Peter And Jude:

1 & 2 Peter and Jude Carolyn Nystrom, 2012-09-27 Carolyn Nystrom leads us to discover what it takes to be mature in Christ and to recognize God's direction and comfort when we travel dark roads The Letters of 2 Peter and Jude Peter H. Davids, 2006-09-19 Filling a notable gap in scholarship on 2 Peter and Jude Peter Davids artfully unpacks these two neglected but fascinating epistles that deal with the confrontation between the Greco Roman world and the burgeoning first century Jesus communities Davids firmly grasps the overall structure of these oft maligned epistles and presents a strong case for 2 Peter and Jude as coherent consistent documents Marked by exceptional exegesis and sharp independent judgments Davids's work both connects with the latest scholarship and transforms scholarly insights into helpful conclusions benefiting Christian believers *Jude and 2 Peter (Baker Exegetical Commentary on the New Testament)* Gene Green, 2008-11-01 In this new addition to the award winning BECNT series respected New Testament scholar and biblical interpretation expert Gene Green offers a substantive yet highly accessible commentary on the books of Jude and 2 Peter With extensive research and thoughtful chapter by chapter exegesis Green leads readers through the sociological historical and theological aspects of these New Testament books As with all BECNT volumes Jude and 2 Peter features the author's detailed interaction with the Greek text This commentary admirably achieves the dual aims of the series academic sophistication and pastoral sensitivity and accessibility making it a useful tool for pastors church leaders students and teachers The user friendly design includes shaded chapter introductions summarizing the key themes of each thought unit **Sacra Pagina: 1 Peter, Jude and 2 Peter** Donald P. Senior, Daniel J. Harrington, 2016-03-16 Crisis in the church is not a new phenomenon In fact the church has always been and probably always will be involved in some kind of crisis Even in the apostolic period which is regarded by many as the church's golden age there were serious crises coming both from the outside as in 1 Peter and from the inside as in Jude and 2 Peter The three short New Testament letters treated in 1 Peter Jude and 2 Peter illustrate the problems early Christians faced as well as the rhetorical techniques and theological concepts with which they combated those problems In the first part of this volume Donald Senior views 1 Peter as written from Rome in Peter's name to several churches in northern Asia Minor present day Turkey in the latter part of the first century C E The new Christians addressed in 1 Peter found themselves aliens and exiles in the wider Greco Roman society and suffered a kind of social ostracism But they are given a marvelous theological vision of who they have become through their baptism and pastoral encouragement to stand firm They are shown how to take a missionary stance toward the outside world by giving the witness of a holy and blameless life to offset the slander and ignorance of the non Christian majority and possibly even to lead them to glorify God on the day of judgment In the second part of this volume Daniel Harrington interprets Jude and 2 Peter as confronting crises in the late first century that were perpetrated by Christian teachers who are described polemically as intruders in Jude and as false teachers in 2 Peter In confronting the crises within their churches the authors appeal frequently to the Old Testament and to

early summaries of Christian faith While Jude uses other Jewish traditions 2 Peter includes most of the text of Jude as well as many distinctively Greek terms and concepts It is clear that for the authors despite their different social settings what was at stake was the struggle for the faith Daniel J Harrington SJ is a professor of New Testament at Weston Jesuit School of Theology in Cambridge Massachusetts and general editor of New Testament Abstracts He is a past president of the Catholic Biblical Association of American and the editor of the Sacra Pagina series He also wrote The Gospel of Matthew in the Sacra Pagina series Donald Senior CP is a professor of New Testament studies and president of Catholic Theological Union in Chicago He was recently appointed by Pope John Paul II to the Pontifical Biblical Commission General editor of The Bible Today he also co edited The Collegeville Pastoral Dictionary of the Bible and the 22 volume international commentary series New Testament Message and he wrote the four volume The Passion series published by The Liturgical Press

The Second Epistle General of Peter, and the General Epistle of Jude Michael Green,1987 Green s study of 2 Peter and Jude constitutes one volume in the Tyndale New Testament Commentaries a popular series designed to help the general Bible reader understand clearly what the text actually says and what it means without undue recourse to scholarly technicalities

The Letters of Peter and Jude Raymond C. Kelcy,1972 **The Letters of Peter and Jude** A. R. C. Leaney,1966-10 This series of commentaries on the New English Bible is designed for use in schools and colleges and for the minister and the layman Each volume comments on one book or part of the Bible In each the text is given in full Sections of text and commentary alternate so that the reader does not have to keep two books open or turn from one part of the book to the other or refer to a commentary in small type at the foot of the page Great care has been taken to see that the commentary is suitable for the student and the layman there is no Greek or Hebrew and no strings of biblical references The general editors all have experience of teaching or examining in school and working with adults Commentaries on all the books of the Old Testament New Testament and Apocrypha have been published together with introductory volumes and books of illustrations to accompany each Testament

Reading 1 Peter, Jude, and 2 Peter Earl Richard,2000 This volume is dedicated to the study of three late little known biblical works that historically have been relegated to the lesser works of the New Testament Reading 1 Peter Jude and 2 Peter underscores the light that these letters shed upon one another and focuses on the snapshots they provide of early Christian communities as they encountered the social and religious environment in which they were situated Careful reading of 1 Peter reveals the complex world of the post apostolic period Jude and 2 Peter provide a sober look at the early community s evolution in doctrinal and moral terms

Epistles of Peter and Jude J. N. D. Kelly,1990-12-31 This is part of a series of modern commentaries based on new English translations made by their respective editors While adhering strictly to sound scholarship and doctrine they intend above all to bring out the theological and religious message of the New Testament to the contemporary Church

2 Peter, Jude Jerome H. Neyrey,1993 *The Epistles of Peter and Jude* David G. Horrell,1998 The letters of Peter and Jude occupy a neglected corner of the canon From

a historical perspective they offer insight into early Christianity This text explores what these letters say about God Christ and the Spirit and about Christian identity

2 Peter and Jude Ruth Anne Reese, 2007-10-15 In this volume Ruth Anne Reese explores the theological and literary meaning of 2 Peter and Jude with an emphasis on theology for the church today She seeks to meld together the best tools derived from the disciplines of both biblical studies and theology Reese's 2 Peter and Jude begins with a general introduction to the two books and proceeds to look at each text exploring the meaning of particular words and illuminating the text with elements of history sociology and literary study The themes of each book and how they are played out throughout the biblical canon are examined from an explicitly theological angle Reese brings together insights from the best of biblical scholarship with the work of theologians both contemporary and ancient The combination of disciplines leads to new insights on such issues as judgment community living and the relationship between faith and ethics

I and II Peter and Jude Lewis R. Donelson, 2013-11-06 The letters of 1 and 2 Peter and of Jude come from a time in Christian history about which we know little thus they represent rare voices from a crucial time in Christianity's development And the picture of early Christianity suggested by these letters is a fascinating one
