Remember Most Cathy Lamb,2014-08-26 After her husband s betrayal an artist tries to reinvent herself in small town Oregon in this novel by the author of If You Could See What I See Grenadine Scotch Wild has only vague memories of the parents she last saw when she was six years old But she s never forgotten their final panicked words to her urging Grenadine to run The mystery of their disappearance is just one more frayed strand in a life that has lately begun to unravel completely One year into her rocky marriage to Covey a well known investor he s arrested for fraud and embezzlement And Grenadine now a successful collage artist and painter is facing jail time despite her innocence With Covey refusing to exonerate her unless she comes back to him Grenadine once again takes the advice given to her so long ago she runs Hiding out in a

mountain town in central Oregon until the trial she finds work as a bartender and as assistant to a furniture maker who is busy rebuilding his own life But even far from everything she knew Grenadine is granted a rare chance as potentially liberating as it is terrifying to face down her past her fears and live a life as beautiful and colorful as one of her paintings Cathy Lamb kept me up half the night I could not put her latest novel What I Remember Most down USA Today bestselling author of Under the Southern Sky **Cowboy Yard Sale - Forging Silver** Opal Nicks, 2025-04-21 He s a widowed cowboy with old wounds She s a no nonsense doctor with no room for heartbreak Neither of them saw this coming Shane Hartman spends his days running The Healing Ranch an equine assisted therapy center tucked in the Colorado mountains where veterans and special needs clients find peace connection and purpose It s the life he built after loss It s the life he thought he d live out alone Dr Claire Samson didn t move to Cady Springs looking for love A fresh start yes but romance Not a chance After her brutal divorce she s committed to her patients her independence and her cat Then Shane walks into her ER with a shoulder injury a cocky grin and a presence she can t ignore When chance encounters keep drawing them together from grocery store run ins to a town wide Cowboy Yard Sale Claire realizes there s more to Shane than meets the eye including his remarkable son Luke whose gentle spirit and unique way of seeing the world quietly capture her heart But their growing connection is complicated by busy lives old grief and the fear of opening up again As their attraction deepens into something neither expected they ll have to decide if love later in life is worth the risk A heartfelt later in life romance filled with emotional depth slow burning passion and the healing power of second chances Book 3 in the Cowboy Yard Sale Trilogy Easily read as a stand alone **Laowai for Sale** Kurt M. DiClementi, 2015-04-17 My recently completed novel entitled Laowai for Sale was written in the genre of realistic fiction first person omniscient The plot of the story is the moral financial and spiritual bankruptcy of the American people as represented by the storys four main characters in China and the president of the United States in America While the four main characters in China represent the hope that America can prevail against adversity and reclaim its legacy as the greatest nation on earth the character of the president represents an America that is willing to mortgage its soul for sensual satisfaction with the risk of losing its identity and position on the world stage These ideas are conveyed through satire and comedy in the character dialogue The storys protagonist John Winston is an Aspergers syndrome savant with a photographic memory who attained material success through his musical ability and encyclopedic capacity for knowledge on all things regarding American pop music Unfortunately he lost everything as did many others in the economic times that are characteristic of todays US economy Because of the limited social skills associated with his disability Winston descends into a downward spiral that resulted in his isolation and drinking Then he is whisked away to China with three other main characters in a government program to stem the mounting crisis of an unemployment rate that has exceeded 50 percent This crisis seriously threatens the US presidents chances for a second term in office so his chief of staff devises a plan using the CIA to initiate a massive wholesale exportation of Americas unemployed
