**A Hard Fought Ship** John A Rodgaard, 2024-06-30 Here is the exhaustive and exhilarating story of HMS Venomous one of sixty seven V W destroyers built at the end of the Great War that were to play a key role in the struggle to keep the sea lanes open in the Atlantic Home Waters and the Mediterranean during the following war Her story was perhaps the most memorable of all her class When war broke out she was to find herself in the front line as the German blitzkrieg swept across Europe in 1940 and the V Ws made high speed dashes across the Channel to bring troops and civilians back from Calais Boulogne and Dunkirk and prepared for the expected invasion Later that year she and her sister ships escorted the Atlantic convoys which supplied our Russian allies with the weapons to halt the German advance She returned to the Mediterranean and took part in Operation Pedestal to save Malta and as the allies prepared for the landings in North Africa she was ordered to escort the destroyer depot ship HMS Hecla to the invasion beaches When Hecla was torpedoed off the coast off Morocco Venomous fought the attacking U boat and rescued 500 survivors She escorted convoys along the coast of North Africa including the first through convoy from Gibraltar to Alexandria and she joined the invasion force to Sicily during Operation Husky In October 1943 she returned to Britain for a major refit at Falmouth when she was converted to an air target ship for training Barracuda torpedo bombers based at Douglas Isle of Man and then after being transferred to the east coast she was nearly lost in a hurricane before being sent to Kristiansand to accept the surrender of German naval forces Venomous and her sister ships were all scrapped after the War but her extraordinary career during which she fought without cessation is brought to life in this rousing and beautifully told ship biography a fitting memorial to the V Ws and the men who served in them I would rate this as being in the same class as *The Cruel Sea* for a picture of small ship life in World War Two *The Naval Review* A portrayal of life on a wartime destroyer with a depth and insight that is possible unequalled by any previously published work *Warship Annual* This book is outstanding for its detailed insight into the life on not just a single destroyer but by extension life at sea aboard and Royal Navy destroyer *The Northern Mariner* *A Hard Fought Ship* is a vivid portrait of a fighting vessel and the men who operated her *Warships International Fleet Review* Highly recommended to both naval historians and the general public *Mariner's Mirror* It is an exemplary ship biography where a detailed narrative of the destroyer's exploits are brought to life by a wealth of first hand accounts *Navy News* This book is a detailed and thrilling account of the life of a typical V W class destroyer *Sea Breezes*      *English All Around Us (D)* Sandi Ward, Annita Ward, Sean

Gale, et al.,2015-09-01 The English All Around Us D senior level textbook is designed to give English students practice in question types appearing on the TOEIC and in general English vocabulary and phrases that are useful for TOEIC preparation Each of the book s eighteen units concerns general topics similar to those found on the TOEIC The topics covered in English All Around Us D are Current Issues Business Travel People Health Economics Culture Environment Daily Life and Technology It is general language derived from these topics that provides many of English All Around Us D s test questions The level of language encountered in English All Around Us D is very similar to that found on the TOEIC it is generally at a higher level than that of English All Around Us A B or C However students preparing for TOEIC should remember that they are not required to know specialized business and technical vocabulary Accordingly English All Around Us D is not intended only to teach vocabulary and phrases but also to create through reading passages larger contexts where students will need to think about and respond to the topics herein
