Bowker's Complete Video Directory, 1999 ,1999 *The Comedians* Kliph Nesteroff,2018-09-01 Funny and fascinating If you re a comedy nerd you ll love this book Pittsburgh Post Gazette Named a Best Book of the Year by Kirkus Reviews National Post and Splitsider Based on over two hundred original interviews and extensive archival research this groundbreaking work is a narrative exploration of the way comedians have reflected shaped and changed American culture over the past one hundred years Starting with the vaudeville circuit at the turn of the last century the book introduces the first stand up comedian an emcee who abandoned physical shtick for straight jokes After the repeal of Prohibition Mafia run supper clubs replaced speakeasies and mobsters replaced vaudeville impresarios as the comedian s primary employer In the 1950s the late night talk show brought stand up to a wide public while Lenny Bruce Mort Sahl and Jonathan Winters attacked conformity and staged a comedy rebellion in coffeehouses From comedy s part in the civil rights movement and the social upheaval of the late 1960s to the first comedy clubs of the 1970s and the cocaine fueled comedy boom of the 1980s *The Comedians* culminates with a new era of media driven celebrity in the twenty first century Entertaining and carefully documented jaw dropping anecdotes This book is a real treat Merrill Markoe *The Wall Street Journal* 50 Years of American Comedy Bill Treadwell,1951 King of the Half Hour David Everitt,2001-03-01 Regarded by his contemporaries as one of television s premier comedy creators Nat Hiken was the driving creative force behind the classic 1950s and 1960s series *Sgt Bilko* and the hilarious *Car 54 Where Are You* *King of the Half Hour* the first biography of Hiken draws extensively on exclusive first hand interviews with some of the well known TV personalities who worked with him such as Carol Burnett Fred Gwynne Alan King Al Lewis and Herbert Ross The book focuses on Hiken s immense talent and remarkable career from his early days in radio as Fred Allen s head writer to his multiple Emmy winning years as writer producer director on television In addition to re establishing Hiken s place in broadcast history biographer David Everitt places him in the larger story of early New York broadcasting Hiken s career paralleled the rise and fall of television s Golden Age He embodied the era s best qualities craftsmanship a commitment to excellence and a distinctive uproariously funny and quirky sense of humor At the same time his uncompromising independence prevented him from surviving the changes in the industry that brought the Golden Age to an end in the 1960s His experiences bring a fresh and until now unknown perspective to the medium s most extraordinary period Audio Video Review Digest ,1990 **The Video Source Book** David J. WEINER,1990 **Variety's Complete Home Video Directory** ,1989 **Take It from the Big Mouth** Jean Madder Pitrone,2021-12-14 She was one of the world s four best comediennes said Milton Berle but she lived a life of personal disaster Martha Raye sang danced and joked her way into the spotlight of the entertainment world with a career that spanned seven decades and encompassed everything from vaudeville to television commercials to entertaining U S troops *Take It from the Big Mouth* the first full fledged biography of the multi talented performer explores Raye s life and career

with candor and insight Raye got her big break when she caught the attention of a film director as she kidded with audience members Joe E Lewis and Jimmy Durante during an engagement at the Trocadero in Hollywood In the late 1930s Raye appeared in a number of films and the press heralded her as a stridently funny comedienne with a Mammoth Cave mouth From there her career soared She landed a role in Charlie Chaplain s film Monsieur Verdoux and the New York Post commented that Raye was the only one who could hold her own with the comic master By the 1950s she hosted her own highly rated television show reaching millions with her clowning Behind the huge smile and raucous laugh though there was a darker side to Martha Raye She found solace from her insecurities and a frenzied schedule in the use of drugs and alcohol Her seven rocky marriages the last to a man 33 years her junior whom she had known less than two weeks fueled headlines and gossip columns Particularly painful was her turbulent relationship with her only daughter Melodye She was passionately committed to entertaining troops abroad during World War II and she worked tirelessly as both entertainer and nurse in the remote jungles of Vietnam Bob Hope commented that she was Florence Nightingale Dear Abby and the only singer who could be heard over the artillery fire The Green Berets designated her an honorary lieutenant colonel and she later received the Presidential Medal of Freedom After her death in 1994 Colonel Maggie became the only civilian laid to rest among the Green Berets at the Fort Bragg military cemetery

How the Great Comedy Writers Create Laughter Larry Wilde, 1976 Probably what distinguishes man from other animals is his ability to laugh Why does he laugh That s easy How do you make him laugh That s not so easy In fact it s a near impossible question to answer It s the question which Larry Wilde a writer and stand up comic took to the top laugh provokers in the nation He visited them switched on his tape recorder and let them talk And what talk it is In a relaxed manner we learn how the great comedy writers got started and how they stay on top They re the geniuses who shape the one liners for Bob Hope who create the characters of All in the Family who dream up the foolery and fun of Guys and Dolls or the topical newspaper column which punctures the pompous How do the great comedy writers work their miracles Goodman Ace says it s a matter of phrasing One word out of place and the magic is lost He says there s a rhythm that has to be present to make the material funny And the others agree No one really knows what makes a comedy writer Many of them have had unhappy childhoods or have known poverty but more important is an attitude toward life Abe Burrows comments Humor is a way to keep from killing

yourself Art Buchwald feels that humor basically is hostility but sugar coated so it is acceptable so that one can make pungent comments through humor and not have rocks thrown at him It s a matter sometimes of laughing at the way the world runs to keep from crying The great comedy writers agree the best material is based on truth The audience recognizes the false and won t respond You can t hate your subject and be funny Wilde asks probing questions on how a beginner can get started what shapes a comic whether there are any rules for writing humor and how you know what has been written will make an audience laugh He gets profound answers amusing anecdotes and fascinating inside information Top professionals talk about constructing a situation for a television series how stage shows are rewritten again and again on tryout runs and the peculiar difficulties of writing for film This is a rare chance to eavesdrop on the successful old pros It s also a delight to sit back open the book and enjoy Adapted from dust jacket Video Hound's Golden Movie Retriever, 1991 David J Weiner,Thomson Gale,1991 The Great Clowns of American Television Karin Adir,2001-12-01 There are generations that have never seen Sid Caesar become an automobile tire or Red Skelton stick his thumbs in his armpits and intone Two theagulls never journeyed with Ernie Kovacs to a surrealistic world of his warped imagination Here seventeen comic talents are profiled with photographs their early years marriages and personal challenges anecdotes about them the characters they created their styles and often representative dialogue or sketch descriptions There is a listing of all television shows in which each comic starred giving length network air dates The comics include Lucille Ball Milton Berle Carol Burnett Sid Caesar Imogene Coca Tim Conway Jackie Gleason Danny Kaye Ernie Kovacs Olsen and Johnson Martha Raye Soupy Sales Red Skelton Dick Van Dyke Flip Wilson Jonathan Winters and Ed Wynn **Radio Comedy Diary** Gary Poole,2001-07-11 This book is a real find for those who enjoy radio nostalgia but more importantly for scholars of broadcasting From 1947 to 1950 while listening to such voices as Bob Hope Red Skelton Milton Berle Jack Benny Fred Allen and Jimmy Durante and shows like Fibber McGee Molly Amos n Andy Blondie and You Bet Your Life the author was writing down jokes gags one liners and quotations In that short time he had filled 11 spiral notebooks Fifty years later in a labor of love the author painstakingly transferred those childhood notes into this invaluable in fact undoubtably unique record of a boom time in American radio This is an unexpected treasure for radio scholars who have long lamented the lack of recordings for the majority of radio programming Television researchers as well will benefit here are root sources of television comedy It is a revelation to find that what we are laughing at today often was first done on radio over 50 years ago The author has also included a notes and comments section which includes background material on all the radio programs in this book Current Biography ,1949 **Cue** ,1974 **Editor & Publisher** ,1946 Special features such as syndicate directories yearbook numbers annual newspaper lineage tabulations etc appear as separately paged sections of regular issues Video Source Book Gale Group,1999-10-28 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction **Host; Weekly**
