**SA Dillow**

## **1964 Chevrolet Trucks Medium Heavy Dut:**

**Chevrolet Trucks 1955-1959** Dennis Parks, 2021-05-25 Rebuild and modify your 1955-1959 Chevrolet truck with today's best parts. Regardless of your automotive taste, there is almost always a need for a shop truck to chase parts, use as a tow vehicle, or use for household chores that require a trip to the farm and home store. Pickup trucks have always been popular, but that is true now more than ever. Plus, they hold their own as hot rods as well. Many vintage trucks can still be found in their original condition. Unlike years ago, the automotive aftermarket has now realized the popularity of these trucks. Whether you plan to restore one as a mild custom or go all out, the necessary parts are available, which makes it easier to achieve your dream, regardless of your skills or budget.

**Veteran how to book author Dennis W Parks** resurrects a 1955 Chevy pickup as the subject of **Chevrolet Trucks 1955-1959 Build Modify** to be used as a daily driver. Starting with a classic styled work truck, he updates it with creature comforts that are found in new vehicles, those that the average hot rodder can still maintain without having an electronics degree. Everything is covered, including updating the front and rear suspension, as well as installing disc brakes to provide a good foundation for your project. Body repair and modifications, including installing patch panels, power windows, rotary door latches, and a stylish third brake light, are next. Interior components, including the latest creature comforts that provide safety and convenience, are examined. Mechanical components, such as the engine, transmission, steering, cooling, and wiring, are included, as well. Everything you need to know to build a safe and reliable pickup truck is included in this book. Most of the work featured is performed in a home garage, which proves that you can build a decent truck within the confines of a two-car garage without paying a fortune in labor.

**LIFE**, 1963-10-18 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest most amazing collection of professional photography on the internet. Users can browse, search, and view photos of today's people and events. They have free access to share, print, and post images for personal use.

**American Light Trucks and Utility Vehicles, 1967-1989** J. "Kelly" Flory, Jr., 2019-12-23 The truck's role in American society changed dramatically from the 1960s through the 1980s, with the rise of off-roaders, the van craze of the 1970s, and minivan revolution of the 1980s, the popularization of the SUV as family car, and the diversification of the pickup truck into multiple forms and sizes. This comprehensive reference book follows the form of the author's popular volumes on American cars. For each year, it provides an industry overview and, for each manufacturer, an update on new models and other news, followed by a wealth of data, available powertrains, popular options, paint colors, and more. Finally, each truck is detailed fully with specifications and measurements, prices, production figures, standard equipment, and more.

**Chevrolet Pickups, 1946-1972 : How to Identify, Select and Restore Chevrolet Collector Light Trucks** John Gunnell, Design, production, and service histories of our most popular subjects, combined with top-notch color photographs.
