What are the solutions Since its inception Islamic extremism has waged bloody conflict against all those that dare to stand in its path Seeking to untangle and explore the inner workings of these extremist groups Tenants of Terror has developed beyond its humble beginnings as an undergraduate thesis into a comprehensive study of the dogma plans and methodology of radical Islamic terrorists within our society It addresses why the threat of terror and Sharia has not been addressed by our governments and most importantly this manuscript reveals how we can stop the growing tide of radical Islamic extremism before it is too late *Select Notes* Mary Abby Thaxter Peloubet,1890 *The Comprehensive Commentary on the Holy Bible*,1837 *The Changing World Religion Map* Stanley D.
