**The heart of Africa. Three years' travels and adventures in the unexplored regions of Central Africa, from 1868 to 1871** Georg August

Schweinfurth,1874 *Anthropology and Alterity* Bernhard Leistle,2016-12-08 Alterity or otherness is a central notion in cultural anthropology and philosophy as well as in other disciplines While anthropology with its aim of understanding cultural difference tends to take otherness as a fact there have been vigorous attempts in contemporary philosophy particularly in phenomenology to answer the fundamental question What is the Other This book brings the two approaches to otherness the hermeneutical pragmatics of anthropology and the radical reflection of philosophy together with the goal of enriching one through the other The philosophy of the German phenomenologist Bernhard Waldenfels up to now little known to anthropologists has a central position in this undertaking Waldenfels s concept of a responsivity to the Other offers to cultural anthropology the possibility of a philosophical engagement with the Other that does not contradict the project of making sense of concrete empirical others The book illustrates the fertility of this new approach to alterity through a broad spectrum of themes ranging from reflections on theory formation via discussions of race and human animal relations to personal meditations on experiences of alterity *Encyclopedia of American Short Films, 1926-1959* Graham

Webb,2020-07-27 Short subject films have a long history in American cinemas These could be anywhere from 2 to 40 minutes long and were used as a filler in a picture show that would include a cartoon a newsreel possibly a serial and a short before launching into the feature film Shorts could tackle any topic of interest an unusual travelogue a comedy musical revues sports nature or popular vaudeville acts With the advent of sound on film in the mid to late 1920s makers of earlier silent short subjects began experimenting with the short films using them as a testing ground for the use of sound in feature movies After the Second World War and the rising popularity of television short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s **Faith Of An Atheist** Floyd C McElveen,2011-01-13

Author Floyd C McElveen heard men crying out for God when a Kamikaze suicide plane hit his ship in WWII Several different

Religions tried to convince him that they had the answers Vocal Atheists claimed Evolution was a fact and that God did not exist at all This created an intense desire in McElveen to find out the truth With his brilliant mind and deductive reasoning McElveen began a sincere journey to discover who was right Faith of an Atheist is a powerhouse book with scientific and logical explanations providing a sound foundation for its conclusions McElveen s skill at communicating resonates with truth that is revealing and soul searching With over 1 million books in print he is clearly a diligent researcher and well respected author
