affairs diaries economics environment essays history language literary criticism medicine memoirs nature philosophy poetry psychology religion science short fiction sociology technology travel and women's issues The articles are arranged alphabetically by book title A complete list of included titles can be found at the beginning of volume 1 Each 2 000 word article begins with a block of top matter that indicates the title author publisher and price of the work When possible the year of the author's birth is also provided The top matter also includes the number of pages of the book the type of work and when appropriate the time period and locale represented in the text Next comes a capsule description of the work When pertinent a list of principal characters or personages with brief descriptions introduces the review These original essay reviews analyze intent and relative success of the author and the work under discussion To assist the reader further the articles are supplemented by a list of additional reviews for further study Every essay includes a brief biography of the author or authors and thumbnail photographs of the book covers and authors are included as available At the end of volume 2 are four cumulative indexes listing works covered from the years 1977 to 2003 an index of Biographical Works by Subject a Category Index a Title Index and an Author Index The index of Biographical Works by Subject is arranged by subject rather than by author or title

Historical Dictionary of Gothic Literature William Hughes, 2013 Literary fashions come and go but some hang around longer than others like Gothic literature which has existed ever since *The Castle of Otranto* in 1764 During this long while it has spread from England to the rest of Great Britain and across to the continent and off to America and Australia filling in the gaps more recently Most of it is in English but hardly all and it has adopted all styles from romanticism to modernism to postmodernism and even adjusted to feminist and queer literature and science fiction We have all read some Gothic tales or if not read then seen them in the cinema since they adapt well to film treatment and it would be hard to find anyone who has not heard of ghosts and vampires let alone Count Dracula and Frankenstein On the other hand some of us are inveterate Gothic fans reading one book or story after the other The *Historical Dictionary of Gothic Literature* follows this long and winding path first in an extensive chronology and then a useful introduction which explains the nature of Gothic and shows how it has evolved Obviously the dictionary section has entries on major writers and some of the best known works but also on geographical variants like Irish Scottish or Russian Gothic and Female Gothic Queer Gothic and Science Fiction This is provided in over 200 often substantial and always

intriguing entries More can be found in a detailed bibliography including general works but also more specialized ones on different styles and genres and also specific authors This book should certainly interest the fans but also more serious researchers

Algernon Blackwood A Bio Bibliography: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. Algernon Blackwood A Bio Bibliography : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
