The Calcutta Gazette Walter Scott Seton-Karr,1864 *The Breeder's Gazette* ,1890 **New Breeder's Gazette** ,1891 **50 Great Moments in Pittsburgh Sports** David Shribman,Richard "Pete" Peterson,2012-09-01 A century of Pittsburgh's rich sports history is celebrated through 50 greatest moments in this volume culled from the coverage by the Pittsburgh Post-Gazette. Among the storied past of athletics in the Pennsylvania city, this collection highlights such events as the Pirates at the World Series, Steelers Super Bowls, the Penguins with their back-to-back Stanley Cups, the era when Carnegie Tech, Duquesne and Pitt were all playing college bowls, and boxing title bouts fought by Harry Greb, Teddy Yarrow and Billy Conn. These moments and others from the wide spectrum of franchises and Hall of Fame athletes in Pittsburgh's history are celebrated in a commemorative format that illustrates why Pittsburgh has earned the title of the Best Sports City more than once and why City of Champions has come to describe the town time and time again. *The Calcutta Gazette* ,1864 **Selections from Calcutta Gazettes ... Showing the Political and Social Condition of the English in India Eighty Years Ago** P.P. - Calcutta. - Calcutta Gazette, or Oriental Advertiser,1864 **Not Buying it** Judith Levine,2006 By thinking harder about how it would feel to consume less, we might just make ourselves and our planet a lot better cover.

Política Phillip B. Gonzales,2016-10 *Política* offers a stunning revisionist understanding of the early political incorporation of Mexican origin peoples into the U.S. body politic in the nineteenth century. Historical sociologist Phillip B. Gonzales reexamines the fundamental issue in New Mexico's history: namely, the dramatic shift in national identities initiated by Nuevomexicanos when their province became ruled by the United States. Gonzales provides an insightful, rigorous and controversial interpretation of how Nuevomexicano political competition was woven into the Democratic and Republican two-party system that emerged in the United States between the 1850s and 1912 when New Mexico became a state. Drawing on newly discovered archival and primary sources, he explores how Nuevomexicanos relied on a long tradition of political engagement and a preexisting republican disposition and practice to elaborate a dual party political system mirroring the contours of U.S. national politics. *Política* is a tour de force of political history in the nineteenth-century U.S. Mexico borderlands that reinterprets colonization, reconstructs Euro-American and Nuevomexicano relations, and recasts the prevailing historical narrative of territorial expansion and incorporation in North American imperial history. Gonzales provides critical insights into several discrete historical processes such as U.S. racialization and citizenship integration and marginalization, accommodation and resistance, internal colonialism, and the long struggle for political inclusion in the borderlands, shedding light on debates taking place today over Latinos and U.S. citizenship. Agran, 1999-07-01 For fifty years William Allen White first as a reporter and later as the long time editor of the Emporia Gazette wrote of his small town and its Mid American values By tailoring his writing to the emerging urban middle class of the early twentieth century he won his gospel of Emporia a nationwide audience and left a lasting impact on the way America defines itself Investigating White s life and his extensive writings Edward Gale Agran explores the dynamic thought of one of America s best read and most respected social commentators Agran shows clearly how White honed his style and transformed the myth of conquering the western frontier into what

became the twentieth century ideal of community building Once a confidante of and advisor to Theodore Roosevelt White addressed and reflected in his work all the great social and political oscillations of his time urbanization and industrialism populism and progressivism isolationism internationalism Prohibition and New Deal reform Again and again he asked the question What s the matter about his times and townspeople then found the middle ground With great care and discernment Agran gathers the man strains of White s messages demonstrating one writer s pivotal contribution to our idea of what it means to be an American **The Agricultural Gazette and Modern Farming** ,1886 *Ayer Directory of Publications* ,1885
