16 Men With A Message The Old Testament Prophets:

16 Men with a Message William Macdonald,1976 *James Peter John Jude* Mark A Jeske,2002-07-01 What is the book of James about in the Bible What are the books of 1 and 2 Peter about in the Bible What are the books of 1 2 and 3 John about in the Bible What is the book of Jude about in the Bible The letters of James Peter John and Jude are often grouped together and called the general or catholic epistles because they are not addressed to a single congregation of Christians James focuses on faith and Peter encourages believers to lead Christian lives The letters from John focus on the meaning of the Lord s actions and the book of Jude warns believers against false teachers Want to learn more If you re wondering what the books of James 1 and 2 Peter 1 3 John and Jude are all about this helpful resource is for you James Peter John and Jude is a reliable Bible commentary It s down to earth clearly written easy to read and understand and filled with practical and modern applications to Scripture It also includes the complete text of the books of James 1 2 Peter 1 3 John and Jude from the NIV Bible The Christ centered commentaries following the Scripture sections contain explanations of the text historical background illustrations and archaeological information James Peter John and Jude is a great resource for personal or group study This book is a part of The People s Bible series from Northwestern Publishing House **Believer's Bible Commentary** William MacDonald,2016-08-16 Make Bible study a part of your daily life with the thorough yet easy to read commentary that turns complicated theology into practical understanding The second edition of Believer s Bible Commentary is a one volume guide that helps the average reader develop basic knowledge of the Bible This commentary written by the late William MacDonald explores the deeper meanings of every biblical book and tackles controversial issues from a theologically conservative standpoint while also presenting alternative views Serving as a friendly introduction to Bible study Believer s Bible Commentary gives clarity and context to scripture in easy to understand language Features Introductions notes and bibliographies for each book of the Bible A balanced approach to linguistic studies and useful application Comments on the text are augmented by practical applications of spiritual truths and by a study of typology where appropriate Colorful maps of the Holy Land and other useful study helps Can be used with any Bible translation but is best used with the New King James version Bible Inspiration, Preservation, and Authority: The Bible as God's Revelation David Pratte,2019-10-15 A study of what the Bible itself says about its inspiration preservation and authority Scripture as a complete and perfect religious guide Topics included are The Inspiration of the Bible The Historical Nature of Bible Accounts The Preservation of the Bible The Need for Bible Authority The Authority of Bible Examples and Necessary Inferences The Authority of the Old Testament Today Direct Guidance of the Holy Spirit Today Human Creeds or Majority Rule Let Your Conscience or Emotions Be Your Guide Church Traditions **Themes and Transformations in Old Testament Prophecy** Samuel A. Meier,2014-08-15 We meet the prophets of Israel in our own time and in one place Scripture So it might seem odd to consider that they are not all the same these voices from back then In fact the prophets inhabited a time span of hundreds of years and faced events that

on their own terms were more convulsive than our 9 11 They were not uniform in their language their concerns their personalities their remedies or their visions of the future In this book Sam Meier explores some recurring themes and features such as angels writing miracles the future and kingmaking all with an eye on their transformation over time And the defining event in this transformation turns out to be the great convulsive event of the story of Israel the defeat and exile of the kingdom of Judah Themes and Transformations in Old Testament Prophecy is a book that goes beyond the standard introductions to the prophets Yet it does so in a way that will inform and intrigue beginning students and anyone curious about the prophets of Israel

End of Prophetic Ministry Charles O. Ndege, 2013-05 In the contemporary church there has been an upsurge of those who claim to receive direct communication through visions and dreams But their claim contradicts the testimony of scripture This book will expose and analyze false prophecies made by two well known American and Kenyan prophets According to Apostle Paul the purpose of prophetic gift was for edification in the early church so in the end it would not be carried about with every wind of doctrine 1 Corinthians 14 3 5 Ephesians 4 12 14 As the New Testament drew to completion the same apostle taught that the role of prophetic gift was coming to an end being superseded by completed and inspired Holy Scripture Today the prophetic claims by contemporary charismatic prophets are never tested for veracity by any witnesses contrary to apostolic admonition These untested visions and dreams cannot compete with the inspired and tested words of Paul in edifying the church which was the main purpose of prophetic gift in Bible times We need people like you who can give REASON for their faith objectively and consistently Thank you George Odero Nairobi Kenya This is just awesome For lack of words of how to describe such a God given insight into the truth It s about time someone was raised of God to counter some of these hypocritical religions Martin Kilungu Nairobi Kenya Charles O Ndege of Kenya undertook an in depth study of the Bible after his conversion in 1982 He wrote this book so the people of God may not continue to be deceived by the contemporary prophets and their outlandish false claims Publisher s Website <http://sbpra.com> CharlesONdege
