life Bambi's story begins as a young deer living happily in the forest. But when winter comes, Bambi learns that the woods hold danger. The first snowfall makes food hard to find, so Bambi's father, a handsome stag, leaves Bambi and his mother alone to roam the forest. Then Man comes with weapons that can wound an animal, making Bambi afraid for himself and his loved ones. But Man can't keep Bambi from growing into a great stag himself and becoming the prince of the forest. Bambi eventually mates with the doe Faline and becomes a father himself to twins Geno and Gurri. The pair grow up and navigate the world of the woods. But for young fawns, the wild can be dangerous. And when the family begins to splinter apart, it falls to Bambi to set things right again. This charming paperback hardcover includes *Bambi*, *Bambi's Children*, **Bambi** Marjorie Benton Cooke, Mary Greene Blumenschein, 2024-10-24. *Bambi* by American author Marjorie Benton Cooke is a classic book of romance and comedy, first published in 1914. A celebrated American novel classic filled with humor, wit, and charm about a young woman who impulsively marries a struggling playwright and becomes his partner in life and work. *Bambi* is the story of a spirited and unconventional heroine who defies the expectations of her society and family. *Silicon Valley Affair* R. G. Armstrong, 2000-11. Brad and Jane Holmes are both experiencing a midlife re-evaluation. Brad's venture capital business in Menlo Park has recently catapulted him into the rarefied billionaire status. At the peak of his career, he feels something is still missing in his life. Jane Holmes, a beautiful ageing model, is lonely and bored with her life. She too wishes to make her life somehow more fulfilling and contemplates opening an art gallery in Palo Alto. The Silicon Valley backdrop provides all who are interested some insight into the San Francisco Peninsular lifestyle, complete with the happening restaurants and increasingly hectic atmosphere. Two beautiful people search for fulfillment outside their marriage in one of the wealthiest and most influential areas in the world. **Jeb Loves Bambi** Diane Marie, 2025-01-15. *Jeb Loves Bambi* is a personal experience I encountered on my daily walk in the early summertime. Country living has many benefits with the great outdoors. While your neighbors may live miles away, there are inhabitants in your neighborhood you may or may not even see, but they see you. Some are nocturnal, while others can be clearly seen in daylight. Most all animals operate in the realm of being free, and we call them wild, as they will indeed run away from you. They are different from domesticated animals; however, on occasion, there are some who do not have that fear of mankind. And God said, "Let the land produce living creatures according to their kinds: livestock, creatures that move along the ground, and wild animals, each according to its kind." And God saw that it was good. Genesis 1:24. The B.A.M.B.I. Syndrome Alton Higgins, 2000-08-10. *The B A M B I Syndrome* is a mystery adventure thriller that tells a story of greed, power, manipulation, and corruption within a seemingly innocuous organization. The Admiral, the Godfather of B A M B I, skillfully dupes his thousands of well-meaning members out of millions of dollars, and when about to be exposed, he engineers a diabolical scheme to save himself, his organization, and his already tattered reputation. Innocent people as well as zealots bent on preserving their twisted beliefs die in the beautiful Adirondack Mountains before this complex mystery reveals its surprising outcome. **Multidisciplinary Representations of Home and Homeland in**
