Cook, 1953-12 *Twentieth Century Crime & Mystery Writers* NA NA, 2015-12-25 **Had She But Known** Charlotte MacLeod, 2016-12-06 Before Agatha Christie there was America's Mistress of Mystery This is the story of her life and creative legacy from the butler who did it to Batman In the decades since her death in 1958 master storyteller Mary Roberts Rinehart has often been compared to Agatha Christie But while Rinehart was once a household name today she is largely forgotten The woman who first proclaimed the butler did it

was writing for publication years before Christie's work saw the light of day. She also practiced nursing, became a war correspondent and wrote a novel *The Bat* that inspired Bob Kane's creation of Batman. Born in Allegheny City, Pennsylvania, before it was absorbed into Pittsburgh, and raised in a close-knit Presbyterian family, Mary Roberts Rinehart was at once a girl of her time: dutiful, God-fearing, loyal, and a quietly rebellious spirit. For every hour she spent cooking, cleaning, or sewing at her mother's behest while her frail younger sister had fun, Mary eked out her own moments of planning, dreaming, and writing. But becoming an author wasn't on her radar yet. Bestselling mystery writer Charlotte MacLeod grew up on Rinehart's artfully crafted novels such as the enormously successful *The Circular Staircase* cozies before the concept existed. After years of seeing Christie celebrated and Rinehart overlooked, MacLeod realized that it was time to delve into how this seemingly ordinary woman became a sensation whose work would grace print stage and screen. From Rinehart's grueling training as a nurse and her wartime interviews with a young Winston Churchill and Queen Mary to her involvement with the Blackfoot Indians and her work as doctor's wife, mother of three, playwright, serialist, and novelist, this is the unforgettable story of America's Grande Dame of Mystery.

Married People Mary Roberts Rinehart, 2013-08-13

DIVDIV Ten tales of married life: happy, sad, and blood-soaked. DIVDIV Clarke Wellington supposes it's time he murdered his wife. Dolly isn't a promiscuous woman and she isn't violent, but she is stingy, petty, and cruel, and she runs her household with a tyranny that has turned her husband into a mouse and her children into frightened little automatons. Of course it's easy to make this kind of decision, but much harder to follow through. When a man hasn't stood up for himself in years, how can he possibly learn to kill?

DIV The Man Who Killed His Wife is just one in this sterling collection of short stories by a master of the classic mystery novel. Rinehart tells her tales one couple at a time, from the Wellingtons to the Bryces to the Chisholms. In some of their houses is physical violence, and in some the torment is purely emotional. Not until death will these happy couples part, but that day is coming sooner than some of them think.

DIV The Window at the White Cat Mary Roberts Rinehart, 2020-04-21

A missing person sets off the action in this classic whodunit from the bestselling mystery writer known as the American Agatha Christie. In *The Window at the White Cat*, bumbling lawyer Jack Knox agrees to help a beautiful young woman find her missing father. But when the politician is found dead at a backstreet social club serving up beers and illegal favors, and Jack's aunt disappears, it looks like the daughter's fiancé may be guilty of more than winning her heart.

A 1 New York Times bestselling author with ten million books in print, Mary Roberts Rinehart crafted a career out of writing mysteries that set the stage for generations of writers to come. Rinehart's literary distinction lies in the combination of love, humor, and murder that she wove into her tales. She helped the mystery story grow up.
