13 Georgia Ghosts And Jeffrey:

Thirteen Georgia Ghosts and Jeffrey Kathryn Tucker Windham, 2015-04-30 *Thirteen Georgia Ghosts and Jeffrey* is a deluxe commemorative edition of famed southern author and folklorist Kathryn Tucker Windham's introduction to Georgia's thirteen most famous haunted houses and ghostly visitations 13 Georgia Ghosts Kathryn Tucker Windham, 1973

Jeffrey's Favorite 13 Ghost Stories Kathryn Tucker Windham, 2004-05-01 This is the first anthology of the author's own favorite ghost stories from the highly successful Jeffrey series of books that began in 1969 with *13 Alabama Ghosts and Jeffrey*. Hundreds of thousands of these books have been sold. The present volume includes 13 of the best of Mrs. Windham's stories representing mysterious and supernatural doings from Alabama, Georgia, Tennessee, and Mississippi. Most of the stories are related to historical places and sometimes to historical people Thirteen Georgia Ghosts and Jeffrey Kathryn Tucker Windham, 1987 Stories of thirteen famous and lesser known ghosts of figures who played a part in the history of Georgia **Haunted Central Georgia** Jim Miles, 2017-10-02 The author of Georgia's Civil War ghost books proves that the Peach State's phantoms come in many forms. Every portion of central Georgia is thoroughly haunted. To be the ghost of Orna Villa in Oxford had an appetite for biscuits. Angry spirits near Augusta drove a family from a beautiful old home. Paranormal entities in a home cobbled together from three old houses created a tapestry of supernatural events. People still seek advice from a fortuneteller dead half a century and a long deceased girl hitches a ride home on the same night each year. Author Jim Miles presents a ghost story from each of the fifty-one counties in this historic region. Every county in Georgia has at least one ghost story and author Jim Miles has gathered them into three books. Miles traveled to all 159 counties as well as two counties that went extinct during the Great Depression. The completion of the books was a 10-year project for Miles. The stories span all of Georgia history from one with its origins 2,000 years ago to the latest in scientific ghost hunting. Gainesville Times **She** Kathryn Tucker Windham, 2012-08-01 This slender book, the last of twenty-nine written by Kathryn Tucker Windham over her long and productive life, will be an exquisitely bittersweet read for the many fans of the late storyteller and author from Selma, Alabama. In *She*, which Windham was putting the finishing touches on when she died in June 2011, the author describes how she woke up one day to find that she had an unwanted houseguest: an old woman who had suddenly moved into her home and was taking over her life. Windham referred to this interloper simply as *She*, and here the reader has been invited into the lively colloquy between the author whose spirit has not changed and her alter ego who moves haltingly toward her earthly end. She will leave you laughing and crying but also grateful and hopeful *Alabama, One Big Front Porch* Kathryn Tucker Windham, 2007-01-01 Many of Alabama's finest stories used to begin with a reference to the night the stars fell, and even now there is an inclination among some residents to divide local history into two segments: before the stars fell and after the stars fell. That would make November 13, 1833, the dividing line. Thousands of Alabamians thinking the end of the world was at hand when they saw the heavenly spectacle fell to their knees to plead for mercy and

forgiveness Others promised eternal renunciation of sin card playing dancing whiskey drinking cursing and associated vices if they were spared whatever catastrophes were in the offing Still others jumped upon horses and tried to outrace the fearful menace they believed was pursuing them Spit, Scarey Ann, and Sweat Bees Kathryn Tucker Windham,2009-09-01 With sprightly humor and a lifetime spent observing Southern culture beloved storyteller Kathryn Tucker Windham shares memories of her childhood in Thomasville Alabama She affectionately recounts stories about family members friends and favorite pastimes Spit Scarey Ann and Sweat Bees recalls small town life in the 1920s and 30s garnished with ruminations about folktales and superstitions Mrs Windham recalls how Thurza the family cook tucked a wooden match in her hair to cure a headache and how her father spit in his hat when a rabbit crossed the road She ponders the origins of old sayings and the creativity of children s play before television and air conditioning One thing leads to another Mrs Windham says ticking off the items she wants us not to forget In every phrase the reader hears her voice almost as if our favorite story teller was in the room Shadows and Cypress Alan Brown,2009-09-28 From backwaters as dark as a cypress swamp to nooks as mysterious as a musty college library southerners have conjured spirits and told ghost stories Shadows and Cypress Southern Ghost Stories is a Dixie s ance that summons ghost tales from Alabama Arkansas Florida Georgia Kentucky Louisiana Mississippi North Carolina South Carolina Tennessee Texas and Virginia Collecting more than a dozen stories from each state this book channels the South s entire panorama of creepy locales into one volume The limestone caves of Kentucky the swamps of Louisiana and Florida the pine hills and hollows of Appalachia and the plains of Texas these are perfect haunts for a host of narratives about visitors from the spirit world The many cultures that converged in the American South enriched the region s ghost stories Shadows and Cypress taps African American French Hispanic and Scotch Irish storytelling traditions to capture the distinctive signatures that each has left on ghostlore Throughout the region the southern ghost story is hardly a curio from the crypt It is still alive and well Folklorist Alan Brown draws stories from crannies as contemporary as the college dormitory or cars parked on a lover s lane To give the reader the unique experience of hearing a classic ghost story told Brown presents these tales exactly as they were recorded in his field research or as archived in the trove of the WPA oral collections A wide variety of specters found only in this region arise in Shadows and Cypress The fillet and loogaroo from Louisiana plat eye from South Carolina and haints from across Dixie are among the creatures bumping in the night Beginning with the Revolutionary War and continuing to the present day this generous gathering of tales will chill and delight readers and long haunt shelves as a comprehensive sourcebook of the region s supernatural allure Georgia Legends & Lore Alan Brown,2022 Settle in for a juicy bushel of Peach State bafflement **Jeffrey's Latest Thirteen** Kathryn Tucker Windham,2016-11-15 Among the other hair raising tales in this collection Windham spotlights the apparitions of academia From the three Yankee soldiers who haunt the University of Alabamas Civil Warera Little Round House to the Confederate soldier who resides in the University Chapel at Auburn University Alabamas institutions of higher learning seem to have
