Yearbook of German-American Studies ,2005 **A Mending at the Edge** Jane Kirkpatrick,2009-09-29 Of all the things I left in Willapa hope is what I missed the most So begins this story of one woman s restoration from personal grief to the meaning of community Based on the life of German American Emma Wagner Giesy the only woman sent to the Oregon Territory in the 1850s to help found a communal society award winning author Jane Kirkpatrick shows how landscape relationships spirituality and artistry poignantly reflect a woman s desire to weave a unique and meaningful legacy from the threads of an ordinary life While set in the historical past it s a story for our own time answering the question Can threads of an isolated life weave a legacy of purpose in community *Emma of Aurora* Jane Kirkpatrick,2013-11-05 The Change and Cherish trilogy based on the true story of Emma Wagner Giesy now available in one volume A Clearing in the Wild When Emma s outspoken ways and growing skepticism lead to a clash with the 1850s Bethel Missouri colony s beloved leader she finds new opportunities to pursue her dreams of independence But as she clears a pathway West to her truest and deepest self she discovers something she never expected a yearning for the warm embrace of community A Tendering in the Storm Determined to raise her children on her own terms Emma suddenly finds herself alone and pregnant with her third child struggling to keep her family secure in the remote coastal forest of the Washington Territory As clouds of despair close in she must decide whether to continue in her own waning strength or to humble herself and accept help from the very people she once so eagerly left behind A Mending at the Edge As a mother daughter sister and estranged wife Emma struggles to find her place inside and outside the confines of her religious community Emma reaches out to others on the fringe searching for healing and purpose By blending her unique talents with service to others she creates renewed hope as she weaves together the threads of family friends and faith **Eden Within Eden** James J. Kopp,2009 Oregon has been the home of nearly three hundred communal experiments since the Aurora Colony was established in 1856 Eden Within Eden is the first book to survey the state s utopian history from religious and Socialist groups of the nineteenth century to ecologically conscious communities of the twenty first century James J Kopp examines Oregon s communal history in the context of the state as a destination for those seeking new beginnings and in the framework of utopian and communal experiences across America Eden Within Eden provides rich detail about utopian communities some realized some only planned many of which reflect broader social political economic and cultural aspects of Oregon s history From the dawn of communal groups in Oregon the German Christian colony at Aurora to Oregon s most infamous communal experiment Rajneeshpuram this study examines the range of attempts to establish ideal communities in the state These include the Jewish agrarian colony of New Odessa in the 1880s as well as the new pioneers of the 1960s and later who captured the spirit of the counterculture as well as growing concerns about the environment The book explores other areas of Oregon s utopian heritage as well including literary works and idealistic city planning There has been no comparable book published on Oregon s communal history and few such

comprehensive examinations of other states The appendix is a rich compilation that will guide individuals to additional information on the profiled and many other communities Eden Within Eden will appeal to students and scholars of communal studies and Pacific Northwest history as well as to general readers interested in these subjects
