Holy Quran's Judgement - Sheihul

Mufliheen M.S.M Abdullah,2013-06-10 The Spiritual Leader explains with copious evidence the views held by other religions too that the truth La Ilaha Illallah that being the lifeline of Tawheed and that there is no Ilah creation but Allah He has thrown a challenge to anyone who can disprove this truth offering a handsome reward Until now no one has come forward to take up his challenge Allah is an arbitrary name and it does not point to something static or stationery This name denotes something beyond time and space and the reach of human knowledge and has manifested as the whole universe If one becomes aware of this truth peace and tranquility will be eternal in his heart and mind

Holy Quran'S Judgement - Part

1 Sheihul Mufliheen M.S.M Abdullah,2012-10-16 The five principles namely the Quran Hadith Ijma Kiyas and common sense makes and stabilizes the whole of Islam I have observed that the writings and commentaries of a few who are ignorant or are not fully versed in the knowledge of the Quran and Hadith are taken as the root by a few who by their writings commentaries and orations are propagating ideas that are a distortion of and in complete variance with the religion of Islam and thus create Bid ah amongst the public To those who seek genuine and authentic ideas of the Quran and Hadith these expositions have become stumbling blocks Therefore I seek to expostulate the basic facts and ideas with supporting evidences that constitute Islam that I gained by years of painstaking and difficult research The style of writing in this book is much against the traditions and style adopted in normal book writing It is not divided into chapters but mere orations some ideas are repeated several times and that too in many different angles I therefore seek your indulgence and patience to read and understand and do not come to conclusions by just going through parts of the book The contractual obligations between you the reader and me is that if you are a Mumin who fully believes in Allah and Rasool Quran and Hadith then study this book if not do not lay hands on this book
