Alien From Arcturus:

Arcturus Landing Gordon R Dickson,2011-09-29 Johnny Parent was driven by a furious anger against the cocky aliens from outer space and anger against the company which had hired him to build the space drive which would lift the quarantine against Earth It was a tough problem made tougher by the company's double dealing And Johnny didn't relish the thought of cracking it with a whip on his back and a knife at his throat Then he stumbled upon an eccentric young playboy his pretty but ambitious secretary and weird little alien with colossal strength Together they plotted the piratical flight into space which would earn Earth its due place in the Universe But they had to hurry because the company's strong men were right behind them and the solar time clock was running out

FSpace Roleplaying The F-Files introduction Martin Rait,2009-11-01 FSpaceRPG is a science fiction roleplaying game in the classic mould This is an information module providing more of a history of the Earth based alien conspiracies and some of their true origins in context of the FSpaceRPG universe It is useful background information for the history of the modern era of FSpaceRPG But it is also a great primer for running games in the past of FSpaceRPG whether 20th or 21st century Earth or maybe earlier

Starcraft: I, Mengsk Graham McNeill,2008-12-30 Sixty thousand light years from Earth the corrupt Terran Confederacy holds the Koprulu sector tightly in its tyrannical grip controlling every aspect of its citizens' lives One man dares to stand up to this faceless empire and vows to bring it to its knees Arcturus Mengsk genius propagandist tactician and freedom fighter A monstrous act of bloody violence sows the seeds of rebellion in Arcturus but he is not the first Mengsk to rail against such oppression Before Arcturus grew to manhood his father Angus Mengsk also defied the Confederacy and sought to end its brutal reign The destiny of the Mengsk family has long been tied to that of the Confederacy and the Koprulu sector but as a new empire rises from the ashes of the past and alien invaders threaten the very existence of humanity what will the future hold for the next generation
