## Best Friend Box Gelly Doodles:

Life on Heartsville Farm K.L. Smith, 2018-12-20 *Life on Heartsville Farm* is a fictional novel that tells of a family's first year on a small farm in eastern North Carolina. It is a sequel to *Life Behind the Train Station*. The story picks up where the first book ended. The Lister family moves to the farm seeking refuge from the prejudices and evil acts committed against them. The family is full of hope that they will be able to live a life of peace and acceptance in a community that accepts people based on their values as fellow human beings free from prejudices and hatred. The story unfolds in the early 1950s and is told mostly through the eyes of one of the young Lister girls. It highlights the challenges faced by the Lister family as they adapt to a new life on the farm. It details the hard work and struggles faced by each member of the family. Complications of family dynamics continue to place roadblocks in their lives that must be resolved, altered, or accepted. The Listers continue to practice their religion with prayers to seek strength and guidance from God. The Listers rely on faith and God's promises to navigate through the life that God has given them. Highlighted are the people that cross paths with the family in their new home. The Listers find many positive aspects to living in the rural community. The farm families concentrate on the enormous amount of work required to run their farms. There is little time to entertain hatred and prejudices. People are accepted without regard to their race, religion, economic status, or gender. Often the families gather to celebrate happy occasions. The families work together to harvest their crops. The community rallies together to offer support to those in need. They gather to mourn any sad times experienced by members of the community. Helping hands and loving hearts are common among the people of Heartsville. While there is no perfect place on earth, it is refreshing to find a community that lives by the golden rule: to do unto others as you would have them do unto you. In life, there are good people and bad people, and people that can go either way. There will always be times of joy, times of laughter, times of sadness, and times of concern and worry. Heartsville is a community that allows peace and healing. It's just what the Listers needed. **The Publishers Weekly**, 2002 **A World**
