**Cabaret** Peter JELAVICH, 2009-06-30 Step into Ernst Wolzogen's Motley Theater Max Reinhardt's Sound and Smoke Rudolf Nelson's Chat noir and Friedrich Hollaender's Tingel Tangel Enjoy Claire Waldoff's rendering of a lower class Berliner Kurt Tucholsky's satirical songs and Walter Mehring's Dadaist experiments as Peter Jelavich spotlights Berlin's cabarets from the day the curtain first went up in 1901 until the Nazi regime brought it down Fads and fashions sexual mores and political ideologies all were subject to satire and parody on the cabaret stage This book follows the changing treatment of these themes and the fate of cabaret itself through the most turbulent decades of modern German history the prosperous and optimistic Imperial age the unstable yet culturally inventive Weimar era and the repressive years of National Socialism By situating cabaret within Berlin's rich landscape of popular culture and distinguishing it from vaudeville and variety theaters spectacular revues prurient nude dancing and Communist agitprop Jelavich revises the prevailing image of this form of entertainment Neither highly politicized like postwar German Kabarett nor sleazy in the way that some American and European films suggest Berlin cabaret occupied a middle ground that let it cast an ironic eye on the goings on of Berliners and other Germans However it was just this satirical attitude toward serious themes such as politics and racism that blinded cabaret to the strength of the radical right wing forces that ultimately destroyed it Jelavich concludes with the Berlin cabaret artists final performances as prisoners in the concentration camps at Westerbork and Theresienstadt This book gives us a sense of what the world looked like within the cabarets of Berlin and at the same time lets us see from a historical distance these lost performers enacting the political sexual and artistic issues that made their city one of the most dynamic in Europe

**the Great and his Musicians: The Viola da Gamba Music of the Berlin School** Michael O'Loughlin, 2017-07-05 After decades of stagnation during the reign of his father the Barracks King the performing arts began to flourish in Berlin under Frederick the Great Even before his coronation in 1740 the crown prince commenced recruitment of a group of musician composers who were to form the basis of a brilliant court ensemble Several composers including C P E Bach and the Graun brothers wrote music for the viola da gamba an instrument which was already becoming obsolete elsewhere They were encouraged in this endeavour by the presence in the orchestra from 1741 of Ludwig Christian Hesse one of the last gamba virtuosi who was described in 1766 as unquestionably the finest gambist in Europe This study shows how the unique situation in Berlin produced the last major corpus of music written for the viola da gamba and how the more virtuosic works were probably the result of close collaboration between Hesse and the Berlin School composers The reader is also introduced to the more approachable pieces which were written and arranged for amateur viol players including the king's nephew and ultimate successor Frederick William II O Loughlin argues that the aesthetic circumstances which prevailed in Berlin brought forth a specific style that is reflected not only in the music for viola da gamba Characteristics of this Berlin style are identified with reference to a broad selection of original written sources many of which are hardly accessible to English speaking readers There is also a discussion of the rather contradictory reception history of the Berlin School and some of its composers The book concludes with a complete thematic catalogue of the Berlin gamba music with a listing of original manuscript sources and modern publications The book will appeal to professional and amateur viola da gamba players as well as to scholars of eighteenth century German music **Berlin In Your Pocket** , *Irving Berlin's American Musical Theater* Jeffrey Magee, 2014 Irving Berlin's songs have been the soundtrack of America for a century but his most profound contribution to the nation is to Broadway Award winning music historian Jeffrey Magee's chronicle of Berlin's theatrical career is the first book to fully consider the songwriter's immeasurable influence on the Great White Way Tracing Berlin's humble beginnings on the lower east side to his rise to American icon Irving Berlin's American Musical Theatre will delight theater aficionados as well as students of music and popular culture and anyone interested in the story of a man whose life and work expressed so well the American dream **Creative Work** Erika Andersson Cederholm, Katja Lindqvist, Ida de Wit
