**Europa Publications**

## **Bandits Peasants And Politics:**

**Bandits, Peasants, and Politics** Gonzalo Sánchez G., Donny Meertens, 2001-03-15 a comparative analysis of the bandit groups that characterized the last phase 1958 65 of the civil commotion known as the Violence in Columbia a virtual civil war that began in 1946 *South America, Central America and the Caribbean 2003* Europa Publications, 2002 Introductory surveys cover topics of regional importance individual country chapters include analysis statistics and directory information plus information on regional organizations

**The Politics of Aristocratic Empires**, 1997-01-01 The Politics of Aristocratic Empires is a study of a political order that prevailed throughout much of the world for many centuries without any major social conflict or change and with hardly any government in the modern sense Although previously ignored by political science powerful remnants of this old order still persist in modern politics The historical literature on aristocratic empires typically is descriptive and treats each empire as unique By contrast this work adopts an analytical explanatory and comparative approach and clearly distinguishes aristocratic empires from both primitive and more modern commercialized societies It develops generalizations that are supported and richly illustrated by data from many empires and demonstrates that a pattern of politics prevailed across time space and cultures from ancient Egypt five millennia ago to Saudi Arabia five decades ago from China and Japan to Europe from the Incas and the Aztecs to the Tutsi Kautsky argues that aristocrats because they live off the labor of peasants must perform the primary governmental functions of taxation and warfare Their performance is linked to particular values and beliefs and both functions and ideologies in turn condition the stakes the forms and the arenas of intra aristocratic conflict the politics of the aristocracy The author also analyzes the roles of the peasantry and the townspeople in aristocratic politics and shows that peasant revolts on any large scale occur only after commercial modernization He concludes with chapters on the modernization of aristocratic empires and on the importance in modern politics of institutional and ideological remnants of the old aristocratic order

**Peasants, Prophets, and Political Economy** Marvin L. Chaney, 2017-10-12 Contents 1 Ancient Palestinian Peasant Movements and the Formation of Premonarchic Israel 2 Joshua 3 Coveting Your Neighbor's House in Social Context 4 Systemic Study of the Israelite Monarchy 5 Debt Easement in Israelite History and Tradition 6 The Political Economy of Peasant Poverty 7 Bitter Bounty The Dynamics of Political Economy Critiqued by the Eighth Century Prophets 8 Whose Sour Grapes The Addressees of Isaiah 5 1 7 9 Accusing Whom of What Hosea's Rhetoric of Promiscuity 10 Producing Peasant Poverty Debt Instruments in Amos 2 6b 8 13 16 11 Micah Models Matter Political Economy and Micah 6 9 15 12 Review of Roland Boer The Sacred Economy

**Bandits and Politics in Peru** Lewis Taylor, 1987 **Politics, Conflict, and Movements in First-Century Palestine** Richard A. Horsley, 2023-09-28 This volume brings together groundbreaking essays that laid the foundations of several of Horsley's later works The initial aims of these essays were first to ferret out evidence from our sources primarily from the histories of Josephus evidence for the lives of ordinary people living in Judean and Galilean villages A second purpose was to

explore as precisely as possible the fundamental conflictual division between the Roman Herodian and high priestly rulers in Palestine and the Judean and Galilean villagers they ruled A third purpose was to explore more particularly how the popular and scribal opposition to the rulers was manifested in a remarkable diversity of movements and their leaders And the fourth purpose entailed in the first two was to wriggle out from under some of the controlling constructs of New Testament biblical studies that had been hiding the considerable complexity of the historical context This was necessary even to begin to discern more precisely the fundamental political economic religious conflict between the rulers and the villagers manifested in a diversity of social movements attested in the sources

**Transforming Violent Political Movements** Kevin E.

Grisham,2014-03-21 This book explores the factors that influence violent rebellious political organisations to transform into other entities such as political parties criminal organisations and terrorist organisations From the end of the Second World War until 1990 many events in the world centred on the bipolar struggle between the United States and the USSR Although there were numerous civil wars occurring during the Cold War era many of these conflicts went virtually unnoticed unless they were linked to the Cold War struggle for ideological dominance In the aftermath of the fall of the Soviet Union the number of intra state conflicts was prevalent around the globe Along with the occurrence of civil wars a variety of violent political movements also developed Examining cases from Latin America Africa Europe and Asia this book addresses how violent political movements transform during and after conflict into new types of organisations using the collective political violence transformative CPVT model The study uses a combination of pre existing literature from the fields of sociology and political science archival research and interviews with movement members former and active conducted by the author In studying the Provisional IRA and Sinn F in the Spear of the Nation MK and the African National Congress ANC the Abu Sayyaf Group and the Revolutionary Armed Forces of Colombia FARC EP Transforming Violent Political Movements paints a picture of organisations that have to respond to their environments to survive This book will be of much interest to students of political violence terrorism war and conflict studies security studies and IR

**Latin American Peasants** Tom

Brass,2004-08-02 The essays in this collection examine agrarian transformation in Latin America and the role in this of peasants with particular reference to Bolivia Peru Chile Brazil and Central America Among the issues covered are the impact of globalization and neo liberal economic policies

**Bandits in Republican China** Phil Billingsley,1988 A study of

banditry in Republican China describing the cycles whereby banditry spread from the impoverished margins geographically and socially of late Qing society into entire provinces by the 1920s

**The Cambridge History of Terrorism** Richard English,2021-05-20 An accessible authoritative history of terrorism offering systematic analyses of key themes problems and case studies from terrorism s long past

**A History of Political Murder in Latin America** W. John Green,2015-04-27 This expansive history depicts Latin America s pan regional culture of political murder Unlike typical studies of the region which often focus on the issues or trends of individual countries this work focuses thematically on the nature of political murder

itself comparing and contrasting its uses and practices throughout the region W John Green examines the entire system of political murder the methods and justifications the perpetrators employ the victims and the consequences for Latin American societies Green demonstrates that elite and state actors have been responsible for most political murders assassinating the leaders of popular movements and other messengers of change Latin American elites have also often targeted the potential audience for these messages through the region s various dirty wars In spite of regional differences elites across the region have displayed considerable uniformity in justifying their use of murder imagining themselves in a class war with democratic forces While the United States has often been complicit in such violence Green notes that this has not been universally true with US support waxing and waning A detailed appendix exploring political murder country by country provides an additional resource for readers

Banditry in the Medieval Balkans, 800-1500 Panos Sophoulis, 2020-10-28 This book explores the history of banditry in the medieval Balkans between the ninth and fifteenth centuries While several scholars have recognized the problems which various outlaw groups caused in the region during the Middle Ages few have given much attention to the bandits themselves their origins their reasons for taking up brigandage and the steps taken by the central authorities to control their activity Among other things this book identifies three main sources of banditry shepherds soldiers and peasants Far from being lone wolves these men operated within well defined social networks Poverty played a decisive role in driving them to a life of crime but there is strong evidence to suggest that the growing economic prosperity in parts of the Balkans from the ninth century onwards may have also contributed to the rise of the phenomenon

*Culture and Political Economy in Western Sicily* Jane Schneider, Peter Schneider, 2013-10-22 Culture and Political Economy in Western Sicily presents the relationship between the early colonial period a time when Sicily exported wheat and animal products and a later neocolonial period during which manpower is the principal energy loss The book discusses the rise and development of the Mafia cultural codes that are important to contemporary social Sicilian organization and the origins of these codes in early adaptations of the Sicilian people to externally generated political and economic forces The text will be of value to sociologists economists historians and people who want a deeper understanding of the Mafia

**The Tradition of Resistance in Mozambique** Allen F. Isaacman, Barbara Isaacman, 1976

**A Micro-Sociology of Violence** Jutta Bakonyi, Berit Bliesemann de Guevara, 2014-06-11 This book aims at a deeper understanding of social processes dynamics and institutions shaping collective violence It argues that violence is a social practice that adheres to social logics and in its collective form appears as recurrent patterns In search of characteristics mechanisms and logics of violence contributions deliver ethnographic descriptions of different forms of collective violence and contextualize these phenomena within broader spatial and temporal structures The studies show that collective violence at least if it is sustained over a certain period of time aims at organization and therefore develops constitutive and integrative mechanisms Practices of social mobilization of people and economic resources their integration in functional structures and the justification or legitimization of these structures sooner

or later lead to the establishment of new forms of violent orders be it at the margins of or beyond the state Cases discussed include riots in Gujarat India mass violence in Somalia social orders of violence and non violence in Colombia humanitarian camps in Uganda trophy taking in North America and violent livestock raiding in Kenya This book was originally published as a special issue of Civil Wars The Mulatto Republic April J. Mayes,2022-04-19 Impels the reader to not lean solely on the crutch of Dominican anti Haitianism in order to understand Dominican identity and state formation Mayes proves that there was a multitude of factors that sharpen our knowledge of the development of race and nation in the Dominican Republic Millery Polyn author of From Douglass to Duvalier A fascinating book Mayes discusses the roots of anti Haitianism the Dominican elite and the ways in which race and nation have been intertwined in the history of the Dominican Republic What emerges is a very interesting and engaging social history Kimberly Eison Simmons author of Reconstructing Racial Identity and the African Past in the Dominican Republic The Dominican Republic was once celebrated as a mulatto racial paradise Now the island nation is idealized as a white Hispanic nation having abandoned its many Haitian and black influences The possible causes of this shift in ideologies between popular expressions of Dominican identity and official nationalism has long been debated by historians political scientists and journalists In The Mulatto Republic April Mayes looks at the many ways Dominicans define themselves through race skin color and culture She explores significant historical factors and events that have led the nation for much of the twentieth century to favor privileged European ancestry and Hispanic cultural norms such as the Spanish language and Catholicism Mayes seeks to discern whether contemporary Dominican identity is a product of the Trujillo regime and therefore only a legacy of authoritarian rule or is representative of a nationalism unique to an island divided into two countries long engaged with each other in ways that are sometimes cooperative and at other times conflicted Her answers enrich and enliven an ongoing debate Publication of this digital edition made possible by a Sustaining the Humanities through the American Rescue Plan grant from the National Endowment for the Humanities *The study of an Italian village* A. L. Maraschini,2019-01-01 To celebrate the 270th anniversary of the De Gruyter publishing house the company is providing permanent open access to 270 selected treasures from the De Gruyter Book Archive Titles will be made available to anyone anywhere at any time that might be interested The DGBA project seeks to digitize the entire backlist of titles published since 1749 to ensure that future generations have digital access to the high quality primary sources that De Gruyter has published over the centuries **Encyclopedia of Crime and Punishment** David Levinson,2002 Authoritative and comprehensive this multivolume set includes hundreds of articles in the field of criminal justice Impressive arrays of authors have contributed to this resource addressing such diverse topics as racial profiling money laundering torture prisoner literature the KGB and Sing Sing Written in an accessible manner and attractively presented the background discussions definitions and explanations of important issues and future trends are absorbing Interesting sidebars and facts reference lists relevant court cases tables and black and white photographs supplement the entries Appendixes cover careers

in criminal justice Web resources and professional organizations A lengthy bibliography lists relevant works The Best of the Best Reference Sources American Libraries May 2003      **Palestine in the Time of Jesus** K. C. Hanson, Douglas E. Oakman, 2008-07-15 Hanson and Oakman s award winning and enormously illuminating volume quickly has become a widely used and cited introduction to the social context of the early Jesus movement This new printing augments the text with multiple features on an accompanying CD ROM      **Peasants, Political Police, and the Early Soviet State** H. Hudson, 2011-12-15 This book combines social and institutional histories of Russia focusing on the secret police and their evolving relationship with the peasantry Based on an analysis of Cheka OGPU reports it argues that the police did not initially respond to peasant resistance to Bolshevik demands simply with the gun rather they listened to peasant voices
