Best Mates A Study:

Friendships of Women Bible Study Dee Brestin, 2006-06 Great for personal or small group study this book correlates with the bestselling *The Friendships of Women* **Everyday Courage** Niobe Way, 1998-04 Developmental psychologist Way interprets first person accounts of what it means to be among the nearly 40 percent of poor and or ethnic minority adolescents in the 1990s drawing upon 71 interviews protocols appended with a sample of the 95 plus percent who do not meet the media stereotypes of destructive urban teens or superheroes With relational themes clustered in conceptual matrices and statistics belying perceptions of the degree of high risk behavior among youth she challenges the pathological pictures which emerge from quantitative studies representing them in preconceived categories Annotation copyrighted by Book News Inc Portland OR **Interpersonal Communication in Friend and Mate Relationships** Anne Maydan Nicotera, 1993-01-01 A concentration on communication processes is essential to sorting out fundamental problems in interpersonal relationships This book provides a general theory of the role of communication in interpersonal relationships that is grounded in the rules perspective and focuses on self concept and interaction as the generative mechanisms of relationship formation and growth The authors explore the kind of information that is exchanged in the process of initiating developing and maintaining friend and mate relationships Both types of relationships are explored in numerous cultural settings including America and American subcultures as well as Korea Nigeria Japan and China The inclusion of Nigerian culture is particularly significant because the research literature in interpersonal communication is lacking any information from the continent of Africa Implications are then considered for communication exchange across three categories of interpersonal communication culture conflict and quality **Introducing the New Sexuality Studies** Nancy L. Fischer, Steven Seidman, Chet Meeks, 2016-07-11 Introducing the New Sexuality Studies is an innovative reader friendly anthology of original essays and interviews that introduces the field of sexuality studies to undergraduate students Examining the social cultural and historical dimensions of sexualities this anthology is designed to serve as a comprehensive textbook for sexualities and gender related courses at the undergraduate level The book s contributors include both well established scholars including Patricia Hill Collins Jeffrey Weeks Deborah L Tolman and C J Pascoe as well as emerging voices in sexuality studies This collection will provide students of sociology gender and sexuality with a challenging and broad introduction to the social study of sexuality that they will find accessible and engaging Exploring Urban Youth Culture Outside of the Gang Paradigm Jade Levell, Tara Young, Rod Earle, 2025-03-18 On road is a complex term used by young people to describe street based subculture and a general way of being Featuring the voices of young people this collection explores how race class and gender dynamics shape this aspect of youth culture With young people on road often becoming criminalised due to interlocking structural inequalities this book looks beyond concerns about gangs and presents empirical research from scholars and activists who work with and study the social lives of young people It addresses the

concerns of practitioners policy makers and scholars by analysing aspects and misinterpretations of the shifting realities of young people s urban life

Adolescence in a Moroccan Town Susan Schaefer Davis, 1989 There are few serious studies of adolescence in contemporary Islamic society in spite of frequent reference to this part of the world as an example of close cultural regulation of sexuality and male female interaction This welcome contribution by an anthropologist and a psychologist is based on a long term study of about 150 youths and their families in a town in northern Morocco Topics given substantial treatment include sexuality family friendship courtship marriage and social deviance discussion often is organized around individual cases or interviews The book is clearly written and will be useful to those concerned with sexuality and adolescence in the Middle East or cross culturally It is part of the series *Adolescents in a Changing World* ed by B B and J W Whiting In some respects it nicely complements the well received book by L Abu Lughod *Veiled Sentiments* CH May 87 The Davis and Davis volume is more explicitly concerned with psychological theory formal interviews and a community wide sample Abu Lughod offers a more intimate and textured picture of domestic life *Resources in Education*, 1990 Close Relationships Clyde Hendrick, 2000 The authors in the volume extend the reach of their comprehensive reviews into theoretically driven and innovating explorations The scope of coverage across and within chapters is striking The developmentalist the methodologist the feminist the contextualist and the cross culturalist alike will find satisfaction in reading the chapters Catherine A Surra The University of Texas at Austin The science of close relationships is relatively new and complex *Close Relationships A Sourcebook* represents the growing maturity of this multidisciplinary enterprise The volume offers 26 chapters organized into four thematic areas relationship methods forms processes and threats as well as a foreword and an epilogue The volume provides a panoramic view of close relationship research as it enters the 21st century offering highlights from current literature original research practical applications and projections for future research Relationship Methods includes both qualitative and quantitative chapters Relationship Forms includes many of the stages types and roles that characterize intimate relationships In a developmental fashion chapters address social networks children's friendships adolescent relationships adult friendships and friendships in later life Chapters on multicultural and multiracial relationships and gay lesbian and bisexual relationships illustrate the variety of relationship forms that the science of close relationships must consider The alignments and realignments of traditional family structure are considered in terms of contemporary marriage divorce and single parenting and remarried families Relationship Processes includes chapters on emotion attachment romantic love sexuality intimacy communication conflict social support and relational maintenance The

important topic of gender concludes the section The shadow side of human nature is explored in the Relationship Threats section with chapters on infidelity and jealousy physical and sexual aggression depression and loss and bereavement A foreword by Ellen Berscheid sets the stage for this broad ranging collection of chapters Steve Duck and Linda Acitelli conclude with an epilogue that provides a new beginning for the science of close relationships

Evolution of Social Networks Patrick Doreian, Frans Stokman, 2013-02-01 This book answers the question of whether we can apply evolutionary theories to our understanding of the development of social structures Social networks have increasingly become the focus of many social scientists as a way of analyzing these social structures While many powerful network analytic tools have been developed and applied to a wide range of empirical phenomena understanding the evolution of social organization still requires theories and analyses of social network evolutionary processes Researchers from a variety of disciplines have combined their efforts in what is an indication of some very promising future research and the work represented in this volume provides a basis for a sustained analysis of the evolution of social life
