supernatural phenomena such as UFOs and ghost si *Wombs and Alien Spirits* Janice Patricia Boddy,1989 Based on nearly two years of ethnographic fieldwork in a Muslim village in northern Sudan *Wombs and Alien Spirits* explores the z r cult the most widely practiced traditional healing cult in Africa Adherents of the cult are usually women with marital or fertility problems who are possessed by spirits very different from their own proscribed roles as mothers Through the woman the spirit makes demands upon her husband and family and makes provocative comments on village issues such as the increasing

influence of formal Islam or encroaching Western economic domination In accommodating the spirits the women are able metaphorically to reformulate everyday discourse to portray consciousness of their own subordination Janice Boddy examines the moral universe of the village discussing female circumcision personhood kinship and bodily integrity then describes the workings of the cult and the effect of possession on the lives of men as well as women She suggests that spirit possession is a feminist discourse though a veiled and allegorical one on women s objectification and subordination Additionally the spirit world acts as a foil for village life in the context of rapid historical change and as such provides a focus for cultural resistance that is particularly though not exclusively relevant to women Publisher description **Books in Print Supplement** ,2002

biography which recounts Peter's spiritual experiences from his encounters with the Goddess Virgo to visitations from alien spirits which subjected him to interrogation and contact with creatures he recognised as representatives of the Devil. A spiritual experience linked to the iconography of ancient Egypt led to his joining the Fellowship of Isis, an international spiritual organization devoted to promoting awareness of the Goddess Isis. Peter's experiences intensified after the death of his mother in 2003 and they still continue today. They have led him to some personal conclusions about the nature of the connection between Christianity and the Goddess Virgo, whom he believes is a merger between a woman from ancient times and a spiritual person of an alien race, and a reinterpretation of the Old Testament's Book of Revelations.
