Alcohol And Ethics:

Ethics in the Alcohol Industry S. Robinson,A. Kenyon,2009-07-30 A close look at the ethical and social responsibilities of the alcohol industry in the 21st Century It begins with a whistle stop tour of the historical developments of alcohol It then critiques the legislative and voluntary codes surrounding the advertising industry popular culture religious groups Government and local authorities *Sport and Alcohol* Carwyn Jones,2016-02-12 First book length study of alcohol in sport as an ethical problem Addresses an important and prominent issue in contemporary sport Draws on wide range of evidence from media reports and biographies to primary research data **Alcohol, Addiction and Christian Ethics** Christopher C. H. Cook,2006-05-04 Addictive disorders are characterised by a division of the will in which the addict is attracted both by a desire to continue the addictive behaviour and also by a desire to stop it Academic perspectives on this predicament usually come from clinical and scientific standpoints with the moral model rejected as outmoded But Christian theology has a long history of thinking and writing on such problems and offers insights which are helpful to scientific and ethical reflection upon the nature of addiction Chris Cook reviews Christian theological and ethical reflection upon the problems of alcohol use and misuse from biblical times until the present day Drawing particularly upon the writings of St Paul the Apostle and Augustine of Hippo a critical theological model of addiction is developed Alcohol dependence is also viewed in the broader ethical perspective of the use and misuse of alcohol within communities **Alcohol and Ethics** James McDonough,2005-07-01 *Alive From The Dead* by Dr George Thomas Smith is Volume One of a series of David Stoner s adventures It exposes the personal journey of the idealistic young man and the tragedies marking his life and death struggle to avenge the murder of his wife and unborn child This conflict is compounded by his role as a missionary to the destitute people of Haiti his own battle with flaws in his personality and a growing awareness of the void in his spiritual life Along the way David Stoner faces physical attacks voodoo like threats a charge of murder a harrowing dash across northern Haiti to flee from a megalomaniac official escape from drug smugglers near drowning in the Atlantic and a gigantic explosion meant to eliminate him Conflicted by duty to his ministry and loyalty to his deceased wife Stoner reluctantly finds he is attracted to a young employee of the United Nations who is engaged in the restoration of the Citadel one of the wonders of the world which is situated on a mountain top in northern Haiti It is there that Stoner is attacked by a man who accidentally falls from the wall to his death a death for which Stoner is blamed It is there much later he is involved in the rescue attempt of the attractive young UNESCO employee and a fellow worker While on his cross country search for his wife s killer and the effort to escape being captured himself David Stoner has a personal awakening to his true purpose in life Driven by emotional cross currents Stoner deals with the constant dangers that surround him With the aid and counsel of a Haitian pastor David is led into a deeper relationship with God This discovery and various tragic events including the violent death of his missionary mentor change the man and bring resolution to his conflicts in ways neither he nor the reader would expect **Nursing Ethics: Across**

Andria Bianchi, Janet A. Vogt, 2024-08-31 This book meaningfully reflects upon difficult timely and debated ethics questions relating to people with intellectual disabilities IDs and autistic people The book challenges now dated perceptions and introduces innovative ideas by leading scholars regarding some of the most complex controversial and relevant ethical dilemmas involving these neurodiverse populations People with IDs and or those on the autism spectrum continue to experience various forms of oppression and unjust treatment across the globe despite the UN Convention on the Rights of

Persons with Disabilities CRPD The collection explores questions such as Can people with IDs make informed decisions about their medical treatment living circumstances and overall life What are the ethical implications of selective termination of pregnancy based on a gene linked to a condition conferring intellectual impairment How can we ensure that people with IDs and autistic people are meaningfully included in research Can people with IDs successfully parent How can we support the capabilities of neurodiverse populations such that they enjoy the rights afforded by the CRPD Each contributor critically examines how we can move forward to create a world that understands and respects the rights of every person with ID and or autism An indispensable read for bioethicists ethics students social justice scholars and others interested in and working with people with IDs and autistic people

Fetal Alcohol Spectrum Disorders in Adults: Ethical and Legal

Perspectives Monty Nelson, Marguerite Trussler, 2015-07-28 This book discusses and provides insight on the legal and ethical dilemmas of managing those with Fetal Alcohol Spectrum Disorder FASD This book provides a clear perspective for those clinicians and legal professionals who are working with those with this disorder and correspondingly increases their understanding when arranging effective supports for this population Historically the primary focus on FASD has been on children However this is a lifelong disorder and the implications of this disorder become even more prominent and complex in adulthood Those with this condition can struggle with impulsiveness and a host of cognitive difficulties This correspondingly impacts their independence and employability and produces an elevated risk for homelessness and other residential issues involvement in substance use being exploited development of behavioural issues and subsequent legal difficulties Their cognitive difficulties result in challenges for legal systems around the world to understand their issues and to design appropriate remedial strategies recommendations for treatments and supports and even for understanding the failure of many of these individuals to be able to change their behaviours effectively This produces various legal and ethical dilemmas which are discussed in detail in this volume by 28 authors from Europe New Zealand and North America These include discussions regarding the rights of the unborn child the alcohol industry's duty to warn whether small amounts of alcohol during pregnancy can be condoned and even the current use of involuntary hospitalization for addicted mothers Other chapters discuss the need for training on FASD for front line officers use of lies during interrogation of those with FASD medical and legal interventions for offenders with FASD access to diagnostic services and follow up supports and whether FASD can be considered a mitigating factor for sentencing Furthermore caregivers also provide their stories regarding the daily dilemmas that are faced in raising those with FASD

Ethical and Legal Perspectives in Fetal Alcohol Spectrum Disorders (FASD) Egon Jonsson, Sterling Clarren, Ian Binnie, 2018-02-15 This book discusses how to deal ethically with people with Fetal Alcohol Spectrum Disorder FASD in the police courts and correctional services Ethical and legal issues associated with the deficits of individuals with a brain disorders such as FASD are surfacing more and more frequently in criminal proceedings People with FASD often have not been diagnosed and rarely exhibit any visible evidence of the

disorder It has been argued that this invisible disability puts them in a disadvantaged position in the justice system since the awareness of this condition is limited The need to identify and to address FASD more effectively and the many ethical issues this raises within the context of the law is increasingly acknowledged within judicial and legislative branches as well as in government departments agencies and community programs that provide services to those with FASD and their caretakers and families This is the first book to give to elaborate on ethical and legal issues of FASD *The Alcohol and Other Drug Thesaurus: Annotated alphabetical list* National Institute on Alcohol Abuse and Alcoholism (U.S.),2000 **Business Ethics, Seventh Edition** Joseph W. Weiss,2021-11-23 The seventh edition of this pragmatic guide to determining right and wrong in the workplace is updated with new case studies exercises and ancillary materials Joseph Weiss s Business Ethics is a pragmatic hands on guide for determining right and wrong in the business world To be socially responsible and ethical Weiss maintains businesses must acknowledge the impact their decisions can have on the world beyond their walls An advantage of the book is the integration of a stakeholder perspective with an issues and crisis management approach so students can look at how a business s actions affect not just share price and profit but the well being of employees customers suppliers the local community the larger society other nations and the environment Weiss includes twenty three cases that immerse students directly in contemporary ethical dilemmas Eight new cases in this edition include Facebook s mis use of customer data the impact of COVID 19 on higher education the opioid epidemic the rise of Uber the rapid growth of AI safety concerns over the Boeing 737 the Wells Fargo false saving accounts scandal and plastics being dumped into the ocean Several chapters feature a unique point counterpoint exercise that challenges students to argue both sides of a heated ethical issue This edition has eleven new point counterpoint exercises addressing questions like Should tech giants be broken apart What is the line between free speech and dangerous disinformation Has the Me Too movement gone too far As with previous editions the seventh edition features a complete set of ancillary materials for instructors teaching guides test banks and PowerPoint presentations **Alcohol and Public Policy** Thom Brooks,2016-03-17 Alcohol and its consumption is a major topic for public policy making Growing awareness of alcohol related health problems among the general public has led to high levels of interest in alcohol consumption and its impact on society This innovative collection of new perspectives on this critically important issue is informed by a leading group of international social scientists Topics covered include alcoholism the family minimum pricing paternalistic controls and Socially Responsible Investment programs Together these essays reveal illuminating new insights into how public policy might be improved This book was originally published as a special issue of Contemporary Social Science **Ethics** John Mizzoni,2010-09-02 Ethics The Basics provides beginning students with a solid grounding in basic ethical principles theories and traditions as well as a set of conceptual tools necessary to think about ethics and make ethical decisions Introduces ethical concepts theories and traditions in an unusually reader friendly manner Considers western and non western ethical viewpoints and religious interpretations of ethical concepts

Includes end of chapter summaries case studies review questions diagrams and an appendix containing definitions of all the ethical concepts principles theories and traditions introduced in the book **Research Ethics** Robin Levin Penslar,1995-01-22 The book provides opportunities for unusually good discussions of ethical problems that can confront researchers in any field Religious Studies Review this book provides a ready made package for the teaching of ethics in research Journal of Third World Studies Research Ethics is an extremely useful and stimulating book recommended for wide classroom use on both the undergraduate and graduate level as well as for all academic library collections Journal of Information Ethics an excellent introduction into research ethics Journal of College Science Teaching A useful supplement to faculty teaching courses on scientific ethics and a resource for instructors who give lectures on the topic in more general courses Robert L Sprague Director Institute for Research on Human Development This book is important because it defines and clarifies subtle ethical issues present but not necessarily easily recognizable as such in the everyday conduct of research Doody s Health Sciences Book Review Journal A very useful text for courses dealing with ethics in the research setting Science Technology Society a welcome collection of materials that can be used in a variety of ways by those who are genuinely concerned that scientific research remain faithful to its ideals American Journal of Human Genetics This clearly written reader friendly book addresses the need for systematic education in research ethics and suggests that researchers themselves are the best teachers for their students The scenarios are realistic well presented and organized around a series of topics that are both diverse and relevant to the practicing investigator American Journal of Psychiatry a landmark teaching tool Science Books Films an Editor s Choice book I think this book is an excellent introduction into research ethics The material is presented in an exceptionally thought provoking manner and it serves as a reference guide and as a source for seminar topics Robert H Tamarin Journal of College Science Teaching This comprehensive casebook for teaching research ethics in the sciences and the humanities covers such topics as plagiarism confidentiality conflict of interest fraud and misconduct the reporting of data and the participation of human and animal subjects in research An annotated bibliography will help instructors identify resources to use as supplements to cases assist readers who are developing courses in research ethics and aid further research on the subject **Media Law and Ethics** Roy L. Moore,2012 This is the first textbook to explicitly integrate both media law and ethics within one volume A truly comprehensive overview this text is a thoughtful introduction to media law principles and cases and the related ethical concerns relevant to the practice of professional communication With special attention made to key cases and practices authors Roy L Moore and Michael D Murray revisit the most timely and incendiary issues in modern American media Exploring where the law ends and ethics begin each chapter includes a discussion of the ethical dimensions of a specific legal topic The Fourth Edition includes new legal cases and emerging issues in media law and ethics as well as revised subject and case indexes In addition to a separate chapter devoted exclusively to media ethics by Michael Farrell a new chapter on international and foreign law by Dr Kyu Ho Youm

has also been added Resources on the companion website include updated PowerPoint presentations an instructor manual and a sample syllabus for instructors and study guides practice quizzes and all seven of the book s original appendices for students An excellent integration of both law and ethics this is the ideal text for undergraduate and graduate courses in media law and ethics
