brutal This is Krishna without the filter This is the Gita without the spiritual syrup This is war inside you around you through you If you want comfort don't read this book If you want clarity Krishna is waiting Krishna's Journey\_ Love, Duty, and Destiny ( English) ,2025-07-31 Krishna's Journey\_ Love Duty and Destiny Krishna's Story English In the vast tapestry of human history few figures have captured the imagination and hearts of people quite like Krishna A name that resonates with love wisdom and divine playfulness Krishna's story is not just a tale from ancient India but a timeless narrative that continues to inspire and guide millions across the globe But who was Krishna really Was he a god a hero a lover or a sage The answer as you'll discover in this book is all of these and so much more Imagine if you will a world where the boundaries between the divine and the human blur where cosmic battles are fought not just on battlefields but in the depths of the human heart This is the world of Krishna a world that we're about to explore together in Krishna's Journey Love Duty and Destiny As we embark on this adventure I invite you to open your mind and heart to a story that has captivated generations a story that speaks to the very essence of what it means to be human You might be wondering Why Krishna Why now In our modern world filled with chaos and confusion the teachings and life of Krishna offer a beacon of light a guide to navigating the complexities of existence This book isn't just a retelling of ancient myths it's a journey into the heart of wisdom that has stood the test of time Through Krishna's life we'll explore universal themes of love duty and the eternal quest for meaning and purpose What makes this book unique is its approach to Krishna's story Instead of presenting Krishna as a distant deity or a figure lost in the mists of time we'll explore his journey as a metaphor for our own lives Each chapter of Krishna's life offers profound insights into the human condition from the joys of childhood to the responsibilities of adulthood from the intoxication of love to the harsh realities of war We'll see how Krishna's experiences mirror our own struggles and triumphs making his divine journey surprisingly relatable and deeply human Essence of spiritualism ,2006 **Krishna's Lineage** ,2019 Forming the final part of the Sanskrit Mahabharata the Harivamsha's main business is to supply narrative details about the great god Vishnu's avatar Krishna Vasudeva who has been a comparatively minor character in the previous parts of the Mahabharata despite having taken centre stage in the Bhagavad Gita Krishna is born in Mathura some 85 miles south of present day Delhi As an infant he is smuggled out of Mathura for his own safety He and his brother Baladeva grow up among cowherds in the forest where between them they perform many miraculous deeds and kill many dangerous demons before returning to Mathura where they kill the evil King Kamsa and his cronies Thereafter Krishna is the hero and unofficial leader of his people the Yadava Vrishnis When Mathura is besieged by enemies Krishna leads his people to abandon the town and migrate west founding the dazzling new city of Dvaraka by the sea Krishna then repeatedly travels away from that base repeatedly to perform heroic deeds benefitting those in need including his own people his more immediate family and the gods After narrating the stories of Krishna the Harivamsha ends by finishing the story of Janamejaya with which the Mahabharata began The Harivamsha is a powerhouse of Hindu mythology and a classic of world literature It begins by

contextualising Vishnu's appearance as Krishna in several ways in the process presenting a variety of cosmogonical cosmological genealogical mythological theological and karmalogical materials. It then narrates Krishna's birth and adventures in detail. Presenting a wide variety of exciting stories in a poetic register that makes extensive use of natural imagery, the Harivamsha is a neglected literary gem and an ideal starting point for readers new to Indian literature.

[The Bhagavad Gita for Daily Living](#) Eknath Easwaran, 2020-11-10

A comprehensive manual for living a spiritual life based on a verse by verse commentary on India's timeless scripture from the author of its best selling translation. This ebook includes all three volumes in this series. The Bhagavad Gita is set on the battlefield of an apocalyptic war between good and evil. Faced with a dire moral dilemma, the warrior prince Arjuna turns in anguish to his spiritual guide Sri Krishna for answers to the fundamental questions of life. Easwaran points out that Arjuna's crisis is acutely modern. The Gita's battlefield is the struggle for self-mastery that every human being must wage. Arjuna represents each of us, and Sri Krishna is the Lord instructing us in eighteen chapters of lofty wisdom as we face the social, environmental, and global challenges that threaten our world today. Easwaran is a spiritual teacher and author of deep insight and warmth. His verse by verse commentary interprets the Gita's teachings for modern readers, explaining the Sanskrit concepts and philosophy and applying them with practicality, wisdom, and humor to every aspect of our work, our relationships, and our lives. With everyday anecdotes, stories, and examples, he shows that the changes we long to see in the world start with the transformation of our own consciousness. The practical exercises recommended by Easwaran to achieve transformation are part of a spiritual program he developed for his own life. They are accessible to people from all backgrounds and cultures. Urging us to adopt a higher image of the human being, he assures us that peace and unity are within reach. Each volume of this series covers six chapters of the Gita. Each may be read on its own, but all three volumes together form an in-depth verse by verse explanation of this ancient scripture and its relevance today. Included are instructions in Easwaran's universal eight-point program of passage meditation.

**Volume 1** The first six chapters of the Gita explore the concept of the innermost Self and source of wisdom in each of us. Easwaran explains how we can begin to transform ourselves even as householders engaged in busy lives.

**Volume 2** The next six chapters of the Gita go beyond the individual Self to explore the Supreme Reality underlying all creation. Easwaran builds a bridge across the seeming divide between scientific knowledge and spiritual wisdom and explains how the concept of the unity of life can help us in all our relationships.

**Volume 3** The final six chapters put forth an urgent appeal for us to begin to see that all of us are one to make the connection between the Self within and the Reality underlying all creation. Global in scope, the emphasis is on what we can do to make a difference to heal our environment and establish peace in the world. Easwaran's commentary is for all students of the Gita, whatever their background, and for anyone who is trying to find a path to wisdom, love, and kindness in themselves and our troubled world. Written as an authoritative, accessible guide to a much-loved scripture, it is a

handbook for finding peace and clarity within This second edition incorporates revisions made across all three volumes following the author's final instructions

**Krishna's Kiss** Varalotti Rengasamy, 2021-02-21 The great Lord the Flautist Krishna has come down to kiss us We cover our cheeks with our hands

We do not want His kiss We want something else an I phone a larger house promotion pay hike oh it s a long list Lord Krishna gave Bhagavad Gita to us only to prepare us for His kiss The kind Lord almost whispered Bhagavad Gita in your ears Why Only to remove your hands from your cheeks So that He can kiss you with His beautiful lips I beg of you dears please remove your hands Once you taste His kiss everything else in the world will be insipid And that kiss can even transform an ugly frog into a handsome prince But once you taste that kiss you will never want to become a prince You will rather be a frog living in filth waiting for that kiss for all eternity The name Bhagavad Gita has been translated as The Divine Song Or The Song Celestial Or as The Song of Love Personally I will prefer to translate it as Krishna s Kiss Can you think of something better This is not a religious book but a book that will usher in a new religion a religion of love Lalitha Shivaguru Reviewer
