**INNOVATIVE, UNCONVENTIONAL, AND
ENTERTAINING—A NEW WAY TO SUCCESSFULLY LEARN JAPANESE**

13 Secrets for Speaking Fluent Japanese presents tested shortcuts for Japanese language acquisition. Identifying two groups of people who actively and effectively study Japanese to the point of fluency—successful non-native learners and Japanese children—Giles Murray has collected from both groups the most revealing and successful techniques which can be put to immediate use by both beginner and advanced students of Japanese.

This book is designed for people who have tried without textbooks and failed, people who know a little Japanese but don't have the necessary time or motivation to make the transition to more serious textbooks, and people seeking to increase fluency without ability already acquired.

It introduces new strategies for thinking, speaking, and remembering Japanese quickly, efficiently, and independently. Used in tandem with a mainstream textbook, such as *Japanese for Busy People* (also published by Kodansha International), these strategies will enable any student to apply what they have learned in the classroom to real life situations, and to speak without hesitation in natural and fluent Japanese.

With its lively and entertaining commentaries, striking illustrations, two Japanese manga—including a six-page extract from Osamu Tezuka's famous *Blackjack* series—brain-teasing puzzles, and genuinely useful example sentences, **13 Secrets for Speaking Fluent Japanese** offers a unique and more exciting alternative to all students of Japanese.

Giles Murray lives in Tokyo where he works as a bilingual advertising copywriter, translator, editor, and publisher. He is the author of *Secret Business Japanese* (also published by Kodansha International) and appears as Jimmy Hibish in the *Japanese for Busy People: The Video* series.
