

Alice Paul

**Christopher Capozzola**

## **Alice Paul:**

**Alice Paul** Jill Diane Zahniser, Amelia R. Fry, 2014 Alice Paul redirected the course of American political history Raised by Quaker parents in Moorestown New Jersey she would become a passionate and outspoken leader of the woman suffrage movement In 1913 she reinvigorated the American campaign for a constitutional suffrage amendment and in the next seven years dominated that campaign and drove it to victory with bold controversial action wedding courage with resourcefulness and self mastery This riveting account of Paul s early years and suffrage activism offers fresh insight into her private persona and public image examining for the first time the sources of Paul s ambition and the growth of her political consciousness Though many historians regard her Quaker upbringing as the greatest influence in her commitment to women s rights J D Zahniser and Amelia R Fry explore the ways in which her political zeal developed out of years of education as well as from her early involvement with British suffragists Emmeline and Christabel Pankhurst These two women helped to hone Paul s instincts and skills which equipped her for later dealings with two important political adversaries Woodrow Wilson and rival suffragist Carrie Chapman Catt Using oral history interviews and the rich trove of Paul s correspondence Zahniser and Fry substantially revise our understanding Paul s role in the suffrage movement This compelling biography analyzes Paul s charisma and leadership qualities sheds new light on her life and work and is essential reading for anyone interested in the woman suffrage movement particularly as the American centennial of the women s vote approaches **Alice Paul J.D.**

Zahniser, Amelia R. Fry, 2014-06-02 Alice Paul has long been an elusive figure in the political history of American women Raised by Quaker parents in Moorestown New Jersey she would become a passionate and outspoken leader of the woman suffrage movement In 1913 she reinvigorated the American campaign for a constitutional suffrage amendment and in the next seven years dominated that campaign and drove it to victory with bold controversial action wedding courage with resourcefulness and self mastery This biography of Paul s early years and suffrage leadership offers fresh insight into her private persona and public image examining for the first time the sources of Paul s ambition and the growth of her political consciousness Using extensive oral history interviews with Paul and her colleagues Authors J D Zahniser and Amelia R Fry substantially revise our understanding about Paul s engagement with suffrage activism in England and later emergence onto the American scene Though her Quaker upbringing has long been seen as the spark for her commitment to women s rights Zahniser and Fry show how her childhood among the Friends forged crucial aspects of Paul s character but her political zeal developed out of years of education and exploration The authors explore the ways in which her involvement with the British suffragists Emmeline and Christabel Pankhurst honed her instincts and skills especially her dealings with her most important political adversaries Woodrow Wilson and rival suffrage leader Carrie Chapman Catt Applying new research to the persistent questions about Alice Paul and her legacy this compelling biography analyzes Paul s charisma and leadership qualities sheds new light on her life and work and is essential reading for anyone interested the woman suffrage movement **Alice Paul**

Christine Lunardini, 2018-04-17 *Alice Paul Equality for Women* shows the dominant and unwavering role Paul played in the passage of the Nineteenth Amendment granting the vote to American women. The dramatic details of Paul's imprisonment and solitary confinement, hunger strike and force feeding at the hands of the U.S. government illustrate her fierce devotion to the cause she spent her life promoting. Placed in the context of the first half of the twentieth century, Paul's story also touches on issues of progressivism and labor reform, race and class, World War I patriotism and America's emerging role as a global power. Women's activism in the political sphere and the global struggle for women's rights. *About the Lives of American Women* series. Selected and edited by renowned women's historian Carol Berkin, these brief biographies are designed for use in undergraduate courses. Rather than a comprehensive approach, each biography focuses instead on a particular aspect of a woman's life that is emblematic of her time or which made her a pivotal figure in the era. The emphasis is on a good read featuring accessible writing and compelling narratives without sacrificing sound scholarship and academic integrity. Primary sources at the end of each biography reveal the subject's perspective in her own words. Study questions and an annotated bibliography support the student reader.

Born in the U.S.A. Seth C. Bruggeman, 2012. Scores of birthplace monuments and historic childhood homes dot the American landscape. These special places, many dating to the early years of the last century, have enshrined nativity alongside patriotism and valor among the key pillars of the nation's popular historical imagination. The essays in this volume suggest that the way Americans have celebrated famous births reflects evolving expectations of citizenship as well as a willingness to edit the past when those hopes go unfulfilled. The contributors also demonstrate that the reinvention of origin myths at birthplace monuments still factors in American political culture and the search for meaning in an ever-shifting global order. Beyond asking why it is that Americans care about birthplaces and how they choose which ones to commemorate, *Born in the U.S.A.* offers insights from historians, curators, interpretive specialists and others whose experience speaks directly to the challenges of managing historical sites. Each essay points to new ways of telling old stories at these mainstays of American memory. The case of the modern house museum receives special attention in a provocative concluding essay by Patricia West. In addition to West and the editor, contributors include Christine Arato, Dan Currie, Keith A. Erikson, David Glassberg, Anna Thompson, Hajdik Zachary, J. Lechner, Paul Lewis, Hilary Iris Lowe, Cynthia Miller, Laura Lawfer, Orr, Robert Paynter, Angela Phelps and Paul Reber.

*Prison Narratives from Boethius to Zana* P. Phillips, 2014-07-24. *Prison Narratives from Boethius to Zana* critically examines selected works of writers from the sixth century to the twenty-first century who were imprisoned for their beliefs. Chapters explore figures' lives, provide close analyses of their works and offer contextualization of their prison writings.

Alice Paul and the American Suffrage Campaign Katherine H. Adams, Michael L. Keene, 2010-10-01. Past biographies, histories and government documents have ignored Alice Paul's contribution to the women's suffrage movement, but this groundbreaking study scrupulously fills the gap in the historical record. Masterfully framed by an analysis of Paul's nonviolent and visual rhetorical strategies, *Alice Paul and the American Suffrage Campaign*

narrates the remarkable story of the first person to picket the White House the first to attempt a national political boycott the first to burn the president in effigy and the first to lead a successful campaign of nonviolence Katherine H Adams and Michael L Keene also chronicle other dramatic techniques that Paul deftly used to gain publicity for the suffrage movement Stunningly woven into the narrative are accounts of many instances in which women were in physical danger Rather than avoid discussion of Paul s imprisonment hunger strikes and forced feeding the authors divulge the strategies she employed in her campaign Paul s controversial approach the authors assert was essential in changing American attitudes toward suffrage

*Congressional Record* United States. Congress,1995 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Uncle Sam Wants You** Christopher Capozzola,2008-07-21 Based on a rich array of sources that capture the voices of both political leaders and ordinary Americans Uncle Sam Wants You offers a vivid and provocative new interpretation of American political history revealing how the tensions of mass mobilization during World War I led to a significant increase in power for the federal government Christopher Capozzola shows how when the war began Americans at first mobilized society by stressing duty obligation and responsibility over rights and freedoms But the heated temper of war quickly unleashed coercion on an unprecedented scale making wartime America the scene of some of the nation s most serious political violence including notorious episodes of outright mob violence To solve this problem Americans turned over increasing amounts of power to the federal government In the end whether they were some of the four million men drafted under the Selective Service Act or the tens of millions of home front volunteers Americans of the World War I era created a new American state and new ways of being American citizens Not for women only ,19?? *Gendered Citizenship* Rebecca DeWolf,2021-10 By engaging deeply with American legal and political history as well as the increasingly rich material on gender history *Gendered Citizenship* illuminates the ideological contours of the original struggle over the Equal Rights Amendment ERA from 1920 to 1963 As the first comprehensive full length history of that struggle this study grapples not only with the battle over women s constitutional status but also with the more than forty year mission to articulate the boundaries of what it means to be an American citizen Through an examination of an array of primary source materials *Gendered Citizenship* contends that the original ERA conflict is best understood as the terrain that allowed Americans to reconceptualize citizenship to correspond with women s changing status after the passage of the Nineteenth Amendment Finally Rebecca DeWolf considers the struggle over the ERA in a new light focusing not on the familiar theme of why the ERA failed to gain enactment but on how the debates transcended traditional liberal versus conservative disputes in early to mid twentieth century America The conflict DeWolf reveals ultimately became the defining narrative for the changing nature of American citizenship in the era

The Story of the Woman's Party Inez Haynes Gillmore, 2022-09-04 DigiCat Publishing presents to you this special edition of The Story of the Woman's Party by Inez Haynes Gillmore DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature

**Women, Power, and Political Change** Bonnie G. Mani, 2007-01-01 Women Power and Political Change analyzes the lives of fourteen American women who facilitated social and political changes since America's founding Bonnie G Mani describes the social and political context of each time period and uncovers how women can influence public policy without holding elected office and without personal wealth

**Sisterhood Questioned** Christine Bolt, 2004-07-31 This readable and informative survey including both new research and synthesis provides the first close comparison of race class and internationalism in the British and American women's movements during this period Sisterhood Questioned assesses the nature and impact of divisions in the twentieth century American and British women's movements In this lucidly written study Christine Bolt sheds new light on these differences which flourished in an era of political reaction economic insecurity polarizing nationalism and resurgent anti feminism The author reveals how the conflicts were seized upon and publicised by contemporaries and how the activists themselves were forced to confront the increasingly complex tensions Drawing on a wide range of sources the author demonstrates that women in the twentieth century continued to cooperate despite these divisions and that feminist movements remained active right up to and beyond the reformist 1960s It is invaluable reading for all those with an interest in American history British history or women's studies

**Women of Vision** Eileen Gavin, Aphrodite Clamar, Mary Anne Siderits, 2007-03-20 From the reviews Women of Vision blends biographical narrative with psychological perspectives on human development resulting in a moving and passionate book that is suitable for both academic and nonacademic readers It is a useful tool for teaching purposes or for simple enjoyable and informative reading Psychology of Women Quarterly a fascinating look of preservation and perceptiveness that is differentiated from its predecessors in its range of disciplines and emphasis This new life course approach to understanding female leaders gives valuable insight into the lives of these imminent women furnishing insights into how the social economic political milieu and the attitudes and values of the time played a significant role in the lives of these women but also in all our lives Women of Vision will serve as a springboard for exploration of how the psychologies of individual human lives affect their life course and as a galvanizing step for many more future women of vision and leadership The accounts in the book should be of substantial significance for readers interested in gender issues However the book will appeal to an even wider audience Persons hoping to move in new directions in their own lives e g women looking wistfully at new academic and occupational paths after years in stereotypic niches can surely also find inspiration in the various accounts SirReadaLot.org We all know of women of great vision women whose efforts and accomplishments have had a major impact on the arts politics women's

rights sports or science But often we may not understand how they became such powerful agents of change and what sorts of questions we should ask of their pasts to understand how the trajectories of their lives were formed In this extraordinary textbook leading experts cast new light on the role of circumstance accomplishments and personality in the development of various twentieth century women of vision This is a brand new life course approach to understanding female leaders and gives valuable insight into the lives of such eminent women as Rachel Carson Evelyn Gentry Hooker Georgia O Keeffe Eleanor Roosevelt Babe Didrikson Zaharias Ella Fitzgerald Alice Paul Lucille Ball and many others Study questions and exercises at the end of each chapter further enhance the text Women of Vision will serve as the springboard for exploration of how the psychologies of individual human lives affect their life course and a galvanizing step for many more future women of vision and leadership

Sewall-Belmont House National Historic Site United States. Congress. Senate. Interior and Insular Affairs Committee,1974      **Solar Energy Research Act of 1974** United States. Congress. Senate. Committee on Interior and Insular Affairs,1974      *Sewall-Belmont House National Historic Site* United States. Congress. Senate. Committee on Interior and Insular Affairs,1974      *Sewall-Belmont House National Historic Site* United States. Congress. Senate. Committee on Interior and Insular Affairs. Subcommittee on Parks and Recreation,1974      **Rampant Women** Linda J. Lumsden,2002-06 Lumsden also examines the legal and social origins of the right to assembly and contends that women s exercise of their First Amendment rights helped prod the legal establishment to ensure protection for gatherings by other political dissidents as well      *Dictionary of World Biography: The 20th century, O-Z* Frank Northen Magill,Christina J. Moose,Alison Aves,1999-11 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography

Yeah, reviewing a ebook **Alice Paul** could increase your near friends listings. This is just one of the solutions for you to be successful. As understood, realization does not suggest that you have wonderful points.

Comprehending as skillfully as conformity even more than other will have the funds for each success. neighboring to, the message as skillfully as perception of this Alice Paul can be taken as well as picked to act.
