## 1914-1918 Les Journaux De Tranchées:

*Journaux de tranchées* Jean-Louis Fousseret, Musée du temps (Besançon, France), 2014. Dans le cadre des célébrations entourant le Centenaire du début de la Grande Guerre le musée du Temps présentera à partir du mois de décembre 2014 une exposition consacrée à la valorisation du fonds Clerc, vaste ensemble de militaria et d'objets documentaires sur le Premier Guerre Mondiale conservé par le musée depuis un legs datant de 1949. Pour compléter ce projet le musée du Temps accueillera également une série d'œuvres graphiques d'Otto Dix et George Grosz qui ajoutent un contrepoint artistique à l'ensemble. À cette occasion un catalogue en deux volumes sera publié. Outre les préfaces institutionnelles les deux volumes se répartiront ainsi : 1. Un volume consacré au fonds Clerc 2. Un volume consacré à George Grosz et Otto Dix.

**German Soldier Newspapers of the First World War** Robert L. Nelson, 2011-04-14. First systematic study of German soldier newspapers as a representation of daily life on the front during the Great War.

*Nationhood and Nationalism in France* Robert Tombs, 2003-09-02. Leading international historians examine the impact of nationhood and nationalism on French life. World renowned contributors many publishing for the first time in English include Eugene Weber, Zeev Sternhell, Pierre Sorlin and Jean-Claude Allain.

**Tous unis dans la tranchée?. 1914-1918, les intellectuels rencontrent le peuple** Nicolas Mariot, 2013-11-25. Guillaume Apollinaire, Henri Barbusse, Marc Bloch, Maurice Genevoix, Georges Duhamel ou Louis de Werth, les intellectuels combattants ont laissé la postérité des textes où la guerre est superbement décrite et analysée. Nicolas Mariot retrace les carnets, correspondances et autres témoignages abondamment cités par les historiens, non comme des illustrations exemplaires de l'Union sacrée mais au contraire pour y repérer les très nombreux décalages entre leur expérience de la Grande Guerre et celle de la grande majorité des combattants. L'auteur, sociologue et historien, traque dans ces écrits toutes les mentions, jusqu'aux plus infimes et apparemment anodines, qui racontent l'état des rapports sociaux dans les tranchées. Ce sont elles qui composent l'essentiel de la matière de ce livre. En témoignage du monde des tranchées et de la preuve de la boue ou des bombardements, ces intellectuels livrent un témoignage sur leur découverte des classes populaires, leurs perceptions des soldats, ceux qu'ils agissent de camarades ou de leurs hommes, et donc sur les cartes et les différences sociales, la fois maintenues et déplacées durant le conflit. Nicolas Mariot est chercheur au CNRS, Centre Universitaire de recherche sur l'action, la publication et le politique, Amiens. Il a notamment publié avec Claire Zalc, *Face à la persécution 991 Juifs dans la guerre*. Odile Jacob, 2010.

*A History of World War One Poetry* Jane Potter, 2023-01-12. Situating First World War poetry in a truly global context, this book reaches beyond the British soldier poet canon. *A History of World War One Poetry* examines popular and literary, ephemeral and enduring poems that the cataclysm of 1914-1918 inspired. Across Europe, poets wrestled with the same problem: how to represent a global conflict dominated by modern technology involving millions of combatants and countless civilians. For literary scholars, this has meant discovering and engaging with the work of men and women writing in other languages, on other fronts, and from different national perspectives. Poems are presented in their original languages and

in English translations some for the very first time while a Coda reflects on the study and significance of First World War poetry in the wake of the Centenary A History of World War One Poetry offers a new perspective on the literary and human experience of 1914-1918 *La presse francophone de tranchée au front belge, 1914-1918* F. Bertrand, 1971, The Mobilization of Intellect Martha Hanna, 1996 When President Poincaré in the early days of World War I called on the French intellectual elite to contribute to the war effort with their pens and their words the union sacrée of scholars and writers including Henri Bergson Pierre Duhem Ernest Lavisse and Emile Durkheim united French intellect against German Kultur

*Humor, Entertainment, and Popular Culture during World War I* Clémentine Tholas-Disset, Karen A.

Ritzenhoff, 2015-05-06 Humor and entertainment were vital to the war effort during World War I While entertainment provided relief to soldiers in the trenches it also built up support for the war effort on the home front This book looks at transnational war culture by examining seemingly light hearted discourses on the Great War **Aerial Propaganda and the Wartime Occupation of France, 1914-18** Bernard Wilkin, 2016-09-13 Aerial Propaganda and the Wartime Occupation of France 1914-1918 explores the combined role played by the French and British Governments and Armies in creating and distributing millions of aerial newspapers and leaflets aimed at the French population trapped behind German lines Drawing on extensive research and French German and British primary sources the book highlights a previously unknown aspect of psychological warfare that challenges the established interpretation that the occupied populations lived in a state of total isolation and that the Allied governments had no desire to provide them with morale support Instead a very different picture emerges from this study which demonstrates that aerial propaganda not only played a fundamental role in raising morale in the occupied territories but also fuelled resistance and clandestine publications This book demonstrates that the existing historiographical portrayal of the occupied civilian as an uninformed victim must be replaced by a more nuanced interpretation **De verbeelding van 1914-1918** Bob Latten, 2024-02-26 Als op 4 augustus 1914 de Eerste Wereldoorlog uitbreekt wordt de talentvolle Franse tekenaar en schilder Joseph Lesage opgeroepen Vier jaar lang dient hij als radiotelegrafist bij nacht en ontij ploeterend om de kwetsbare verbindinglijnen open te houden onbeschermd tegen vijandelijk artillerievuur Het is vaak inspannend en gevaarlijk werk Aan en achter het front zijn er gelukkig ook tijden van relatieve kalmte momenten waarin Lesage zijn toevlucht zoekt in zijn passie tekenen en schilderen Zijn kleurrijke schetsen verschijnen onder meer in de bladen L'Echo de Paris Le Miroir en Rire maar vooral in zijn loopgravenkrant Le Mouchoir die met vriendelijke spot en troost zorgt voor afleiding maar ook voor vertrouwen onder zijn kameraden Behalve Lesages schetsen schilderijen en aquarellen vond auteur Bob Latten in de archieven van zijn Nederlandse kleinkinderen een schat aan materiaal familiefoto's brieven aan zijn broers aan het front aan zijn ouders en aan zijn vrouw en dochttertjes De verbeelding van 1914-1918 schetst een intiem en openhartig tijdsbeeld uit de periode waarin Frankrijk een overwegend katholieke natie was en de belle époque eindigt in het bloed van tallozen Men at War 1914-1918 Stéphane

Audoin-Rouzeau,1992-07-16 This study is based on the extraordinarily rich and varied range of trench journalism that brings to life in the vivid language of the soldiers themselves not only their suffering but also their vulgarity sentimentality and idealism

**Publishing in the First World War** M. Hammond,S. Towheed,2007-05-16 This book explores the publishing and reading practices formed and changed by the First World War From an exploration of British and Australian trench journals to the impact of war on the literary figures of the home front the essays provide new information about the production circulation and reception of reading matter during this time

*Defending French in Flanders, 1873-1974* David J. Hensley,2023-12-28 This book examines the efforts of the French speaking minority in Flanders Belgium to maintain a legal and social presence of the French language in Flemish public life Chronologically the study is bookended by two developments almost exactly a century apart In 1873 the first laws were passed which required the use of Dutch in some aspects of public administration in Flanders challenging the de facto use of French among the Flemish ruling class One hundred and one years later the last French daily newspaper in Flanders collapsed marking the end of a once vibrant French language public sphere in Flanders The author contends that the methods and arguments by which French speakers defended the role of French in Flemish public life changed along with the social and political situation of this minority As the Flemish movement grew over the course of the twentieth century French speakers appeals to the free choice of language lost traction and they put forward claims that they represented an ethnolinguistic minority who deserved protection for their mother tongue Providing new insights for scholars of European history and in conversation with the literature on liberalism national identity and Francophonie this book demonstrates how the debate over the role of French in Flanders was at the center of Belgium's

ethnolinguistic conflict the repercussions of which continue to be felt to this day **They Shall Not Pass** Ian Sumner, 2012-05-19 Sumner's brilliant window onto the French army is a book I cannot recommend highly enough Full of detail and mixed with vivid personal accounts War History Online This graphic collection of first hand accounts sheds new light on the experiences of the French army during the Great War It reveals in authentic detail the perceptions and emotions of soldiers and civilians who were caught up in the most destructive conflict the world had ever seen Their testimony gives a striking insight into the mentality of the troops and their experience of combat their emotional ties to their relatives at home their opinions about their commanders and their fellow soldiers the appalling conditions and dangers they endured and their attitude to their German enemy In their own words in diaries letters reports and memoirs most of which have never been published in English before they offer a fascinating inside view of the massive life and death struggle that took place on the Western Front The author's pioneering work will appeal to readers who may know something about the British and German armies on the Western Front but little about the French army which bore the brunt of the fighting on the allied side His book represents a milestone in publishing on the Great War An interesting well written and informative book which goes a long way to explaining why the French army mounted the staunch defense of its homeland that it did Burton Mail The text is skillfully put together and moves seamlessly from one voice to another while illuminating the flow of events that affected Frenchmen and women during the Great War Stand To The Western Front Association **Krankheit und Tod 1918** Marc Hieronimus, 2006 **Matters of Conflict** Nicholas J. Saunders, 2004 Matters of Conflict looks at the definitive invention of the twentieth century industrialised war and its vast and varied material legacy From trench art and postcards through avant garde art museum collections and prosthetic limbs to battlefield landscapes the book examines the First World War and its significance through the things it left behind The contributions come from a multidisciplinary perspective uniting previously compartmentalized disciplines such as anthropology archaeology cultural history museology and art history in their focus on material culture This innovative hybrid approach investigates the social life of objects in order to understand them as they move through time and space and intersect the lives of all who came in contact with them The resulting survey sets a new agenda for study of the First World War and ultimately of all twentieth century conflict **La Guerre de 1914-1918** Gaston Jollivet, 1916 **Guide des sources de la Guerre 1914-1918 dans le Nord** Archives départementales du Nord, 2009 D s septembre 1914 les arm es allemandes d ferlent sur le Nord Les 2 3 du d partement sont occup s la ligne de front passant par Armenti res et La Bass e La r gion dunkerquoise prot g e par les inondations n est qu un vaste camp retranch Des soldats de toutes nationalit s s affrontent Les populations civiles s efforcent de survivre ou se r fugient de leur plein gr ou sous la contrainte de l arm e dans les d partements fran ais non touch s par les combats L armistice de 1918 laisse le d partement totalement ruin et les ann es qui suivent sont consacr es la reconstruction et l aide aux victimes de la guerre Ce Guide de sources r alis par une quipe des Archives d partementales du Nord se propose de recenser les documents relatifs cette

guerre ou qu'ils soient conservés et tant pour le Nord libre que pour le Nord occupé. Il donne des pistes pour la reconstitution des parcours de poilus originaires du Nord qu'ils soient morts pour la France ou qu'ils aient survécu. Il traite aussi de l'après-guerre et notamment de la reconstruction. Il s'adresse tous les publics et bien que non exhaustif, il devrait permettre tous les curieux de la Première Guerre mondiale et tous les chercheurs de s'y reconnaître un peu mieux dans la masse de documents tant écrits que cartographiques, photographiques et cinématographiques, tant publics que privés, conservés en France mais aussi en Allemagne, en Belgique, au Royaume-Uni, au Canada, en Suisse. Les Archives départementales du Nord créées par la loi du 5 Brumaire An V (26 octobre 1796) ont pour missions la collecte, le classement, le tri et le repertoriage, la conservation, la communication et la valorisation du patrimoine archivistique du département du Nord : papiers des institutions d'Ancien Régime, archives des services du département, des services de l'état, des tribunaux, des établissements d'enseignement, des établissements hospitaliers, des notaires, des communes et plus généralement de tous les organismes publics situés dans le Nord, archives de familles, d'entreprises, d'associations et autres archives privées. Depuis la décentralisation, les Archives départementales sont un service du département du Nord.
