Sex E:

An Analysis of U.S. Sex Education Programs and Evaluation Methods Douglas Kirby, Judith Alter, Peter Scales, 1980

Values in Sex Education Mark Halstead, Michael Reiss, 2003-09-02 Sex education is rarely out of the news. Despite this, there exist surprisingly few studies of the principles, policies, and practice of sex education. This book provides such an examination focusing on the values to which children are exposed in sex education. Sex education inevitably involves the transmission of values regardless of whether this is intended by teachers. Throughout the book, academic and professional literature on both values and sex education is reviewed and discussed. The authors look at the implicit liberal values which underpin programmes of sex education and at the challenges presented by the diversity of values in contemporary society. The book also considers why values are central to sex education. Children's voices and children's values. Religious and family values. Achievable aims for school sex education. How to help young people to reflect critically on the influences to which they are exposed and on their own developing sexual values. How to build values into practical approaches to sex education at both primary and secondary levels. This timely book will help all those involved in sex education to steer a path between controversial and often opposing views and will be essential reading for students on PGCE and BEd courses. It will also be a valuable resource for teachers and professionals involved in teaching sex education such as teachers of personal and social education, form tutors, heads of year, school nurses, health workers, and academics.

The Transformation of American Sex Education Ellen S. More, 2022-01-11 This book examines Americans' attempts to come to terms with the vexed subject of sex education in the schools from the late 1940s to the early 21st century. Using Mary Calderone's life and career as a touchstone, it traces the origins of modern sex education in the United States from the work of a group of reformers who coalesced around Calderone to create SIECUS in 1964 through the development and use of the competing approaches known as abstinence-based and comprehensive sex education from the 1980s into the 21st century.

Advancing Sexual Consent and Agential Practices in Higher Education Jason A. Laker, Erica M. Boas, 2024-06-03 This book provides an in-depth exploration of sexual consent communication and negotiation practices among students and efforts to prevent and respond to sexual coercion and violence within the context of North American higher education institutions. Delving into the complexities of communication around sexual consent, it examines how factors such as identity, early learning experiences, societal norms, and coercive elements influence interactions among young adult postsecondary students. It emphasizes the importance of agency in intimate settings and how this is shaped by these factors. The methodology employed in this decade-long research is innovative and interview-based, providing a rich narrative from student perspectives. These narratives serve to highlight the intricate interplay between individual agency and societal expectations in intimate situations. The book also incorporates valuable insights from other experts in the field. These contributions serve to contextualize the study's findings within the broader theoretical framework and research on the subject. This approach not only enriches the descriptions of the study but

also provides a more holistic understanding of the topic As such the book ultimately helps to inform educational policies and professional practices to promote sexual agency and address pressing issues such as sexual coercion violence and assault on campus This volume will appeal to researchers and stakeholders in higher education including educators upper level students professional practitioners and parents In doing so it contributes to the conversation around creating a safer and more respectful environment in higher education institutions

Young People's Views on Sex Education Dr Lynda Measor, Lynda Measor, Katrina Miller, Coralie Tiffin, 2012-11-12 Based on observation of sex education programmes and in depth interviews with young people the authors aim to understand more about adolescent s attitudes to sexuality and their sexual behaviour in order to develop policies which will meet their needs more appropriately and effectively Issues covered in this interesting and accessible book include the ways adolescent informal culture affects sex education programmes and practice the impact of gender inequality on sex education and safer sex behaviours legislation and policy frameworks which effect sex education policies the way young people see legislation and evaluate sex education programmes and the impact health professionals can have in school sex education The authors contend that the insights into the values and views that young people bring to bear on the sex education they receive should have an important role to play in the development of policy and practice of those involved in sex education work

Get Real about Sex Pam Alldred, Miriam E. David, 2007 Up to date and accessible this book manages to be both theoretically subtle and attuned to the realities of classroom practice Dr Rachel Thomson The Open University This book is a great success and provides a wealth of insights into the realities of teaching and being taught about sex and relationships Michael Reiss Institute of Education What are the different values and perspectives on sex and relationship education within a single secondary school How do young people think sex education should be taught What are the challenges facing the provision of good sex and relationship education at the classroom level and at the political level Young people often receive mixed messages about gender and sexual relationships When providing sex education lessons schools should take into account different ideas and values including the general British embarrassment over intimate matters and differing political and personal views about sex education This book combines young people s views of sex education schooling and parenthood with those of teachers school nurses and head teachers It brings together these varied perspectives and considers how they reveal different values aims and agendas The authors highlight the potential conflict between approaches to education and health and reveal the complexity of dealing with sexuality and gender in real life situations Focusing on young people s identities in the classroom contemporary theoretical approaches in the social sciences are employed to explore how gender is enacted and experienced by individuals and how social pressures and government agendas operate at the level of the individual This book contains original first hand empirical material from a detailed study of all the schools in one English city and offers a critical analysis of broader political and cultural ideas and values Get Real About Sex is key reading for students and professionals in education health and the

sociology of gender and sexuality **Sex Equity and Sexuality in Education** Susan S. Klein, 1992-01-01 Gelijke behandeling en seksuele vorming in het onderwijs staan centraal in deze bundeling essays Nieuw zijn deze thema's niet voor leerkrachten maar wel is er nog maar weinig aandacht gegaan naar de combinatie van deze twee onderwerpen De samenstellers zijn ervan overtuigd dat een goede seksuele vorming op school seksuele gelijkheid in de hand kan werken De eerste hoofdstukken zijn bedoeld als introductie op het thema De evolutie van ideeën over seksuele vorming seksualiteit en gelijke behandeling is het onderwijs worden in hun historische context geschetst Daarop voortbouwend worden een aantal doelstellingen geformuleerd waaraan seksuele vorming in het onderwijs zou kunnen voldoen Verder is er ook aandacht voor volgende onderwerpen seksuele intimidatie homoseksualiteit en seksualiteit en gehandicapten **Faith, Values and Sex & Relationships Education** Simon Blake, Zarine Katrak, 2002-01-01 This book offers approaches and strategies for developing sex and relationships policy and practice to help workers engage with and understand the issues **Sex and Relationships Education** Simon Blake, 2013-07-04 This book will enable and assist teachers responsible for organizing and delivering Sex and Relationships Education It draws together the best available practice to support teachers in developing policy and classroom practice It begins by looking at general principles and then focuses on primary secondary and special schools as well as pupil referral units These chapters will provide a toolkit of ideas and approaches that teachers can use in the classroom Included are practical exercises that can be done alone or in staff meetings to prepare yourself or a colleague to deliver SRE a glossary of terms that will support you in answering children's and young people's questions advice on choosing developing and using resources and a list of useful organizations and websites The book will be particularly helpful to PSHE coordinators Health Promotion Units National Healthy School Standard coordinators and SRE teachers in schools LEA Advisors and Inspectors and anyone involved in training and supporting teachers will also find this a useful guide

Relationships and Sex Education 3-11 Sacha Mason, Richard Woolley, 2019-03-21 Where do babies come from The prospect of this age old question is one that causes significant apprehension for many professionals working with children but this isn't where the anxiety ends This book argues that it is essential to have clear strategies to support children's questions about relationships growing up and sex so that they are enabled to develop positive and confident views about themselves and those around them It examines important concerns such as the role of media in children's lives in shaping their views on relationships and explores how issues of gender and sexuality are considered more fluidly Whether working in an academy free schools faith schools the independent sector or elsewhere this book supports you to help children to deal with a wide range of relationships issues meeting the requirements of the new legislation on relationships education for primary aged children as a foundation for relationships and sex education Drawing on research with teachers about their apprehensions about teaching the subject and children's experience of its delivery the authors give a full picture of common concerns and difficulties and how to successfully meet them and support children from 3-11 and the transition to secondary

school Topics covered include platonic friendships developing self respect and respect for others and enabling personal choice and safety Sacha Mason and Richard Woolley explore issues surrounding notions of age and stage development They discuss how children develop at different rates and that each child is unique in relation to learning in this area They outline a distinct pedagogical approach to managing children s individual needs for relationships and sex education They also look at supporting children with SEND when considering how to implement relationships education in primary schools This second edition includes new chapters on children s development and needs and developing inclusive relationships education The book has been updated throughout with summaries of the latest research case studies ideas for developing practice and signposts to key websites and resources The chapters provide all the support you need to confidently promote children s healthy development Fundamental Concepts and Critical Developments in Sex Education Reece M. Malone,Tracie Q Gilbert,Catherine Dukes,Justine Ang Fonte,2025-06-25

This comprehensive resource equips emerging and experienced sexuality educators with contemporary frameworks for trauma informed equitable and anti oppressive education It provides foundational principles for development and delivery emphasizing inclusivity accessibility and intersectionality Editors Malone Gilbert Dukes and Fonte curate chapters by leading voices on topics such as historical perspectives values emotional intelligence professional humility reproductive justice neurodivergence sex work kink childhood and adolescent sexualities faith based education social media and entrepreneurship Authors demonstrate decolonization trauma informed care and equity in practice With practical applications and reflective questions this book is a vital guide for creating and teaching impactful inclusive sex education for diverse audiences Sex, Youth, and Sex Education David Campos,2002-04-23

An authoritative reference that discusses the history of sex education and its ramifications in the United States Community and school officials parents and educators often stay to the wee hours of the night at PTA meetings arguing about sex education and sexual behavior among young people While some groups preach abstinence and attempt to sign as many youngsters as possible to their rosters it remains a fact that 50 percent of U S teenagers beginning at age 15 are sexually active Sex Youth and Sex Education is a wonderfully crafted resource that gives not only a statistical overview of sexual activity in schools but also examines sex education the scourge of sexual violence in schools and sexuality among selected groups of youngsters What emerges is a groundbreaking work for educators and students of sociology psychology and education This work brings to light the fascinating not to mention ubiquitous world of sexuality among today s youth and its impact on parents school personnel policymakers and society **Religious Fundamentalism and American Education** Eugene F.

Provenzo,1990-01-01 For the past twenty five years ultra fundamentalist Christians have put increasing pressure on American public education to conform exclusively with their own philosophy and vision of education and culture Eugene Provenzo considers and addresses the impact that the fundamentalist movement has had on such issues as censorship textbook content Creationism versus Evolution the family and education school prayer and the state regulation of Christian

schools In exploring both sides of the debate however the author concludes that many fundamentalists concerns are justified due to a basic inconsistency between the rights guaranteed under the First Amendment and the position that many public schools have legally assumed

Handbook of Sexuality-Related Measures Clive M. Davis,1998 Fundamental to understanding human sexual expression is reliable and valid measurement and assessment Many instruments have been developed to measure a myriad of sexuality related states traits behaviours and outcomes Few are easily accessible and the information is often limited concerning appropriate use and psychometric properties To counter these problems the Handbook of Sexuality Related Measures reproduces more than 200 instruments accompanied by essential information for their use in research educational and clinical settings Each chapter describes the development and appropriate use of each instrument Reliability and validity data are summarized and referenced
