*Lord of the Bands* Deslexiea, 2011-04 *The Dangerous Dream* Paul W. Silver, 2010-07-14 Typhoon earthquake explosion upheaval are words connoting waste and destruction to be sure But remember there is a creative aspect to catastrophe which sweeps away the old and prepares the way for the new Be that as it may in describing the presidency of Duffy Artois the word revolution is simply inadequate Firestorm might be a word used by members of the two party machine that

governed America before Artois But in truth no single word suffices Only a bookful of words might hope to capture the visionary reel of the Artois era Hence The Dangerous Dream We can discover no writing nor record that predicted greatness for the ambitious and popular boy growing up in Los Angeles growing first into a passable scholar then into a criminal attorney into a prosecutor a district attorney and climactically in 1998 into the California governor s mansion Young Duffy Artois seemed destined merely for worldly success In 2002 as California governor Artois bravely took all the blame for an abyssal budget deficit even though there was plenty of blame to go around After one 4 year term he was narrowly defeated for reelection For the next 5 years he was content to work behind the scenes as a consultant speechwriter campaign manager He was content to be invisible All the while in the privacy of his heart a critical mass was smoldering Historians may quibble about whether the catharsis began during his term as governor or afterward There is no quibble about the historical fact that by 2007 the year a man named Skipper came along and lighted the fuse Artois had morphed into a walking talking megaton bomb

**American Dreams** Ricardo Miguez,2009-03-26 The scholars included in this collection sought to indicate more contemporary working definitions for the expression American Dream or rather Dreams The multidisciplinary selections come from many countries and represent scholars from different backgrounds They reflect the current developments and approaches in the field of US Studies and we hope to help broaden the scope of programs in higher education institutions The chapters are thematically organized in two sections Initial Dialogues and Comparative Dialogues The first one comprises essays that set the foundations for our discussions and intends to familiarize newcomers with the theme The second section extends the possibilities of working comparatively with the American Dreams and a number of other interdisciplinary fields of interest for US Studies programs

Tagtaginep - My Dream of Opportunity Roddy Espiritu,2013-03-07 This book contains my impressions and perspectives of the Philippines the United States and the world for that matter of my life struggles and dream of opportunity It s intended as a guidebook for regular and ordinary life both in the Philippines and in the United States depending on your inclinations abilities income and economic status Consider this as a report from my own listening post It contains actual interviews with people and excerpts from newspapers magazines books and the Internet My intention was to depict my own personal life and my family s and write about my own story based upon personal experiences but also to describe certain mores attitudes customs and cultures of various people in Philippine and American society as I see or interpret them trying not to offend or annoy My observations may not jibe with some people s cultural make up political conviction religious beliefs personal experience sensitivity and interpretation of certain issues and things but such is life I know that no matter where I stand and wherever I go it s always my opinion against any others and I have lots of opinions that can cause obvious negative reactions in the simplest of minds The world is full of cuckoos and we even admire some of them depending on who you ask When it comes to some very burning questions the first casualty is truth since there s a big difference between knowing the real story and the story we re told The historical events and lore that I have used as backdrop are based upon factual records and are of common knowledge in the Philippines and in the United States but people inject their own spin opinion hypocrisy dogma self righteousness politics pandering feeling insight and experience into certain circumstances as I did I have tried to be as truthful and transparent as possible in my own light You can scoff at me but I have no political agenda and I m not a conspiracy theorist I am just that I am I m not rewriting history but trying to give history its true light and history is fickle In my defense I quote the philosopher Voltaire I disapprove of what you say but I will defend to the death your right to say it I also have to show my credentials as Filipino so as to be able to tell Filipino jokes and not get in trouble in consideration that

this is my swan song I have lived in these United States since 1968 been drafted to the conflict in Vietnam worked long and hard in my profession have family traveled far now retired and have seen so much of the American society that I almost think of myself as a native On this note I beg for tolerance [American Directory of Writer's Guidelines](#) ,2007-02 Perhaps the best kept secret in the publishing industry is that many publishers both periodical publishers and book publishers make available writer s guidelines to assist would be contributors Written by the staff at each publishing house these guidelines help writers target their submissions to the exact needs of the individual publisher The American Directory of Writer s Guidelines is a compilation of the actual writer s guidelines for more than 1 700 publishers A one of a kind source to browse for article short story poetry and book ideas

**Decadent Romanticism: 1780-1914** Kostas Boyiopoulos,Mark Sandy,2016-04-08 For Decadent authors Romanticism was a source of powerful imaginative revisionism perversion transition and partial negation But for all these strong Decadent reactions against the period the cultural phenomenon of Decadence shared with Romanticism a mutual distrust of the philosophy of utilitarianism and the aesthetics of neo Classicism Reflecting on the interstices between Romantic and Decadent literature Decadent Romanticism reassesses the diverse and creative reactions of Decadent authors to Romanticism between 1780 and 1914 while also remaining alert to the prescience of the Romantic imagination to envisage its own distorted darker perverted other self Creative pairings include William Blake and his Decadent critics the recurring figure of the sphinx in the work of Thomas De Quincey and Decadent writers and Percy Shelley with both Mathilde Blind and Swinburne Not surprisingly John Keats s works are a particular focus in essays that explore Keats s literary and visual legacies and his resonance for writers who considered him an icon of art for art s sake Crucial to this critical reassessment are the shared obsessions of Romanticism and Decadence with subjectivity isolation addiction fragmentation representation romance and voyeurism as well as a poetics of desire and anxieties over the purpose of aestheticism
