Alive Kicking:

A Kick in the Belly Stella Dadzie, 2021-10-12 The story of the enslaved West Indian women in the struggle for freedom The forgotten history of women slaves and their struggle for liberation Enslaved West Indian women had few opportunities to record their stories for posterity In this riveting work of historical reclamation Stella Dadzie recovers the lives of women who played a vital role in developing a culture of slave resistance across the Caribbean Dadzie follows a savage trail from Elmina Castle in Ghana and the horrors of the Middle Passage as slaves were transported across the Atlantic to the sugar plantations of Jamaica and beyond She reveals women who were central to slave rebellions and liberation There are African queens such as Amina who led a 20 000 strong army There is Mary Prince sold at twelve years old never to see her sisters or mother again Asante Nanny the Maroon the legendary obeah sorceress who guided the rebel forces in the Blue Mountains during the First Maroon War Whether responding to the horrendous conditions of plantation life the sadistic vagaries of their captors or the peculiar burdens of their sex their collective sanity relied on a highly subversive adaptation of the values and cultures they smuggled from their lost homes By sustaining or adapting remembered cultural practices they ensured that the lives of chattel slaves retained both meaning and purpose A Kick in the Belly makes clear that subtle acts of insubordination and conscious acts of rebellion came to undermine the very fabric of West Indian slavery **Martin Sherman** Tish

Peterson, 2010 There is no question that bringing men and women to new birth in Christ is essential But argues Eugene Peterson isn't it obvious that growth in Christ is equally essential Yet the American church does not treat Christian growth and character formation with equivalent urgency We are generally uneasy with the quiet obscure conditions in which growth takes place Building maturity in Christ is too often relegated to footnote status in the text of our lives In Practice Resurrection Peterson brings the voice of Scripture especially Paul's letter to the Ephesians and the voice of the contemporary Christian congregation together in understanding what is involved in the practice of becoming mature growing up to the stature of Christ International Association of Auto Theft Investigators , 2002-12-18 A history of the organization as well as member roster chapters in the IAATI and many photos **Common Enemy Volume 1** Marc Jones, 2009-03-19 The Resolution is a coming of age story about a young man's evolution into a warrior when his life is paused by a potentially lethal melee The consequences of betrayal distrust and weakness become the guidelines to his survival in an epic interpersonal war in which no one questions How far is too far Throughout his encounter with created and broken alliances Ricks' identity shapes itself from the ashes and his ever changing ideals tip the scales in favor of who will win and what the consequences for defeat will be Rick may be impulsive short sighted and violent but his life hangs on a quality that unifies many perseverance *The Better Mousetrap* Simon Pont, 2012-11-03 Advertising can be great Great advertising that is Brands live or die on the power of their advertising and the advertiser's role is to build better mousetraps But why do we love certain brands and passionately or indifferently reject the rest What do our brands say about us And why do we feel so compelled to use digital brands to say even more Advertising has always been the hard sell and subtle hustle that piques our interest and gets us thinking I WANT that but in a world that now moves with binary speed the Brand Game is taking ever new and remarkable turns in its pursuit of better and faster mice A provocative and insightful look at the chase The Better Mousetrap lifts the lid on the brand and advertising strategies of leading companies who in a world redefined by digital media are setting the best traps for these ever quicker mice **VISION OF LIFE** ARJU TIWARI, ANKIT SHEKHAWAT, 2022-02-17 VISION OF LIFE is a vision come true in which we two of us have really worked hard It's a book in which Arju and Ankit have synchronised all littered words of wonderful souls Some 40 plus writers all around the country have poured their hearts out creating an unending aroma of their words The two compilers have worked ardously to touch upon a wide range of issues from humanity life love etc in both Hindi and English language Vision of Life will surely alter the perspective towards life I hope it will add different flavours to your life Liquid Modernity Zygmunt Bauman, 2013-07-10 In this new book Bauman examines how we have moved away from a heavy and solid hardware focused modernity to a light and

liquid software based modernity This passage he argues has brought profound change to all aspects of the human condition The new remoteness and unreachability of global systemic structure coupled with the unstructured and under defined fluid state of the immediate setting of life politics and human togetherness call for the rethinking of the concepts and cognitive frames used to narrate human individual experience and their joint history This book is dedicated to this task Bauman selects five of the basic concepts which have served to make sense of shared human life emancipation individuality time space work and community and traces their successive incarnations and changes of meaning Liquid Modernity concludes the analysis undertaken in Bauman s two previous books Globalization The Human Consequences and In Search of Politics Together these volumes form a brilliant analysis of the changing conditions of social and political life by one of the most original thinkers writing today
