matter of fact these plain spoken accounts will move and educate any reader gay or not from farm or city When I was fifteen the milkman who came to get our milk was beautiful This is when I was really getting horny to do something with another guy I waited every day for him to come I couldn't even talk to him couldn't think of anything to say I just stood there watching him wondering if he knew why Henry Bauer Minnesota When I go back home I feel a real connection with the land a tremendous feeling spiritual in a way It makes me want to go out into a field and take my shoes off and put my feet right on the dirt establish a real physical connection with that place I get homesick a lot but I don't know if I could ever go back there and live It's not the kind of place that would welcome me if I lived openly the way that I would like to live I would be shunned Martin Scherz Nebraska If there is a checklist to see if your kid is queer I must have hit every one of them all sorts of big warning signs I was always interested in a lot of the traditional queen things clothes cooking academics music theater A farm boy listening to show tunes My parents must have seen it coming Joe Shulka Wisconsin My favorite show when I was growing up was The Waltons The show's values comforted me and I identified with John Boy the sensitive son who wanted to be a writer He belonged there on the mountain with his family yet he sensed that he was different and that he was often misunderstood Sometimes I still feel like a misfit even with gay people Connie Sanders Illinois Agriculture is my life I like working with farm people although they don't really understand me When I retire I want the word to get out that I'm gay to the people I've worked with the dairy producers the veterinarians the feed salesmen the guys at the co-ops They're going to be shocked but their eyes are going to be opened James Heckman Indiana
