Our Last Great Hope Dr. Ronnie Floyd,2011-09-05 Every day we encounter scores of people headed to an eternity without God What will it take to wake us up to their desperate need for a Savior While the earth s time clock ticks away well meaning Christians go to church pay their tithes and pray for foreign missionaries going through the motions of Christian life as millions face an eternity without God If heaven is indeed for real and only those who have put their faith in Christ will be given entrance shouldn t we be making the most of every opportunity to share the Gospel the last great hope for all the world Join pastor Ronnie Floyd as he challenges readers to face reality and begin a global movement to reach the lost He says God is calling us to an awakening regarding his most urgent command found in Matthew 28 19 to go and make disciples of all nations This Great Commission is the compelling charge given to us with divine authority by our Commander in Chief Jesus Christ Our Last Great Hope will move us beyond casual and theoretical talk about the Great Commission and lead us into a Great Awakening This book could revolutionize the way we think Read it and be inspired changed and equipped Bruce Wilkinson best selling author of The Prayer of Jabez Floyd challenges us to engage the next generation a must read Greg Surratt lead pastor of Seacoast Church and author of IR REV REND This book inspires me to do extraordinary things through my most ordinary life Our Last Great Hope should be your fi rst required read Leonard Sweet best selling author of Jesus Manifesto Our Last Great Hope pushes us beyond predictability and points us to a deep intimate knowledge of why we are here Ed Young Jr pastor of Fellowship Church and author of Outrageous Contagious Joy I ll be pulling this book off my shelf again and again Pete Wilson author of Plan B and Empty Promises This book is an energizing wake up call to today s churches Ed Stetzer director of LifeWay Research **Our Hope The Kingdom** Ken Stewart,2014-04 Our Hope is meant to be easily understood by anyone Christian or non Christian It can be read cover to cover used as a reference or used as a group Bible study guide Over 1 200 scripture verses from the NEW AMERICAN STANDARD BIBLE R are included so references can be read as part of the text without interrupting your reading to consult a Bible While the Kingdom of God is a mainstream Christian doctrine very few lay people understand it To the majority of people the afterlife is a great mystery However the Bible clearly lays out what the hope is of those who enter into a relationship with Jesus Christ He is the Messiah and will return as King to set up His Kingdom He is also our Savior and 2 000 years ago He died to cleanse us all from all sins Our Hope explains how the Kingdom is the thread that ties all of the books of the Bible together Our Hope covers the importance of the covenants how the conscience can interfere with your daily walk how communion is to remind us of the Kingdom and when and how we will be judged It also discusses important concepts like salvation judgment outer darkness

and much more So many various doctrines revolve around salvation mainly because the hope of the Kingdom is misunderstood No matter where you stand doctrinally this informative guide will help you understand the Gospel more clearly

HOPE Jean Estelle,2021-01-24 In the subterranean depths Juniper Mikah clings to life alongside the remnants of humanity The surface once teeming with vitality now lies scorched and barren a testament to the final World War the cataclysmic Nuclear War that drove survivors underground Three centuries have passed since that fateful conflict and the truth remains veiled in shadows No one speaks of how it began or why but whispers echo through the dim corridors On June 30th Juniper faces her reckoning Seventeen years old she steps into the procession the first half of her peers bound for Discovery There is no choice compliance is the currency of survival Going to Discovery very well may mean severing ties with family forever The day of departure becomes the day of farewell a heart wrenching parting If you fail you die tossed into the radiation Discovery awaits those deemed of age by the council Six months stretch ahead a narrow window to prove worthiness to unravel the mystery of her father's disappearance Fail and the compound's gates expel you to the radiation soaked wasteland above a realm where death dances on every particle of dust Resources are scarce compassion scarcer still Within Discovery's chambers Juniper unearths more than knowledge She uncovers the council's web of deceit spun by Jaila the enigmatic leader Her clandestine mission to uncover her father's fate becomes an obsession Melanie a ready ally stands by her side Together they peel back layers of lies revealing the horrors hidden within the Compound's walls In this world compliance is survival and defiance courts death Juniper's journey will lead her to shocking truths and love fierce and forbidden will ignite against the backdrop of despair

A Breath of Hope Robert E Taylor, 2011-08-06 The Humals Humanoid Aliens They dominated the spiral arm millennia ago then vanished without trace Man had found traces of their presence reverse engineered their technology and speculated endlessly about their demise But no one really knew what had happened No one knew why they had disappeared or why so few traces of them remained For James Hamilton the Humals were not something he concerned himself about Not that is until a billionaire philanthropist seeks him out with a proposition he can't ignore It started out as the offer of a lifetime A way to finally end all his financial concerns and to do something good for humanity into the bargain But as Hamilton was well aware if something sounds too good to be true then it usually means trouble Suspicious Hamilton

fears the worst and plans accordingly but even he is unprepared for the events that will follow With precious few allies and more questions than answers Hamilton must desperately try to piece together the clues in order to understand what is going on before it is too late For what starts out as a journey for the betterment of mankind may well sow the seeds of its destruction
