Michael L. Brown,2014-01-07 The great deception of the 21st century At a time when the church needs an urgent wake up call and a fresh encounter with Jesus the hyper grace message is lulling many to sleep Claiming to be a new revelation of grace this teaching is gaining in popularity but is it true Or is the glorious truth of grace being polluted by errors leading to backsliding compromise and even the abandonment of faith Hyper Grace looks at the major teachings put forth by many adherents of this grace reformation and prayerfully compares those teachings with the Word of God answering questions such as How do our sins affect our relationship with God What is the relevance of the Old Testament to our faith What does Jesus actually have to say about grace Without watering down the Bible's true message of grace Michael Brown gives you the facts demonstrating the dangers of this seductive message and showing you how to keep from being taken in [Follow Me](#) J

Lee Grady,2022-02-01 God has placed the next generation into our hands Who will raise them up if the church does not This book will teach you how to effectively mentor the next generation of Christians You will learn how to disciple others in their faith while getting outside of your comfort zone to increase your relationship with God If we want to change the world with the gospel we must stop focusing on crowds and events and reclaim Jesus method of relational discipleship Jesus final mandate to His followers was Go and make disciples yet today most of the church is oblivious to what discipleship is and few

Christians are actually investing their lives in helping other believers grow spiritually A vast paradigm shift is needed in the church today in order to reach the next generation and advance the gospel in the twenty first century In Follow Me J Lee Grady uses many New Testament examples as well as his own experience in mentoring dozens of young leaders and a clear strategy for discipling others that can be used by individuals and churches Grady makes a compelling case that Christianity was never intended to be a spectator sport where huge crowds sit and listen to one preacher on a Sunday Jesus intended all believers to engage in ministry and this includes the work of discipling other believers So many Christians today live in a box of limitation We must understand that the Christian life is an adventure of the Holy Spirit working through them This book will help believers get out of that box and begin the exciting adventure of spiritual multiplication *David The Great* Mark Rutland, 2018-05-01 KING DAVID was a complicated conflicted man of flesh But too often he is viewed as an Americanized shepherd boy on a Sunday school felt board or a New Testament saint alongside the Virgin Mary Not only does this neglect one of the Bible s most complex stories of sin and redemption it also bypasses the gritty life lessons inherent in the amazing true story of David Mark Rutland shreds the felt board character breaks down the sculpted marble statue and unearths the real David of the Bible Both noble and wretched neither a saint nor a monster at times victorious and other times a failure David was through it all a man after God s own heart
