Victoria Arana, 2008 The Facts On File Companion to World Poetry 1900 to the Present is a comprehensive introduction to 20th and 21st century world poets and their most famous most distinctive and most influential poems **A History of Russian Symbolism** Ronald E. Peterson, 1993 The era of Russian Symbolism 1892 1917 has been called the Silver Age of Russian culture and even the Second Golden Age Symbolist authors are among the greatest Russian authors of this century and their activities helped to foster one of the most significant advances in cultural life in poetry prose music theater and painting that has ever been seen there This book is designed to serve as an introduction to Symbolism in Russia as a movement an artistic method and a world view The primary emphasis is on the history of the movement itself Attention is devoted to what the Symbolists wrote said and thought and on how they interacted In this context the main actors are the authors of poetry prose drama and criticism but space is also devoted to the important connections between literary figures and artists philosophers

and the intelligentsia in general This broad detailed and balanced account of this period will serve as a standard reference work and encourage further research among scholars and students of literature *Beyond the Flesh* Jenifer

Presto, 2009-01-15 Though the Russian Symbolist movement was dominated by a concern with transcending sex many of the writers associated with the movement exhibited an intense preoccupation with matters of the flesh Drawing on poetry plays short stories essays memoirs and letters as well as feminist and psychoanalytic theory *Beyond the Flesh* documents the often unexpected form that this obsession with gender and the body took in the life and art of two of the most important Russian Symbolists The Poetry of Anna Akhmatova Alexandra Harrington, 2006-05-01 This book outlines a fresh and coherent

framework for the apprehension of Akhmatova's oeuvre in its totality seeing her as a poet who moves beyond modernism in her later period The appeal to postmodernism which is in itself innovative with regard to Akhmatova studies also allows exploration of a second problematic issue how to account for the shift in self presentation in the later verse and the different concept of poetic self which it advances This new account of Akhmatova's path to maturity challenges the conventional view of the early Akhmatova as poet in the classical Russian tradition and of the later Akhmatova as paradigmatically modernist

Russia and Eastern Europe, 1789-1985 Raymond Pearson, 1989 Alexander Blok Avril Pyman, 2014-05-16 Alexander Blok *Selected Poems* showcases the artistic nature of Blok through his poems The book first presents verses from the collection *Ante Lucem* and poems of the 1905 revolution Verses lifted from the two collections are presented The poems cover various topics and were accomplished in different time frames Although portions of the poems are only presented they have managed to illustrate the creative mind of Blok The text also highlights the works of Blok in English French German Italian and Russian An index of first lines and titles are also presented The book is a fine reference for students of poetry and researchers interested in the works and contributions of Blok in poetry *Inscription and Modernity* John Kenneth

MacKay, 2006-09-19 *Inscription and Modernity* charts the vicissitudes of inscriptive poetry produced in the midst of the great and catastrophic political social and intellectual upheavals of the late 18th to mid 20th centuries Drawing on the ideas of Geoffrey Hartman Perry Anderson Fredric Jameson and Jacques Rancière among others John MacKay shows how a wide range of Romantic and post Romantic poets including Wordsworth Clare Shelley Hölderlin Lamartine Baudelaire Blok Khlebnikov Mandelstam and Rolf Dieter Brinkmann employ the generic resources of inscription both to justify their writing and to attract a readership during a complex historical phase when the rationale for poetry and the identity of audiences were matters of intense yet productive doubt Die russische Lyrik Bodo Zelinsky, 2002 Der erfasste zeitliche Rahmen spannt sich von der Mitte des 18. bis zum Ende des 20. Jahrhunderts from Vorwort p vi Princeton Alumni Weekly, 1962
