*All Aboard* James Godbold, 2003-08 In *All Aboard* Jim Godbold takes the reader on a unique and fascinating journey It s an excursion that starts in an era when money was scarce and the virtues of hard work and perseverance were necessities not mere suggestions In contrast to today s gotta have it now it s never enough world of materialism and instant gratification Jim offers us an enlightening and frequently humorous glimpse of a time when one s daily bread was not a foregone conclusion From his first job as an enterprising newspaper carrier to his incredible experiences in World War II combat in the Pacific to his entrepreneurial ventures in newspaper publishing and photography he tells a compelling and inspiring story of resourcefulness creativity and determination Along the way he richly affirms the incalculable value of family and friends Even though I have known and loved my friend Jim for many years it was a thrill to read the story behind his story discovering the events and people who helped to shape the man who realized his own American dream Robert J Tamasy *Whitaker's Books in Print*, 1998 **Monthly Catalogue, United States Public Documents**, 1994-11 **Catalog of Copyright Entries** Library of Congress.
