between 76% and 81% of their vote in 2020 despite losing the presidency. Additionally, the book discusses how NCP leaders are part of the Christian Right, a religious coalition with a political agenda centered on controversial issues such as anti-abortion activism, opposition to LGBTQ rights, and the protection of religious freedom. Structured around the three main ideas inspiring NCP leaders who supported Trump in 2016 and 2020: Dominion, Spiritual Warfare, and Eschatology (the End Times), the book examines how these ideas have sustained the evangelicals close to U.S. political power in the Trump era. In light of the potential for Trump's return to power in 2024, the book serves as a warning of what a renewed alliance between Trump and his former NCP supporters could bring. It is an essential read for all students and researchers of Evangelicalism, Religion in America, Political Theology, or Religion and Politics.

*Cincinnati Public Library, 1884*      *One Thousand Questions and Answers on Jewels of Knowledge and Trivia* Asher Elkayam, 2015-04-23

The following are questions on important subjects intended to help people use their memory in order to retrieve information on subjects they know such as History, Geography, Religion, Science, and more trivia. Curiosity questions will also be included. This project will be divided into ten chapters with 100 questions for each chapter. The questions represent the first part of the book. The second part of the book includes the answers. Unlike in the Jeopardy Show, which is designed for new champions, this project is for everyone. No one is required to gamble or play for money. No one is required to pull hair in order to find answers, which may not always be so important or indispensable for everyone in real life. It is intended to entertain and to enrich knowledge. Some questions may pertain to one or more subjects or chapters. For example, questions on the Patriarch Abraham could be found in the chapter on ancient history as well as in the chapter on the Bible. Questions on quotes may pertain to ancient history and scriptures as well as in contemporary writers/scientists. The questions and statements given here are of public domain and are not questions or statements uniquely or specifically made by any educational institution. However, credit is given when due. The answers will be given at the end of the book so people can use their memory and knowledge before they look for the answer. The author has consulted and researched dozens of books and hundreds of internet sources as written in his bibliography. Some of the answers may be found in books he had previously published, namely *The Bible: The Power of the Word* and *Between the Lines: The Quran and Biblical Origins*. *One Family, Four Cultures and Four Continents*. *Whose God is it Anyway?* *Love and Romance in the Bible*. Those books can be viewed at the following sites: [www.amazon.com](http://www.amazon.com), [www.asherauthor.com](http://www.asherauthor.com), [www.xlibris.com](http://www.xlibris.com), and [www.lulu.com](http://www.lulu.com). Click on author's name. The purpose of this work is to have people enjoy daily a few moments of fun. The contents are not in any chronological order. This is not a fiction or drama book that needs to be finished at the end of the day. This will not only be fun to test one's knowledge but also an excellent tool to sharpen and refresh the mind on different fields of knowledge. In sum, it is important to state that rediscovering old and new facts and data can lead to a certain happiness and personal satisfaction.
