Foreign Devil Girl in Hong Kong Ruth Epp,2012-10-01 Early in 1959 Ruth left her home on the South Dakota prairies and traveled by cargo ship to Hong Kong on the south coast of China She was answering a call from God The ship's officers smiled in amusement and asked What do you think a twenty two year old girl like you can do in Hong Kong She thought she knew until she found herself a foreign devil girl surrounded by poor working class people whose language culture and life experiences were totally foreign to her God was her only confidante and friend as she struggled to learn how to fulfill her mission Cantonese is one of the most difficult Chinese dialects to learn and her teacher didn't know a word of English Her attempts to speak sometimes provoked outbursts of hilarious laughter Such experiences showed her some surprising things about herself and increased her determination to learn to speak Cantonese perfectly Unexpectedly challenging questions were raised about the God she introduced and she was hard pressed to find convincing answers But God blessed her efforts to bring people to him and helped her as she took time to re-evaluate her own faith The author tells her story honestly just as she did long ago in her journal when she recorded the lessons she learned through the successes and failures joys and sorrows of her first four and a half years in Hong Kong Her writing gives us an inspiring view of a real God at work in the life of a real person

God, the Devil, and Darwin Niall Shanks,2007-03-15 In recent years a controversial new theory of the origins of biological complexity has been fomenting bitter debates in education and science policy Intelligent Design theory ID proposes an alternative to accepted accounts of evolutionary theory that life is so complex and that the universe is so fine tuned for the appearance of life that the only plausible explanation is the existence of an intelligent designer For many ID theorists the designer is taken to be the God of Christianity This book is an accessible introduction to and critique of this controversial new movement After looking at the historical roots of ID philosophy of science professor Shanks takes a hard look at its intellectual underpinnings and shows how arguments for ID lack cohesion rest on errors and unfounded

suppositions and generally are grossly inferior to evolutionary explanations From publisher description **The Devil in Brisbane** Zoran Zivkovic,Geoffrey Maloney,2005-01-01 The Devil in Brisbane is an anthology alive with all of the spontaneity cunning wild imagination and artifice of it s namesake Zoran Zivkovi has conjured thirty tales of sardonic splendor from Australian writers both new and more established In this case the Devil is most definitely in the details Jeffrey Ford author of The Portrait of Mrs Charbuque **Creation: The Untold Mystery of Man and the Devil** Leo Moore,2016-05-06 Message from The Most High Tribute to Mother Earth and Mother Nature Leo Moore Forgive them Mother Earth for they know not what they do Forgive those fools Mother Earth who showed no respect for you For if Mother Nature sends destruction as a natural attack No one would blame her for getting those humans off your back Your air was so pure so clear and so clean Your vegetation was so fresh and so green They are dying today from too much pollution I hope someone will soon find a solution Your rivers your lakes your oceans and your seas So blue and so cool like a midsummer s breeze Please don t pollute our waters you humans I plead With all the waste that big business don t need Forgive them Mother Earth for they know not what they do Forgive those fools Mother Earth who showed no respect for you For if Mother Nature sends destruction as a natural attack No one would blame her for getting those humans off your back [San Diablo, The Devil's Haven](#) S.H.J Walton,2023-06-23 They had all heard the rumours about the place of course but they had dismissed them as jailhouse myth and bullshit a place where the prison doctor would pronounce you dead and you would disappear from heart and memory and enter into Hell on Earth as the warden s guest in San Diablo the devil s haven The Devil s Haven is set in the middle of the baking hot desert Hidden far from public view and scrutiny resides the top level top secret super max correctional facility a warehouse of sorts for the very worst of the worst of humanity s dregs and gangsters those sentenced to death for their heinous crimes those that no one would miss Through twists and intrigue it soon becomes clear that all is not as it seems at San Diablo neither is the hyper sadistic warden nor his new guest the bizarre and enigmatic high profile inmate en route to the hell pit or the mysterious CIA super agents entirely as they seem at the Devil s Haven San Diablo
