Albert Oehlen:

Albert Oehlen Boxed Edition Klaus Kertess, Albert Oehlen, John Corbett, Roberto Ohrt, 2009 Limited to 1 000 copies each numbered and signed by the artist each signed by the artist Often wryly funny and just as smart Albert Oehlen's paintings play the medium for all it's worth After an early realization that the so called death of painting actually freed his enthusiasm as to the number of aspects through which one could expand painting Oehlen got to work on a wide variety of figurative and non objective offerings in what he has called his post non representational art In his most recent work group Oehlen expands painting through the use of blatant advertising posters whose in your face aesthetics he transforms with subtle brushwork Never without a touch of tongue in cheek humor his work seems to be winking at us as it dares us to change the way we look at an image Klaus Kertess throws a light on the years from 1988 onwards when Oehlen saw himself self consciously as a painter and started his first abstract works then continued to probe the limits of the medium Albert Oehlen Skarstedt, 2019-12 Albert Oehlen Massimiliano Gioni, Fredi Fischli, Niels Olsen, Mark Godfrey, Anne Pontégnie, 2015 Surveying the past thirty years of his career and demonstrating his immeasurable influence on contemporary painting Albert Oehlen Home and Garden comprises paintings drawings and prints from the artist's most important bodies of work From the beginning of his career Oehlen set himself the task of exploring the language structures and experiences of painting He has managed to reinvigorate the genres of portraiture collage and gestural abstraction in work that deploys a staggering range of imagery and techniques Oehlen's canvases capture haunting interiors mutating self portraits archaic and digital landscapes and cryptic fragments of language As a younger generation of artists turns again to painting as a critical medium Oehlen's work has only become more influential and prescient **Albert Oehlen: Big Paintings by Me with Small Paintings by Others** Francesca Benini, 2022-03 The artist as collector Albert Oehlen's own artworks nail to nail with masterpieces from his personal collection 00The dual role of artist collector is always an exciting coupling and when the artist collector is as elusive and discreet as Albert Oehlen it is downright seductive Albert Oehlen big paintings by me with small paintings by others published on the occasion of the homonymous exhibition at the MASI Lugano in 2021 witnesses Oehlen as an exhibited artist a curator and a collector For the first time in such an extensive form many of his own artworks are nail to nail with masterpieces from his collection He devised a precise exhibition path in close collaboration with Francesca Benini and Christian Dominguez and the catalogue reflects this precious dialogue The connections between Oehlen's and the artists in his collection speak for themselves readers will readily spot the many and various alignments in terms of their ideas about art and the big questions they seek to answer 00Exhibition MASILugano Switzerland 05 09 2021 20 02 2022 *Albert Oehlen* Whitechapel Art Gallery, 2006-01-01 **Albert Oehlen - Painting** Albert Oehlen, 2013 Four decades after he first burst onto the international art scene in the early 1980s Albert Oehlen born 1954 remains among the most influential and controversial painters of the present Operating between figuration and abstraction with vigor and

energy Oehlen relentlessly critiques painting's history its clichés and its relationship to the imagery of the advertising and pop industries all within the medium itself rather than in another art form Reproducing 110 works this volume designed by Heimo Zobernig takes something of an artist's book approach to Oehlen's oeuvre emphasizing its methodological complexity vitality and conflicts Alongside an interview between Oehlen and fellow painter Daniel Richter this catalogue contains conversations on the implications of Oehlen's work between Rochelle Feinstein and Kerstin Stakemeier and between Hal Foster and Achim Höchd rfer

Albert Oehlen Albert Oehlen, 2008 Continuing Albert Oehlen's interest in posters this volume contains loose unbound images of ten paintings contained within a large fold out poster set designed by the artist Closely associated with the Cologne art scene and the Neue Wilde movement Oehlen was also formally a member of the Lord Jim Lodge along with Martin Kippenberger among others The artist's latest series of paintings vividly merge image text and symbol in an explosive form that Oehlen has called free collage Combining oil inkjet print collage and spraypaint on canvas Oehlen's paintings are characterised by dirty smears at their centre reflecting the artist's ability to interrogate the possibilities of painting and challenge the viewer's reading of visual language

Albert Oehlen Albert Oehlen, Christopher Wool, 2012-01-01 Albert Oehlen studied in Hamburg with Sigmar Polke and played a central role in a prodigious group of artists who came to the fore in the 1980s Accompanying the 2012 exhibition which was held at the Gagosian Gallery this book illustrates Oehlen's distinct oeuvre characterized by its heterogeneity of method palette and genre which makes painting its subject as well as its medium

Albert Oehlen : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Albert Oehlen : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Albert Oehlen : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
