sober monument to neoclassicism that admirers have praised The Waste Land turns out to be something quite different something grim and wild unruly and intractable violent and shocking and radically indeterminate yet also deeply compassionate Rainey looks at how Eliot went about writing the poem and at the sequence in which he composed the parts Arriving at new insights into the poet's intentions Rainey unsettles tradition bound views of the poem and shows us that The Waste Land is even stranger and more startling than we knew DIV Antiquarian Book Monthly Review ,1987 The Comic Strip Art of Jack B. Yeats Michael Connerty,2021-08-30 This monograph seeks to recover and assess the critically neglected comic strip work produced by the Irish painter Jack B Yeats for various British publications including Comic Cuts The Funny Wonder and Puck between 1893 and 1917 It situates the work in relation to late Victorian and Edwardian media entertainment and popular culture as well as to the evolution of the British comic during this crucial period in its development Yeats recurring characters including circus horse Signor McCoy detective pastiche Chubbuck Homes and proto superhero Dicky the Birdman were once very well known part of a boom in cheap and widely distributed comics that Alfred Harmsworth and others published in London from 1890 onwards The repositioning of Yeats in the context of the comics and the acknowledgement of the very substantial corpus of graphic humour that he produced has profound implications for our understanding of his artistic career and of his significant contribution to UK comics history This book which also contains many examples of the work should therefore be of value to those interested in Comics Studies Irish Studies and Art History

Writing Talk Alex Hamilton,2012 In his long career in literary journalism Alex Hamilton has probably met and talked in depth to more of our great writers than anyone else from the most critically acclaimed to the most hard nosed bestsellers from novelists to cartoonists and in every genre from Thrillers and Whodunnits to Short Stories from Poetry to Science Fiction This selection from a life's work gives us a stimulating and rare insight into the minds and lives of some of the most fascinating creators of our modern culture It's a book that contains many surprises in the revelations given by some of the authors about their struggles and victories the serious or humorous commitments made by them and their addiction to the kind of fiction they like to write The reader will soon realise that no two of these eighty five featured authors such as Kurt Vonnegut Angela Carter Stephen King Daphne du Maurier Ian McEwan Jorge Luis Borges Graham Greene or Margaret Atwood are alike Splendidly informative and serious Writing Talk is also often very funny a book to dip into as the mood takes or to dive into hungrily It will appeal to those with a passion for books and for the people who have written them I've been fortunate to talk to so many marvellous writers Gathering some of these conversations into a book rather than their brief life in a daily newspaper offers a chance for readers to share my pleasure and to introduce a new generation to some past greats says Alex Hamilton behind his reason to create Writing Talk **The English Review** Ford Madox Ford,1935
