Sex, Love, and Marriage in the 21st Century Robert T. Francoeur,Martha Cornog,Timothy Perper,1999 Love sex and marriage are changing faster than ever before in human history The current tidal wave of social changes will continue into the next century and we will have to adapt our sexual values and relationships to these accelerating changes These 22 honest authentic stories tell of the unconventional paths pioneering church leaders and spiritually aware women and men have taken in their quest to link their sexuality with their spiritual needs Some might see in these unorthodox explorations only tales of promiscuous couplings But these are not stories of wild thrill seekers These are tales told from the core of their being about their deeply felt need for genuine responsible love and intimacy within a spiritual context Their journeys do not promise paradise or instant happiness as popular magazines do with recipes for lifelong marital bliss and fiery passion These sojourners have much to teach us even when we decide that this or that path is not for us Their individual paths are not nearly as important as the simple message of God and Eros being inseparable that underlies journey God and Eros can come together in many different relationships And they must come together if we want to nourish and fulfill the divine spark at the core of our being These women and men challenge our assumptions and our willingness to adapt to our radically changing world **Randy as a Goat** Carolyn Gregg,Linda Mooney,2018-08-02 *Hell and Damnation* Carolyn Gregg,Linda Mooney,2018-08-17 Danelius is an incubus His job is to engage in sex with mortal women as they sleep drawing them into his snare and condemning their souls He s damn good at what he does and it doesn t matter that he s quite proud of the fact that

his record is practically spotless After all isn't pride one of the better deadly sins But when his last job goes awry and he subsequently pisses off the Devil Danelius finds himself in serious straits For one he's kicked out of Hell and ordered to find a pure soul to replace the sinner he lost For another he has no place to go and no place to stay Stripped of his powers naked and freezing his delectable buns off Danelius suddenly discovers that being mortal hurts It's even worse when he's rescued by Gemma and soon thereafter realizes he's falling in love with her It's when he discovers the true purpose of his exile that Danelius realizes he no longer wants anything to do with Hell or the Old Man He wants to remain a mortal with Gemma for whatever time they have left of their lives Wonder how well Satan will take the news when he finds out

Rhythm and Boos Carolyn Gregg, Linda Mooney, 2011-03-10 Sydney Shookerman aka Sinsuelle is an exotic dancer At least she tries to be Unfortunately Sydney sucks at the job She has a body to die for and the face of an angel but she lacks the timing and moves which would put her in the pro league Fortunately she manages to keep her job at Napoleon's nightclub And despite the rumors that Napoleon's used to be a speakeasy back in the 1920s and is reputed to be haunted she never knew how haunted it was until she accidentally awakes the spirit of one poor victim from that era The first thing Frankie Nuwirth wants to do is get even with the wise guys who put him away Although he has no idea how he was resurrected the cute half-naked dame working in the joint is an awful temptation And one thing is certain he hasn't been laid in almost a hundred years which means he has a lot of catching up to do

The Past's Promise Carolyn Gregg, Linda Mooney, 2013-04-03 She found the ultimate love of her life in another time and as a man Jessie Wharton is a teacher in the twenty-first century Or at least she was Taking her history class to visit the ruins of a historic fort in west Texas the scorching heat turned her world upside down Suddenly nothing was the way it was supposed to be She was no longer Jessie Wharton She was Jesse Webster She wasn't a teacher She was a private in the US Army stationed at Fort Callaghan a completely functional outpost And it was 1867 Worse she wasn't a she any longer She was a man A man who was finding himself falling in love with a fellow soldier named Martin Parrish Together they discover love in the scorching Texas heat in a time when the merest breath of homosexuality was enough to have the accused whipped to death if the native Indians didn't scalp them first

A Theology of Gay and Lesbian Inclusion Donald G Hanway, 2012-12-06 Encourage the Church to address the gift of human sexuality how to view it how to deal with it and how it relates to spirituality A Theology of Gay and Lesbian Inclusion Love Letters to the Church challenges traditional church teachings that brand homosexuality as immoral using pertinent scripture from the central Gospel to promote a full acceptance of gay and lesbian Christians This powerful book questions the assumption that gay Christians are morally inferior presenting testimony from gay men and lesbians about prejudice they've experienced at the hands of the Church and its straight members Written as a series of ten letters the book addresses the strengths and weaknesses of the church and appeals for a new understanding and commitment to the acceptance of its gay members From the author The purpose of this book is to equip you Christian warrior of the Gospel of peace to stand against those who use

the Bible to resist change even that change of which our Lord would approve In one sense there is nothing revolutionary about this book It is a book that respects tradition but only up to a point that point where tradition has to change to give way to what the Holy Spirit is showing us in our day of the mind of Christ And this is not revolutionary because tradition has had to change before it is a developing truth born of the corporate experience of the children of God and open to our claiming the exercise of our God given gift of reason A Theology of Gay and Lesbian Inclusion includes a series of letters that progress from establishing the purpose and credibility of the author to developing grounding in Scripture and experience to appealing to the reader to act as an ally of gay and lesbian Christians The letters include Dear Christian Believer which aims for the bull's eye of the reader's faith Dear Sexual Being which offers a fresh look at a sensitive topic Dear Confused Church Member which discusses what gay people are really like Dear Concerned Church Member which discusses what gay people really want Dear Bible Explorer which discusses what the Bible really says Dear Person Trying to Do the Right Thing from being to doing and much more A Theology of Gay and Lesbian Inclusion provides a friendly and informal Biblical rationale for alternatives to traditional church teachings encouraging the acceptance of gay and lesbian people as fully moral and fully Christian
