Ballad Of A Stonepicker:

Ballad of a Stone-picker George Ryga, 1966 **The George Ryga Papers** University of Calgary. Libraries. Special Collections Division, Juanita Walton, Sandra Mortensen, Marlys Chevrefils, Apollonia Steele, 1995 **Progressive Heritage** James Doyle, 2006-01-01 Most critics and literary historians have ignored Marxist inspired creative literature in Canada or dismissed it as an ephemeral phenomenon of the 1930s Research reveals however that from the 1920s onward Canadian creative writers influenced by Marxist ideas have produced a quantitatively substantial and artistically significant body of poetry drama fiction and non fiction This book traces historically and evaluates critically this tradition with particular emphasis on writers who were associated with or sympathetic to the Communist Party of Canada After two chapters surveying the work of anti capitalist writers of the nineteenth and early twentieth centuries the book concentrates on the development of Marxist inspired writing from the 1920s to the end of the twentieth century Besides devoting attention to both social and theoretical backgrounds this study provides critical commentary on work by prominent writers who spent part of their literary careers as Communist Party members including Dorothy Livesay Patrick Anderson Milton Acorn and George Ryga as well as less well known but more fervent Communists such as Margaret Fairley Dyson Carter Joe Wallace Stanley Ryerson and Jean Jules Richard Although primarily concerned with the older generation of Marxists who flourished between the 1920s and the 1970s the book also includes a chapter on the post 1970s New Left [The Prairie Novels](#) George Ryga, 2004 This collection includes *Hungry Hills* *Ballad of a Stonepicker* and *Night Desk* *Dramatists in Canada* William H. New, William Herbert New, 1972 [The Paradoxes of Japan's Cultural Identity](#) Roy Starrs, 2025-10-01 Japan is widely regarded as having a unique culture and a strong national identity Paradoxically however many basic elements of Japanese culture are not originally Japanese Since the beginning of its history Japan has been one of the world s major importers of foreign cultures Its culture was thoroughly hybrid long before that word became fashionable in contemporary global studies But this does not mean that Japan s culture lacks originality The Japanese have always made strikingly original contributions even improvements to whatever they imported Even more significantly the hybridity of their culture produced ongoing tensions that served as a kind of creative dynamo for Japanese writers artists and intellectuals This book explores the fundamental creative tension between the native and the foreign in many areas of Japanese culture from politics and religion to art and literature a tension also often interpreted as between tradition and modernity *Unbound* Lisa Grekul, Lindy Ledohowski, 2016-01-01 What does it mean to be Ukrainian in contemporary Canada The Ukrainian Canadian writers in *Unbound* challenge the conventions of genre memoir fiction poetry biography essay and the boundaries that separate ethnic and authorial identities and fictional and non fictional narratives These intersections become the sites of new thought provoking and poignant creative writing by some of Canada s best known Ukrainian Canadian authors To complement the creative writing editors Lisa Grekul and Lindy Ledohowski offer an overview of the history of Ukrainian settlement in Canada

and an extensive bibliography of Ukrainian Canadian literature in English **Unbound** is the first such exploration of Ukrainian Canadian literature and a book that should be on the shelves of Canadian literature fans and those interested in the study of ethnic postcolonial and diasporic literature

Ballad of a Stonepicker George Ryga, 1976

The Ecstasy of Resistance James F. Hoffman, 1995 This is a comprehensive authorized biography of Canadian playwright George Ryga which includes substantial information pertaining to his life his works and to a degree the times in which he lived Beginning with a discussion of his Ukrainian forebears the work describes major events in Ryga's life especially as they relate to his writing in particular his better known theatrical works such as *Indian* and *The Ecstasy of Rita Joe* up to his death in 1987 Ryga is a problematic but important Canadian writer and a vital figure who had a troubled relationship with Canada based on his immigrant background his training and influences as a writer and his particular ideological beliefs

Made in British Columbia Maria Tippett, 2015-09-19 Is there such a thing as British Columbia culture and if so is there anything special about it This is the broad question Dr Maria Tippett answers in this work with an assured yes To prove her point she looks at the careers of eight ground breaking cultural producers in the fields of painting aboriginal art architecture writing theatre and music The eight creative figures profiled in *Made in British Columbia* are not just distinguished artists who made an enduring mark on Canadian culture during the twentieth century They are unique artists whose work is intimately interwoven with British Columbia's identity Emily Carr portrayed BC's coastal landscape in a manner as unique as her lifestyle Bill Reid's carvings jewellery and sculpture stand as a contemporary interpretation of his reclaimed Haida heritage The name Francis Rattenbury is less known than The Empress Hotel in Victoria one of many prominent BC buildings he designed while Arthur Erickson's modern architectural contributions are recognized worldwide Martin Allerdale Grainger's experience in the BC woods in the early days of hand logging inspired him to write one of the undisputed classics of BC fiction *Woodsmen of the West* Jean Coulthard struggled for respect as a female composer during the 1920s and 1930s in British Columbia but eventually proved her extraordinary musical talents internationally George Woodcock left Britain in 1949 to forge his career as an influential author editor mentor and tireless promoter of literary scholarship in the province while playwright George Ryga the son of Ukrainian immigrants exposed the anguish and reality of life for Native women in our cities with his 1967 play *The Ecstasy of Rita Joe* Featuring images of the artists and their works *Made in British Columbia* presents a history of the treasures found in our galleries concert halls theatres museums libraries and streetscapes and explores the legacy of a cultural tradition as unique as the place that nurtured it

macCLOUD FALLS Robert Alan Jamieson, 2017-08-14 In the summer of 2011 Gilbert Johnson an Edinburgh antiquarian bookseller suffering from cancer who has only ever travelled via books before decides to make one big journey while he is still fit enough to British Columbia on the trail of an early settler he believes may have been his runaway grandfather a man who went on to become important in the embryonic Indian Rights movement of the 20th century Flying over the Rocky Mountains he meets a fellow passenger a

Canadian woman so beginning a relationship that ultimately carries the two of them deep into the interior of the province macCLOUD FALLS is both an exploration of the Scottish colonisation of B C and a roadtrip romance full of humour rich characters and incident in the shadow of impending death **Recognition and Revelation** Margaret Laurence,2020-09-23 Margaret Laurence best known for her germinal novels set in the Canadian prairies is one of the nation s most respected authors She was also an accomplished essayist yet today her nonfiction writing is largely unavailable and therefore little known In Recognition and Revelation Nora Foster Stovel brings together Laurence s short nonfiction works including many that have not previously been collected and some that have never before been published These works including over fifty essays and addresses that span Laurence s writing career from the 1960s to the 1980s reveal her passionate concern for Canadian literature and for the land and peoples of Canada Based on extensive archival research Stovel s introduction contextualizes Laurence s nonfiction writings in her life as a creative artist and political activist and as a woman writing in the twentieth century The texts range from essays on Laurence s own writings and on other works of Canadian literature to autobiographical essays several focusing on environmental concerns to sociopolitical essays and writing advocating for peace and nuclear disarmament By revealing Laurence as a socially and politically committed artist this collection of lively and provocative essays illuminates the undercurrents of her creative writing and places her fiction often informed by her nonfiction writing in a new light **The Literary History of Alberta Volume Two** George Melnyk,1998 In this the companion to the landmark volume The Literary History of Alberta Volume One From Writing on Stone to World War Two George Melnyk examines Alberta literature in the second half of the twentieth century At last Melnyk argues Alberta writers have found their voice and their accomplishments have been remarkable The contradictory landscape the stereotypes of the Indian the Mountie and the Cowboy and the language of the Other speaking from the margins these elements all left their impressions on the consciousness of early Alberta But writers in the last few decades have turned this inheritance to their advantage to create compelling stories about this place and its people Today Melnyk discovers Alberta writers can appreciate not only this achievement but also its essential source the symbolic communication of Writing on Stone The Literary History of Alberta Volume Two extends the study of Alberta s cultural history to the present day It is a vital text for anyone interested in Alberta s vibrant literary culture The Canadian Encyclopedia James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE

and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

Aurora Morris Wolfe, 1978 **The Circus Performers' Bar** David Arnason, 1984 Witty and formally innovative stories that examine social political and sexual assumptions with an ironic eye **Journal of Canadian Fiction** , 1982 Chameleon & Other Stories William Gerald Schermbrucker, 1983 A collection of short stories about a young man growing up in Kenya during the time of Mau Mau The Con Man Ken Mitchell, 1979 **The Athabasca Ryga** George Ryga, 1990 Collection of Ryga s early work from his farm boy childhood to his struggles as a class conscious wage labourer
