Bernard Shaw Collected Letters Vol 1 1874 97

Colin Stanley

Bernard Shaw Collected Letters Vol 1 1874 97:

Bernard Shaw Stanley Weintraub, 1988-06-01 This is the first comprehensive annotated bibliography of works by and about Bernard Shaw No book has appeared before that has surveyed all of the research and writing that the life and work of Bernard Shaw have evoked The greatest dramaturgist in English after Shakespeare Shaw was one of the dominant public figures of his time a long lifetime 1856 1950 that began in the mid Victorian period and extended into the Atomic Age Inevitably someone who straddled his age so visibly and so memorably and whose works retain a continuing fascination has been the subject of thousands of articles and hundreds of books from criticism of individual works to multivolume biographies editions and studies Stanley Weintraub has distilled his forty years of experience of Shaw studies to bring them into useful focus and sort out the significant writings from the burgeoning mass of publications This book is an essential tool for both scholars and general readers interested in the multifarious world of Shaw Readers will not only find out what has been done but what still remains to be accomplished in Shaw studies what Shaw s influence has been on other writers even where Shaw has appeared as a character in other writers poetry fiction and drama **Bernard Shaw** Audrey

McNamara, 2023-07-19 Shaw emerged as a playwright in the politically charged environment of 1892 for both female suffrage and Irish independence His plays quickly advocated for societal changes with regard to women s roles while expanding this advocacy into considerations of Ireland Shaw s engagement with marriage and union as a personal contract with nationhood have never before been considered as a methodology with which to view his work This book demonstrates that Shaw was deeply engaged with and committed to the Irish question and to social and gender issues *The Life and Times of Sidney and Beatrice Webb* R. Harrison, 2016-01-08 Sidney and Beatrice Webb are the most important British contributors to the socialist tradition They had a hand in founding many of the institutions that form the fabric of British society notably the Fabian society the Labour Party the London School of Economics the New Statesman the Political Quarterly and Tribune This is the first authorized biography of the Webbs commissioned by the Passfield Trustees this life of the oddest couple since Adam and Eve differs from previous studies in considering their literary and institution building accomplishments and not just their personal idiosyncrasies **An Ordered Love** Louis J. Kern, 2014-07-01 An Ordered Love is the first detailed study of sex roles in the utopian communities that proposed alternatives to monogamous marriage The Shakers 1779 1890 the Mormons 1843 90 and the Oneida Community 1848 79 The lives of men and women changed substantially when they joined one of the utopian communities Louis J Kern challenges the commonly held belief that Mormon polygamy was uniformly downgrading to women and that Oneida pantagamy and Shaker celibacy were liberating for them Rather Kern asserts that changes in sexual behavior and roles for women occurred in ideological environments that assumed women were inferior and needed male guidance An elemental distrust of women denied the Victorian belief in their moral superiority attacked the sanctity of the maternal role and institutionalized the dominance of men over women These

utopias accepted the revolutionary idea that the pleasure bond was the essence of marriage They provided their members with a highly developed theological and ideological position that helped them cope with the ambiguities and anxieties they felt during a difficult transitional stage in social mores Analysis of the theological doctrines of these communities indicates how pervasive sexual questions were in the minds of the utopians and how closely they were related to both reform social perfection and salvation individual perfection These communities saw sex as the point at which the demands of individual selfishness and the social requirements of self sacrifice were in most open conflict They did not offer their members sexual license but rather they established ideals of sexual orderliness and moral stability and sought to provide a refuge from the rampant sexual anxieties of Victorian culture Kern examines the critical importance of considerations of sexuality and sexual behavior in these communities recognizing their value as indications of larger social and cultural tensions Using the insights of history psychology and sociology he investigates the relationships between the individual and society ideology and behavior and thought and action as expressed in the sexual life of these three communities Previously unused manuscript sources on the Oneida Community and Shaker journals and daybooks reveal interesting and sometimes startling information on sexual behavior and attitudes [Book Review Index](#) ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index *The Publishers' Trade List Annual* ,1980 **Books in Print** ,1981 [Marriage and Late-Victorian Dramatists](#) Mary Christian,2020-04-23 This book examines plays produced in England in the 1890s and early 1900s and the ways in which these plays responded to changing perceptions of marriage Bernard Shaw Oscar Wilde and other late Victorian dramatists challenged romanticized ideals of love and domesticity and in the process these authors appropriated and rewrote the genre conventions that had dominated English drama for much of the nineteenth century In their plays theater became a forum for debating the problems of traditional marriage and envisioning alternative forms of partnership This book is written for scholars specializing in the areas of Victorian studies dramatic literature theater history performance studies and gender studies **Irish Books in Print & Leabhair Gaeilge i GCló** ,1984 **Modern British Drama** ,1979 **Routledge Library Editions: Women and Politics** Various,2021-06-23 Routledge Library Editions Women and Politics 9 Volume set presents titles originally published between 1981 and 1993 The set draws attention to the importance of women and how their presence and active involvement in politics and related fields during the twentieth century has been crucial throughout the world *Collected Letters* George Bernard Shaw,D.H. Laurence,1965 *Gilbert Murray, OM, 1866-1957* Sir Duncan Wilson,1987 The story of Gilbert Murray is that of a brilliant scholar and diplomat a man who emigrated to England from Australia made a distinguished career as a classicist at Oxford and Glasgow and became Chairman of the League of Nations Union Drawing on Murray s own letters and writings the late Sir Duncan Wilson himself an esteemed classical scholar writes with freshness and perception of Murray s classical work and international efforts **Colin Wilson, the First Fifty Years** Colin Stanley,2006 Published to coincide with the 50th anniversary of *The Outsider* this comprehensive annotated

bibliography of primary and secondary sources has been fully revised and updated incorporating an author chronology and an exhaustive index Aimed at scholars collectors and fans worldwide it also includes details of non English translations of Wilson s work *The Irish Art of Controversy* Lucy McDiarmid,2018-07-05 Controversies are high drama in them people speak lines as colorful and passionate as any recited on stage In the years before the 1916 Rising public battles were fought in Ireland over French paintings a maverick priest Dublin slum children and theatrical censorship Controversy was popular wrote George Moore especially when accompanied with the breaking of chairs In her new book Lucy McDiarmid offers a witty and illuminating account of these and other controversies antagonistic exchanges with no single or no obvious high ground They merit attention in her view not because the Irish are more combative than other peoples but because controversies functioned centrally in the debate over Irish national identity They offered to everyone direct or vicarious involvement in public life the question they articulated was not Irish Ireland or English Ireland but whose Irish Ireland would dominate when independence was finally achieved The Irish Art of Controversy recovers the histories of the man who died for the language Father O Hickey who defied the bishops in his fight for Irish Gaelic Lady Gregory and Bernard Shaw s defense of the Abbey Theatre against Dublin Castle and the 1913 Save the Dublin Kiddies campaign in which priests attacked socialists over custody of Catholic children The notorious Roger Casement British consul Irish rebel humanitarian poet forms the subject of the last chapter which offers the definitive commentary on the long lasting controversy over his diaries McDiarmid s use of archival sources especially little known private letters indicates the way intimate exchanges as well as cartoons ballads and editorials may exist within a public narrative In its original treatment of the rich material Yeats called intemperate speech The Irish Art of Controversy suggests new ways of thinking about modern Ireland and about controversy s bluff bravado and improvisational flair Prophet of the New Drama Thomas Postlewait,1986-02-21 This analytical history is the most comprehensive and accurate record of the Ibsen campaign in London Postlewait places major emphasis on the activities of William Archer the theatre critic translator and director who zealously campaigned for the acceptance of Ibsen s works in particular and the new drama in general He argues that proper appreciation of Archer s often devious role as the foremost advocate of Ibsen is vital to understanding how and why Ibsen was ultimately received on the London stage Postlewait s reassessment challenges all previous histories and critical studies of this theatrical era and confronts the many contradictions of Archer s life and works that have previously clouded more straightforward histories He presents Archer as a man with a sense of missionary urgency but also as an individual with an often paradoxical character and numerous self defeating attributes This process of reconstituting history and reexamining the career of William Archer especially in light of his close relationships with Bernard Shaw and Elizabeth Robins reveals the importance complexity and even brilliance of a man who may fittingly be called the prophet of the new drama **Wilde Writings** William Andrews Clark Memorial Library,University of California, Los Angeles. Center for 17th- & 18th- Century Studies,2003-01-01 Featuring thirteen

original essays that examine Wilde's achievements as an aesthete, critic, dramatist, novelist, and poet, this provocative and ground-breaking volume ushers the field of Oscar Wilde studies into the twenty-first century. **An Ideal Husband** Oscar Wilde, 2013-12-12 One of the nineteenth century's most successful and most frequently revived plays, *An Ideal Husband* has divided critics more than any other of Wilde's plays. Treating political intrigue, financial fraud, blackmail, scandal, and spin, and the role of women in public life, it is a play which engaged with issues of vital importance to its late Victorian audience, which continue to resonate today. Sos Eltis, a specialist in Victorian drama and its relation to women's issues, provides a stimulating new perspective on *An Ideal Husband* through an introduction that looks at its relation with contemporary social purity campaigns, women's rights, and political scandals. The introduction also gives a substantial performance history, with particular reference to the play's film versions and the influential Peter Hall theatre production. Bernard Shaw on Theater George Bernard Shaw, 2020-10-01 A collection of critical writings on theater from the Nobel Prize-winning playwright behind *Man and Superman* and *Pygmalion*. The *Critical Shaw On Theater* is a comprehensive selection of essays and addresses about drama and theater by renowned Irish playwright and Nobel Laureate Bernard Shaw. An outspoken critic of the melodramas and formulaic farces that comprised most of the popular theater in the late nineteenth century, Shaw relentlessly campaigned for audiences, actors, theater managers, and even government officials to take theater more seriously, to use the stage as a forum for representing complex real issues such as poverty, marriage and divorce laws, sexual attraction, gender equality, and political power, so that through seeing them acted out, audiences could better understand and address them when they left the theater. Shaw's commitment to social reform through theater was matched by his expertise in the artistic and practical aspects of drama, whether he was reviewing productions, lecturing about acting, or schooling agents on royalties and copyright law. Shaw set a standard for intelligent professionalism that our own theaters might still aspire to and be measured against. The *Critical Shaw* series brings together, in five volumes, and from a wide range of sources, selections from Bernard Shaw's voluminous writings on topics that exercised him for the whole of his professional career: Literature, Music, Politics, Religion, and Theater. The volumes are edited by leading Shaw scholars, and all include an introduction, a chronology of Shaw's life and works, annotated texts, and a bibliography. The series editor is L. W. Conolly, literary adviser to the Shaw Estate and former president of the International Shaw Society. *Essays in Anti-Labour History* Kenneth D. Brown, 1974-06-18
