Bischoff,2018-12-07 God came to earth as an illegitimate child Mary his mother was a human being not a porcelain figure in a nativity scene with a halo She was a young teenage Mediterranean woman who wanted to save herself for marriage Then an angel told her she d become pregnant by the Holy Spirit This book intends to dismantle the fictitious Mary made in the image of religion Rather the human Mary of the Scriptures who gave God a body is the subject of this book Mary was the mother of God not the mother of the church She is blessed without being divine an ordinary girl who obeyed God and supernaturally delivered the Savior of the world It is only a human Mary who can be accessible to the church as a model disciple of her son Jesus Christ *Take Hyperianism to the Morgue: Book II* The Illuminist Army,2023-02-18 When a cult gives out red flags everywhere then all decent moral people have an absolute duty a categorical imperative to blow the whistle and protect others People should have blown the whistle on influencer Andrew Tate long ago and now it s even more essential to blow the whistle on people such as Morgue the leader of the modern cult of Hyperianism and all the rest of the cult predators who are preying on na ve people those easy to manipulate and fleece This Hyperian cult is the epitome of cancel culture It actively tries to cancel anyone who says anything against it Absolutely no one is allowed to get away with criticizing it even though the cult leader hilariously claims that he will answer any question well except any question he

doesn't like and that's nearly all of them. The cult's attack dogs will be out for sure regarding this book. We know what's coming. We've been through it all before. This is a book featuring the direct victims of this dangerous Hyperian cult and its predatory leader Morgue. Three people were criminally swatted by the leadership of this cult. And that's just the tip of the iceberg. Come inside and find out all about what the leader of this cult and his chief accomplices get up to. Hear those affected in their own words, uncensored. This book will be of enormous value to anyone, including academic researchers dealing with a modern online cult. There are many cults out there just like Hyperianism, with dark triad leaders just like Morgue. Society needs to do something about it. The influencer industry resembles the Wild West. It's completely unregulated and is doing extraordinary damage to some of the feeblest, most impressionable and suggestible people in society. They are sitting ducks for online predators looking for a fast buck and adulation. Buffy, a former member of this cult, added this alarming comment about Morgue: He has ways of punishing people; they verbally punish you until you feel at your lowest. He gets the other admin to do it; he never does it. Watch out.

Brill's Companion to Statius William J. Dominik, Carole E. Newlands, Kyle Gervais, 2015-03-20. Brill's Companion to Statius is the first companion volume to be published on arguably the most important Roman poet of the Flavian period. Thirty-four newly commissioned chapters from international experts provide a comprehensive overview of recent approaches to Statius, discuss the fundamental issues and themes of his poetry, and suggest new fruitful areas for research.
