

Alcorn State University

Dave Blevins

Alcorn State University:

Against Great Odds Josephine McCann Posey, 1994 Struggling against great odds has remained one of Alcorn's hallmarks. This comprehensive history shows the university moving confidently into the twenty-first century proud of its distinctive heritage and intent on removing obstacles that threaten to check a long established tradition of excellence. Alcorn State University and the National Alumni Association Josephine McCann Posey, 2000 In 1871 Mississippi Governor James L. Alcorn recommended that the state legislature support the formation of Alcorn University. The campus of Oakland College, a school founded by the Presbyterian Church in 1830, had been abandoned after the Civil War and was purchased for forty thousand dollars and designated for the education of black youth. The school became Alcorn Agricultural and Mechanical College in 1878 and Alcorn State University in 1974. In this unique pictorial retrospective over one hundred years of growth and change at Alcorn are explored and celebrated. Included within these pages are vintage photographs of the students and faculty that have shaped the school's history. From early classes and sporting events to distinguished alumni and prominent leaders, the images depict a university continually striving to educate, train, and inspire young African Americans. Alcorn's picturesque campus, with moss-draped trees and scenic lakes, provides a setting where for over a century students have been given a multitude of opportunities to grow. The first land grant institution for blacks in the United States, Alcorn is a public university committed to academic excellence. The challenges faced by its students and faculty in its earliest days brought forth an unyielding determination to succeed, which is still evident today among its diverse student body. **Jet**, 2003-04-28 The weekly source of African American political and entertainment news. *Jet*, 2006-09-11 The weekly source of African American political and entertainment news. *Succeeding against Great Odds* Josephine McCann Posey, 2017-06-27 Alcorn State University was founded in 1871, making it the oldest public historically black land grant institution in the United States. Alcorn has undergone numerous changes and expansions over the years and it continues to produce notable alumni and scholars in more than fifty fields. *Succeeding against Great Odds* covers nearly a quarter of a century since Josephine McCann Posey's first institutional history of Alcorn, *Against Great Odds: The History of Alcorn State University*. This new book briefly summarizes the first 123 years of Alcorn's history. The volume then explores the tenure of three interim and/or acting presidents: Drs. Rudolph E. Waters Sr., Malvin A. Williams Sr., and Norris A. Edney Sr., with Edney serving twice and permanent presidents Drs. Clinton Bristow Jr., George E. Ross M., Christopher Brown II, and Alfred Rankins Jr., who have all served since *Against Great Odds* was published in 1994. This comprehensive narrative shows the university confidently advancing in the twenty-first century, proud of its distinctive heritage and intent on overcoming obstacles to continue a long tradition of excellence. *Succeeding against Great Odds* includes numerous appendices to document the illustrious history of Alcorn, its accomplishments, and particularly the people who have shaped the institution.
