Writers Siga Fatima Jagne, Pushpa Naidu Parekh, 2012-11-12 This reference book surveys the richness of postcolonial African literature The volume begins with an introductory essay on postcolonial criticism and African writing then presents alphabetically arranged profiles of some 60 writers including Chinua Achebe Nadine Gordimer Bessie Head Doris Lessing Tsitsi Dangarembga Tahbar Ben Jelloun among others Each entry includes a brief biography a discussion of major works and themes that appear in the author's writings an overview of the critical response to the author's work and a bibliography of primary and secondary sources These profiles are written by expert contributors and reflect many different perspectives The volume concludes with a selected general bibliography of the most important critical works on postcolonial African literature

The Cardinals Bessie Head, 1995 The Cardinals thought to be the first long piece of fiction Head produced and the only one she ever set in South Africa is an exciting literary event *New Dictionary of South African Biography* E. J. Verwey, 1995 This series of publications aims to fill the gaps in our history highlighting in particular the significant roles played by black leaders from all walks of life *Migrating Words and Worlds* E. Anthony Hurley, Renée Brenda Larrier, Joseph McLaren, 1999 The essays presented here demonstrating concepts of Pan Africanism which historically were concerned with colonialism racial identity and African unity extend the discussion of an Africa that exists beyond the continent and includes the Caribbean the Americas and Europe *African Oral Literature* Russell Kaschula, 2001 Throughout Africa oral literature is flourishing though it is perceived by some as anachronistic to the modern world This work refutes this idea in its entirety by presenting 22 chapters which firmly place the study of oral literature within contemporary African existence The study analyzes how oral literature relates to media music technology text gender religion power politics and globalization *African Women Narrating Identity* Rose A. Sackeyfio, 2023-08-08 This book examines the complexities of women's lives in Africa and the transnational spaces of Europe and North America through the literary works of key African women writers Using a postcolonial analytical framework the book highlights the commonalities of African women's identities and experiences across national ethnic linguistic and religious boundaries in Africa and in western settings It collates the multi regional narratives of key African women writers who convey how women's lives are shaped by social economic and political factors at home and abroad It also illustrates the intersection of ethnicity class and gender that flows through all the texts examined Unlike existing works that explore African women's fiction this book uncovers the transformation from postcolonial themes of nationhood to global modalities of post independence writing through the lens of gender The book engages with feminist expression through broad themes including religion war and ethnic conflict women's status in society tradition and modernity and local and global tensions A unique approach to literary criticism of Anglophone African women's writing this book will be of interest to scholars and students in the field of African Literature African Studies Women's Literature Postcolonial Literature Cultural and Ethnic Studies and Migration and Diaspora Studies **Apartheid Narratives** Nahem Yousaf, 2001 In an engaging and dynamic collection of essays on South

African writing an international cast of contributors pay detailed attention to the shifting parameters of scholarly debates on apartheid and the apartheid era Investigating a range of literary and critical perspectives on a period that shaped the literature of South Africa for much of the twentieth century the contributors offer a rich survey The volume focuses on internationally acclaimed writers Nadine Gordimer and J M Coetzee as well as those writers who are yet to receive sustained critical attention Mtutuzeli Matshoba Alex La Guma Bessie Head Ahmed Essop Ronnie Govender Apartheid Narratives will be welcomed by academics and students of South African writing as a stimulating collection which maps the literary terrain of apartheid

Black African Literature in English, 1997-1999 Bernth Lindfors, 2003 This volume lists the work produced on anglophone black African literature between 1997 and 1999 This bibliographic work is a continuation of the highly acclaimed earlier volumes compiled by Bernth Lindfors Containing about 10 000 entries some of which are annotated to identify the authors discussed it covers books periodical articles papers in edited collections and selective coverage of other relevant sources

An Introduction to the African Prose Narrative Lokangaka Losambe, 2004 This collection of essays introduces students of African literature to the heritage of the African prose narrative starting from its oral base and covering its linguistic and cultural diversity The book brings together essays on both the classics and the relatively new works in all subgenres of the African prose narrative including the traditional epic the novel the short story and the autobiography The chapters are arranged according to the respective thematic paradigms under which the discussed works fall

Across the Lines, 2022-05-16 This third volume of ASNEL Papers covers a wide range of theoretical and thematic approaches to the subject of intertextuality Intertextual relations between oral and written versions of literature text and performance as well as problems emerging from media transitions regionally instructed forms of intertextuality and the works of individual authors are equally dealt with Intertextuality as both a creative and a critical practice frequently exposes the essential arbitrariness of literary and cultural manifestations that have become canonized The transformation and transfer of meanings which accompanies any crossing between texts rests not least on the nature of the artistic corpus embodied in the general framework of historically and socially determined cultural traditions Traditions however result from selective forms of perception they are as much inventions as they are based on exclusion Intertextuality leads to a constant reinforcement of tradition while at the same time intertextual relations between the new literatures and other English language literatures are all too obvious Despite the inevitable impact of tradition the new literatures tend to employ a dynamic reading of culture which fosters social process and transition thus promoting transcultural rather than intercultural modes of communication Writing and reading across borders becomes a dialogue which reveals both differences and similarities More than a decolonizing form of deconstruction intertextuality is a strategy for communicating meaning across cultural boundaries

Bessie Head Introduction

In the digital age, access to information has become easier than ever before. The ability to download Bessie Head has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Bessie Head has opened up a world of possibilities. Downloading Bessie Head provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Bessie Head has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Bessie Head. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Bessie Head. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Bessie Head, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Bessie Head

has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
