13th Juror:

The Thirteenth Juror Nelda Holder, 2015-11-13 The death of Michael Brown Jr in Ferguson Missouri on August 9 2014 has become a touchstone for reform in three areas of American society the high incidence of black citizens killed by white policemen the pattern and effect of systemic racism in the countrys criminal justice system the need for study and reform of current federal and state grand jury systems The Thirteenth Juror illustrates the pitfalls of the grand jury system by inviting readers to take a seat with the 12 people selected as grand jurors in the Michael Brown case and to share the evidence and process they went through Details that were not openly or adequately questioned are highlighted and the impact of the posture and attitude of the prosecuting attorneys is explored Disparities are uncovered in the narrative of Ferguson Police Officer Darren Wilson who was responsible for Browns death and the process of informing or misinforming jury members regarding the law s governing their deliberations is given critical attention Ultimately throughout the 24 days of testimony the deeply human side of this tragedy is shared And measured against the history of the grand jury process itself this is a case study illustrating the need for examination and reform United States Reports United States. Supreme Court, 1982

You the Jury Gini Graham Scott,2008-03 Can a person repress memories of childhood sexual abuse and suddenly recover those memories 10 15 or 20 years later YOU THE JURY offers a balanced approach in which you will hear arguments on both sides of the question in a representative case argued by opposing attorneys It s a fast paced legal drama that takes place both inside and outside the courtroom when the plaintiff 27 year old Roberta Claire decides to file a lawsuit charging sexual abuse by the defendant her 66 year old stepfather Lloyd Adams Although the alleged incidents occurred more that fifteen year ago Roberta is convinced they actually happened while Lloyd insists he is innocent and that Roberta s psychologist planted the awful memories in his step daughter s mind When the case goes to trial you ll be invited to participate in the decision making process as a voting member of the jury So are the memories of abuse real and do you find for the plaintiff Or do you reject the theory of recovered memories as junk science and find for defendant You decide This book is unique among the many books about recovered memories because it presents both sides of the issue Readers will get to see what really happens in a trial and the reader is a juror Which witnesses should be believed is up to the reader It is a realistic challenge Robert Koscielney Member Board of Directors False Memory Syndrome Foundation You the Jury is a riveting and fascinating book and shows the human element of the destruction and devastation of family members It shows professional therapists with their conflicting opinions on this controversial issue Written in fiction like form You the Jury is magnetic in holding your attention to an issue and tragedy that is all too endemic in our society Claire R Reeves President Founder Mothers Against Sexual Abuse MASA **King of the Bootleggers** William A. Greife,2023-12-01 This book examines the lived experiences of death penalty defense lawyers and how they created a legal culture of resistance to the death penalty It argues that an important social component of death penalty abolition in the state of Colorado was due to the efforts of capital defense attorneys Specifically it explores how the death penalty defense lawyers created and embraced a legal culture of resistance which compelled the attorneys to fight tenaciously in order to win life sentences for clients that had committed brutal homicides A legal culture of resistance does not exist in a vacuum Thwarting Death traces the lived experience of 15 death penalty defense lawyers from when they were kids all the way up through retirement to explain how a legal culture of resistance forms and lawyers operate within it after being established which in turn can have a massive influence on public

policy outside of a courtroom such as creating a social and political environment conducive to abolishing the death penalty
