The Best American Short Plays 2011-2012 William W. Demastes, 2013-06-01 Applause Books Applause is proud to continue the series that for over 70 years has been the standard of excellence for one act plays in America. From its inception *The Best American Short Plays* has identified new cutting edge playwrights who have gone on to establish award winning careers including Tennessee Williams, Edward Albee, Wendy Wasserstein, David Mamet, and Horton Foote. William W. Demastes made his debut as series editor with the well received 2010-2011 volume, a diverse collection revolving around the multidimensional theme of love. Blogcritics said of the anthology, "This collection is a bountiful of pleasing oddities. Each work offers something worthwhile. The collection runs the gamut of the most serious drama to the most irreverent topical mental trinkets." Demastes returns and once again draws from works produced by some of America's finest theater companies in an effort to capture the wide range of styles, topics, and regional tastes that typifies American theater. The compilation includes works by John Guare, Neil LaBute, and A. R. Gurney, as well as contributions from a plethora of gifted emerging playwrights.

The Best American Short Plays 2003-2004 Glenn Young, 2006 A collection of one act plays from American playwrights which cover such themes as love, fantasy, politics, grief, marriage, crime, and deceit. **The Director as Collaborator** Robert Knopf, 2017-04-07 *The Director as Collaborator* teaches essential directing skills while emphasizing how directors and theater productions benefit from collaboration. Good collaboration occurs when the director shares responsibility for the artistic creation with the entire production team including actors, designers, stage managers, and technical staff. Leadership does not preclude collaboration in theater; these concepts can and should be complementary. Students will develop their abilities by directing short scenes and plays and by participating in group exercises. New to the second edition: updated interviews.

Theater Contemporary Plays **Understanding John Guare** William Demastes, 2017-02-28 A comprehensive study of an award winning playwright known for unconventional blending of genres John Guare one of the most innovative and influential contemporary American playwrights of the last sixty years is best known for such works as House of Blue Leaves winner of an Obie Award the New York Drama Critics Circle Award for Best American Play and four Tony Awards and Six Degrees of Separation recipient of the New York Drama Critics Circle Award for Best American Play and the Olivier Best Play Award and a finalist for the Pulitzer Prize in Drama In Understanding John Guare William W

Demastes provides a concise biography and analyzes the playwright's career from his earliest works produced off Broadway in the 1960s to his most recent Broadway play *A Free Man of Color* a finalist for the 2011 Pulitzer Prize in Drama. Often compared to his contemporaries Sam Shepard and David Mamet who have distinctive voices tied to their mastery of realistic idiomatic American English, Guare has a style that is perhaps more varied. Demastes speculates the result of his formal training in theater. After earning a bachelor's degree from Georgetown University, Guare earned an M.F.A. from the Yale School of Drama. He then polished his theater craft in New York City during the exciting and turbulent 1960s, breaking from realist conventions and creating an unlikely blend of comedy, burlesque, stand-up comedy, and absurdly incongruous plotlines. The result has been a theater of surprise that is rich in stage action and experimentally invigorating. Demastes examines Guare's tools and techniques such as mixing serious with comic, creating characters who break into song and dance, inserting stand-up comedy routines, and drawing from the most absurd incongruities of everyday life. In doing so, Guare has created plays about the best and worst of humanity, about lost souls, and about delusional ideals. **Boston Noir 2** Dennis Lehane, Mary Cotton, Jaime Clarke, 2012. In keeping with the tradition of the *Noir* series, *Boston Noir 2* is made up of the works of several celebrated authors whose work is tied together by a common setting. After the massive success of the first *Boston Noir*, bestselling author Dennis Lehane is back as curator for another anthology of crime stories set in Boston. The *Boston Noir 2* collection features reprints of the classic, chilling short stories and novel excerpts that brought the world of noir to its knees. Contributors include Pulitzer winners Joyce Carol Oates and John Updike. **Contemporary Armenian American Drama** Nishan Parlakian, 2005-01-19. Although ancestral voices have inspired many Armenian American writers of poetry and fiction in the twentieth century, their expression through drama has been limited. The first of its kind, this anthology is a collection of plays by notable Armenian Americans. Written in English, largely by artists of Armenian extraction during the latter part of the twentieth century, the plays reflect the outrage of the Armenian Genocide, the forced transplantation that created the Armenian Diaspora, and the desire to maintain the newly established democratic homeland. Including a range of authors from William Saroyan to more contemporary voices, this anthology represents the writers that have stimulated cutting-edge contemporary drama from the mid-twentieth century to the present. The collection includes farce, comedy, tragicomedy, and tragedy, and sometimes blends of all of these. The plays reflect the shared experiences of Armenian family life in Armenia, Turkey, and America. The themes include the joy of freedom to practice their faith and ethnic customs, the turmoil of acculturation, and the feared loss of identity through assimilation. The editor has provided headnotes for each play and an extensive introduction tracing the history of Armenian American drama in the United States. **Amy Tan** Mary Ellen Snodgrass, 2015-01-24. In the mid-1980s, Amy Tan was a successful but unhappy corporate speechwriter. By the end of the decade, she was perched firmly atop the best-seller lists with *The Joy Luck Club*, with more popular novels to follow. Tan's work, once pigeonholed as ethnic literature, resonates with universal themes that cross cultural and ideological boundaries.
