Vengeance, and Settler Colonialism in American Writing from Franklin to Melville Edward Watts, 2025-06-30 *Berserk* Violence Racial Vengeance and Settler Colonialism in American Writing from Franklin to Melville studies the literary and cultural tradition of the Indian Hater in American writing from the decades between the Revolution and the Civil War. In dozens of short stories, novels, poems, plays, and historical publications, Indian Haters were white settlers on the western frontier who killed all Indians to avenge the deaths of family members at the hands of a few. As they engage their episodes in racial violence, they attain transcendent racial powers based in traditions of historical white barbarism and the powers of the legendary berserker, the crazed Nordic super warrior. Indian Haters' obsession with genocidal retribution reflected and participated in important conversations in the new nation about race, violence, nation, and masculinity, as well as the role of the emergent mass print culture in the distribution of propaganda, disinformation, and misrepresentation. At the same time, many authors used Indian Haters to represent the moral failure of the new nation, profoundly critiquing its ambitions and assumptions. Using theories and methods drawn from studies of settler colonialism, nationalism, media sociology, trauma, and literary history, Edward Watts excavates dozens of long lost Indian Hater accounts, as well as better known ones from Benjamin Franklin, Charles Brockden Brown, James Hall, Robert Montgomery Bird, and Herman Melville, to tell the story of a story and how that story exposes the complex machinations of the role of print culture's interactions with the violence of settler colonialism.

Death's Disciples Dustin L. Herriman, 2021-03-24 *Death's Disciples* By Dustin L. Herriman. A young man named Zakul from a long misunderstood tribe leaves his home to attend a festival in the town of Dasum when the town comes under siege by an invading army. Follow along as this unlikely survivor relates his harrowing experience and live his desperate attempts to cling to life and safety. Review: The world Herriman's created ends up feeling both real and fascinatingly unique. The characters well rounded and three dimensional and the magical and supernatural aspects of it feel plausible with limits, constraints, and possibilities that do a lot to help shape the plot.
