Encyclopedic Handbook of Alcoholism E. Mansell Pattison,Edward Kaufman,1982 **Dining in a Classical Context** William J. Slater,1991 An investigation of the role of the feast as a cultural focus for the classical world *Recent Developments in Alcoholism* Marc Galanter,2013-11-11 From the President of the Research Society on Alcoholism The field of alcohol research has been slowly but continuously evolving taking into its domain an ever increasing array of scientific disciplines This series is designed to fill the need for a review publication that covers the broad range of research into alcohol actions and alcoholism Research in alcohol concerns social epidemiological and legal concerns in addition to biomedical and behavioral topics to greater degree than research with many other drugs A publication devoted to alcohol research should serve the broadest existing research community but perhaps more important it should also provide a means to recruit new investigators with fresh approaches to the field We can and must demonstrate that legitimate high quality research is being done but we must also highlight the opportunity for new workers to make a real impact on the problem The Research Society on Alcoholism seeks to provide such a service not only through this publication but also through other activities Richard A Deitrich Ph D *Drinking* Susanna Barrows,Robin Room,2023-11-15 Drinking Behavior and Belief in Modern History explores the complex and multifaceted role of alcohol in shaping cultures societies and behaviors throughout modern history The book brings together diverse essays from historians and sociologists examining how alcohol consumption has influenced daily life social movements and political ideologies By exploring the material and symbolic significance of alcohol the volume sheds light on its place in social history drawing connections between drinking practices and broader societal changes The

book also delves into the responses to alcohol related problems from the temperance movements of the 19th century to modern day medicalization and state interventions showing how alcohol has been both a source of cultural identity and a focal point for social control Through interdisciplinary perspectives the collection offers valuable insights into how alcohol consumption reflects and shapes power dynamics class structures and cultural norms By analyzing drinking subcultures the book uncovers the different ways alcohol has been consumed and understood across time and places from working class taverns to elite private rituals The authors also explore how alcohol related policies and societal reactions have evolved offering a deep and thoughtful look into the complex relationship between alcohol and society **Drinking Behavior and Belief in Modern History** is an essential read for anyone interested in understanding the social cultural and political dimensions of alcohol throughout modern history This title is part of UC Press s **Voices Revived** program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 **Voices Revived** makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1991 **Cultural Diversity in the United States** Larry

Naylor,1997-01-14 This collection of readings provides the reader with a basic introduction to the topic and concepts of cultural diversity as it has come to characterize the culture of the United States Particular attention is given to the practice of racial ethnic and special interest group characterizations No other book is as complete in its coverage of the diverse cultural groupings that make up the American culture This unique work serves as a first step in beginning the quest for greater understanding and appreciation of diversity **Car Cultures** Daniel Miller,2020-05-26 Anyone who assumes that a

car is simply a means to get from point A to point B or who even thinks that they know what a car is should read this book Profoundly shaped by culture the car gives rise to a wide range of emotions from guilt about the environment in the UK to aboriginal concerns with car corpses to struggles to keep the creatures alive with everything but the proper spare parts in West Africa Cars and their landscapes prove central to human life from its most intimate to the widest sense of global crisis and are capable of inspiring epic passions From road rage in Western Europe to the struggles of cab driving in Africa to the emergence of Black identity in the US this book examines the essential humanity of the car which includes the jealousies gender differences fears and moralities that cars give rise to Firmly grounded in detailed ethnographic and historical scholarship this is the first book to provide an informed sense of cars as one of the most familiar and significant forms of material culture **'Living Water' : Vodka and Russian Society on the Eve of Emancipation** David

Christian,1990-07-26 This is a study of the social economic and political role of Vodka in nineteenth century Russia Since the Green Serpent first appeared in sixteenth century Muscovy it has played a vital part in Russian life Vodka became an essential part of Russian working class celebrations personal religious and commercial Trade in Vodka redistributed wealth upwards through Russian society over several centuries Indeed Russia s status as a great power was underpinned by it by

the nineteenth century it generated one third of government revenue enough to cover most of the costs of the vast army The dependence on Vodka of both people and state has endured into the Gorbachev era But despite Vodka s key role in Russian history and the complex network of corruption associated with it the subject has been ignored by most historians until now This study concentrates on an important transitional era in the history of Vodka the early nineteenth century During this period Vodka taxes played the role that salt taxes had played in the ancien r eacute gime in France The abolition of the tax farm in 1863 should be seen as one of the most important of the Great Reforms of the 1860s an era which in many ways parallels the glasnost of the 1980s **Preschoolers and Substance Abuse** Bruce Carruth,Pedro J Lecca,Thomas D

Watts,2014-03-05 Find remarkable prevention and treatment strategies for preschool age children of substance abusers in this informative volume It provides an overview of the various problems exposure to substance abuse can cause for preschool children Because of the strong influences parents have on their children early childhood is a critical time for intervention to counteract the damaging effects of alcohol and drug abusing parents Research shows that attitudes about alcohol and other drugs are already formed by junior high school level and senior high school is too late for significant attitude change Preschoolers and Substance Abuse promotes preschool age as the ideal time to apply strategies that will aid the family in building the self esteem trust autonomy and initiative necessary to protect the child from further problems caused by addictive parents Intervention strategies are presented in a succinct manner making them easy for practitioners health officials government officials and family members to put into immediate practice This book offers a unique approach to substance abuse treating it as a community and societal problem rather than an individual problem Intervention and treatment strategies are geared toward the substance abuse problem itself as well as how it impacts children and family systems The harmful impact of alcohol or drug abusive parents is evaluated for all stages of childhood development from pre natal influences through infancy and the preschool years Some of the harmful results of alcohol and drug abuse affecting preschool children addressed in this volume include violence sexual abuse Fetal Alcohol Syndrome and intra uterine exposure to drugs The authors outline a comprehensive list of imperatives for a future agenda to protect preschool children from suffering the consequences of their parents substance abuse Public health officials decision makers practitioners and legislators will find a series of policy recommendations including increased research substance abuse training for child care workers increased outreach and education for expectant mothers and community based outreach programs to insure ethnic or socioeconomic sensitivity and appropriateness **Alcohol Metabolism, Alcohol Intolerance, and Alcoholism** Dharam

P. Agarwal,H. Werner Goedde,2012-12-06 Alcohol abuse alcohol intolerance alcohol dependence and other alcohol related disabilities are some of the most challenging public health problems facing our modern day society The purpose of this comprehensive monograph is to review the available knowledge concerning the pharmacogenetic basis of alcohol sensitivity and its physiological implications and to synthesize the bulk of existing knowledge regarding metabolic features and

biomedical disturbances related to alcoholism The chapters cover a broad array of disciplines including an overview of historical and epidemiological aspects biochemistry and molecular genetics of enzymes involved in alcohol metabolism biochemical and neuropsychopharmacological effects of alcohol Major emphasis is placed on the role of genetic factors in alcoholism The experimental details are summarized and a comprehensive bibliography is included **Handbook of Medical Anthropology** Carolyn F.
